The Superintendent, Mr. Garofalo and I met with a representative from the Oakland Raiders and we are pleased to announce that we have a better and sweeter deal this year. We are hoping to have effective fundraising for the Sports Program.

J. Manuel Herrera, Member

Kudos to our Save Our Sports Team for a fabulous 5K event. I am really happy that it is getting anchored as an annual event. I was happy to sweat a little on that date with a little running.

Frank Biehl, Member

The Santa Clara County School Board Association held their Legislative Brunch on the 28th. As you know, I am currently President of the School Boards Association. At that meeting, we invited State Legislators to participate. We asked each of the Legislators there to sign a commitment card that very simply asked them to agree to protect public education funding and further cuts, to restore the \$11.2 billion dollars that are owed to the schools and community colleges since this was an agreement with the Governor and Legislature last year to oppose any attempts to undermine Proposition 98. Assemblymembers Beahl and Coto signed, Senator Simitian – we had a discussion and he told us he does not sign pledges for anyone and the other Legislators that were present or who were unable to make it are considering to sign it. This is all part of the effort that is being done by the statewide Educational Coalition. I've written a column in the Santa Clara County School Boards Association Newsletter (attached), which I am passing out to you now, which talks about the issue, "When Do You Talk to Your Friends." We all have friends who are in the legislature, we all have people that we know, people that we work with and people that we like. I wrote an article that talks about sometimes you have to confront your friends and sometimes you have to ask them to make a commitment.

My term as the Santa Clara County School Boards President ends at the end of May. Dana Tom from Palo Alto will be the new President. I will be attending the CSBA Delegate Assembly on May 23 and 24 in Sacramento. There is also a CSBA Action Legislative Conference on the 24th and 25th in Sacramento, which any Board Member here is welcome to attend and participate in. I am not going to be participating in that this year, but, instead, I am going to be participating, once again, in the Cortese Sacramento bus trip, which this year is scheduled for May 17. Bob Nuñez is going to join me on the trip, along with 66 students and chaperones from seven schools in our district. Last year, I chaperoned 12 students and it has really grown this year. Board Members are welcome to join. Other community members and parents are welcome to join. There's room for them to attend. Although, the student sign-up has been limited to the 66 that we currently have, let me tell you, we could fill six busses if we did not put a cap on it. In that process, we go to Sacramento, we go to a conference room, we sit in a conference room and the Cortese staff have made arrangements for all of our local Legislators to come in 15-20 minutes at a time, along with a representative from the Governor's office, State Superintendent of Instruction's office, CTA's office joins us as well. It was a very interesting experience, but because we are in a conference room and they come to us, we can only take about 150 altogether.

In combination with this, Cortese's Office is sponsoring an educational summit, from 6 to 8 p.m. on May 13 at the Isaac Newton Auditorium at the County Offices, 70 W. Hedding. The purpose here is for the people going on the trip and anyone else who is interested to come down there and get briefed on the issues, arrive at some sort of general consensus as to the type of questions we want to ask the Legislators and then to carry that forward on the trip on the 17th.

MetroED:

MetroED is meeting next Wednesday. Negotiations regarding Campbell's separation from the Adult Education Program are winding down. Everything should be completed by the July 1 date.

Eddie Garcia, President

Some time ago, we had some public speakers talk about the E-Rate and the possibility of dollars from E-Rate. I would like to see a follow-up on that.

I went to the Mt. Pleasant High School Puente Project Poetry Slam. It was incredible. The young woman who won was only a sophomore. She is absolutely incredible. It was a completely student-lead and produced event. Principal Marquez, you ought to be proud of your students.

I also went with Mr. Biehl to the James Lick Environmental Club. They have their own mini solar project that they've done on their own. Being a grad of James Lick, I am very proud of those students. It was a great event. Mr. VanderZee, kudos to you as well.

I also went with Mr. Biehl to the ribbon cutting for the new Piedmont Hills softball field. The girls were excited. It is a beautiful field. It is exactly the kinds of facilities we need to provide for our communities. Kudos to everyone! Principal Traci Williams threw the first pitch. It wasn't a strike, but it got to home plate.

The last thing is that I was really moved by the MST Coordinators a couple of meetings ago. I went out to the Student Center at Santa Teresa High School. I was very impressed by the services that we provide. Again, with Mr. Duran's leadership, it is an outstanding service out there.

For the record, the 5K Run, I did beat my 12-year old daughter. She says she beat me and I claim to have beaten her, but for the record, I beat her.

Thank you all. This is a difficult time. We are all doing our best. Again, thanks to the staff, classified, certified, everybody. We are going through some difficult times and we need to keep working together. I appreciate it.

17.02 Dan Moser, Interim Superintendent

In regards to Race to the Top Part 2, the grant is due June 1. Similar to the last one, we know as much detail today as we did then, which means literally zero. We do know that six districts are writing the grant and districts throughout the State will have the option of opting in or going a different direction. It is Fresno, San Francisco, Los Angeles, and Clovis that are the primary writers for this particular grant. As soon as we get details, we will share it with our bargaining unit, because I am sure this one will ask again for a collaborative affair and, hopefully, we will have sufficient detail to present it to the Board at the meeting later this May.

18. REPORT CLOSED SESSION ACTION(S)

Attorney will report on closed session action item(s).

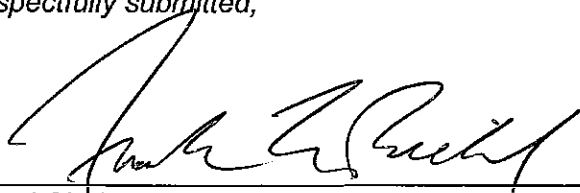

See section 2.0 for reporting out of Closed Session items.

19. ADJOURNMENT

President adjourns the meeting.

President Garcia adjourned the meeting at 8:55 p.m.

Respectfully submitted,

Board Clerk

Board of Trustees #1 + #2

May 6, 2010

M. Miller

EAST SIDE UNION HIGH SCHOOL DISTRICT

TO: Board of Trustees

FROM: Dan Moser, Interim Superintendent

PREPARED BY: Jerry Kurr, Associate Superintendent of Administration and Business Services

SUBJECT: Approve Contracts for Professional Services over \$50,000

The following Contracts for Professional Services over \$50,000 is being recommended for Board approval.

1. Facilities Management Planning and Operations, Inc.

Reviewed by:	Contract Period	Cost/Fund Source	School/Dept. Manager
A. Garofalo J. Rono, PhD. D. Bertrand	May 6, 2010 through and including May 5, 2013	\$427,500.00 Measure E	Education Center/Calero School Alan Garofalo June Rono, PhD.

East Side Union High School District (ESUHSD) is requesting authorization from the Board of Trustees to enter into a Contract for Construction Management Services for Facilities Management Planning and Operations, Inc. for the Calero High School Modernization Project. This approval is contingent upon the Board authorizing Facilities to move forward with the Calero project as defined in item 10.02 10.03

Reason for the Purchase of Outside Services.

Selection Process

The District completed a formal Request for Qualifications (RFQ), RFQ-02-08-09 which went to the Board for approval of the recommended "Measure E & G Pre-Approved Construction Management Firms (CM) List" on March 10, 2009. With this list in place, the District then requests from all four of the pre-approved to submit a "Construction Management Selection Questionnaire (CMSQ)" which will include the cost and project team being proposed. In this case, back on June 9, 2009 Facilities requested CMSQ from three of the four firms. At that time Facilities Management Planning and Operations, Inc. was selected to be recommended to the Board for approval. However, at that time and at subsequent meetings this project was removed from the Board agenda.

For this Board meeting, purchasing requested that new proposals be obtained due to the age of the old proposals and the fact that the hard cost had increased significantly which would affect the cost proposals previously

submitted. Facilities was able to secure two new proposals but the third vendor was not able to provide a new proposal "given the timeframe in which it is required".

RECOMMENDATION: It is recommended that the Board of Trustees enter into an Agreement with Facilities Management Planning and Operations, Inc., for the Term May 6, 2010 through and including May 5, 2013 for the Provision of Construction Management Services for the Calero High School Modernization Project contingent upon contingent upon the Board authorizing Facilities to move forward with the Calero project as defined in item 10.02 10.03

2. Sugimura Finney Architects

Reviewed by:	Contract Period	Cost/Fund Source	School/Dept. Manager
A. Garofalo J. Rono, Ph.D. D. Bertrand	May 6, 2010 through and including May 5, 2013	\$641,250.00 Measure E	Education Center/Calero School Alan Garofalo June Rono, Ph.D.

East Side Union High School District (ESUHSD) is requesting authorization from the Board of Trustees to enter into a Work Authorization Agreement for Architectural Design Services with Sugimura Finney Architects for the Calero High School Modernization Project. This approval is contingent upon the Board authorizing Facilities to move forward with the Calero project as defined in item 10.02 10.03

Reason for the Purchase of Outside Services.

Selection Process

The District completed a formal Request for Qualifications (RFQ), RFQ-03-07-08 which went to the Board for approval of the recommended pool of District Architects on June 19, 2008. With this list in place, the District requested three Architectural firms to provide an "Architect Selection Questionnaire (ASQ)" which includes a cost and project team proposal.

In this case, back on June 9, 2009 Facilities requested ASQ's from three firms. At that time Sugimura Finney Architects was selected to be recommended to the Board for approval. However, at that time and at subsequent meetings this project was removed from the Board agenda.

For this Board meeting, purchasing requested that new proposals be obtained due to the age of the old proposals and the fact that the hard cost had increased significantly which would affect the cost proposals previously submitted. New proposals were obtained and Sugimura Finney Architects is still the recommended Architect based on the new proposals obtained.

RECOMMENDATION: It is recommended that the Board of Trustees enter into a Work Authorization Agreement for Architectural Design Services with Sugimura Finney Architects for the Calero High School Modernization Project for the term of May 6, 2010 through and including May 5, 2013. This approval is contingent upon the Board authorizing Facilities to move forward with the Calero project as defined in item 10.02 10.03

Action Agenda Details

Motion:

It's time for school board members to demand that our friends in the legislature stand firm to stop further cuts to education!

Collaboration is the fundamental culture of education, useful in governance but a disaster when negotiating with those who provide state funding. We've learned that playing hardball with major political interests will take more than making nice. When it comes to seeking rightful resources for our students we must take a stand.

We respect the challenges our friends in the legislature face. We know many personally. Their backgrounds are similar to ours. Many are former school board members, teachers, and superintendents. They assure us they share our values. We believe they do.

We don't want to offend but our friends need to know that these cuts are having a devastating effect upon our students. A whole California generation is being handicapped before entering the world economy. Our advocacy helps provide backbone for legislators to do the right thing.

The Education Coalition that includes board members, superintendents, administrators, teachers and classified staff are asking legislators to sign a card committing to the following:

1. Protect public education funding from further cuts.
2. Restore the \$11.2 billion owed to schools and community colleges.
3. Oppose any attempts to suspend or undermine Prop 98.

At this time we have mixed results. Assembly Members Beall and Coto have signed. Others in the Santa Clara County delegation are reviewing the commitment. One Senator doesn't sign pledges.

Protect our students by attending the CSBA Legislative Action Conference in Sacramento on May 23-24. Contact your legislators to urge them to make a commitment to education or thank them if they have already signed. They will be judged by their actions.

I wish to express my thanks to the leadership team that helped me through this challenging year.

Dana Tom, Vice President organized our dinner events. Pam Parker, Treasurer has been steady in keeping our books. Nancy Newton and Esau Herrera, Hoffmann Awards Co-Chairs, revitalized this important recognition. Michele van Zuiden provided us with an excellent Legislative Brunch. Jo Lucey, District Director, continues to represent our interests with CSBA. Leslie Reynolds, the Immediate Past President often offered me kind words of encouragement. Rose Filicetti, Executive Director, kept me on track to meet all deadlines.

I've been proud to be President of this organization. I've made many friends as we've worked together in common purpose. It has been a privilege to serve. I thank each of you for the support you have provided.

My best wishes to our new officers, Dana Tom President, Pam Parker, Vice President, Michael Gipe, Treasurer, as they guide our organization next year.

Sincerely,

Frank Biehl,
Santa Clara County School Boards Association President, 2009/10
