   8.1 Classroom Supplies - Teacher Classroom Supply Relief Fund - Jerry Kurr, Interim Assistant Superintendent of Business Services

   _Superintendent Nuñez_
   $200. 00 is what we believe the district can support.

   _Member Shirakawa_
   What do we do with the teachers who already spent money? We need to talk about this in a larger content. We need a strategy of looking at this. We need to look for additional funding from different resources. I would like for the administration to come back with an analysis of this item and discussion how this will be funded.

   The Board approved a $200 annual (pro-rated based on FTE), per teacher, Classroom Supply Relief Fund. This is for reimbursement of personally expended funds for the purchase of classroom materials/supplies that have been paid for out of personal funds.

   ✓ **Motion to approve as amended Classroom Supplies Funds in the amount of $200 annual (pro-rated based on FTE), per teacher, was made by Clerk Mann, seconded by Member Martinez-Roach.**
   **Vote: 5/0**

   _Member Martinez-Roach_
   We need to revisit this policy. The concern I have is fire damage.

   _Member Shirakawa_
   Let’s go back and look at this policy. Each school should be able to have the ability to do this once a year.
Motion to approve request for waiver of Board Policy 5142.1, pertaining to Fire Prevention and Safety Compliance at Independence High School for Fireworks Show on November 9, 2006, at Homecoming was made by Clerk Mann, seconded by Member Martinez-Roach.
Vote: 5/0

The Associated Student Body of Independence High School, invited the Board to their Homecoming on November 9, 2006.

8.3 New Employment Contract for Superintendent

President Herrera
There were certain goals the Board wanted to see. The Board believes Superintendent Bob Nuñez has focused on:
- Contract negotiation, be brought to a conclusion agreement
- Fiscal stewardship
- A focus on academic achievement
- A new climate of the organization

Copies of the Superintendent’s contract was available to the public.

Motion to approve new employment contract agreement with Superintendent Bob Nuñez for a term to end on June 30, 2009, earning $225,000 per year, was made by Clerk Mann, seconded by Vice President Nguyen.

Vice President Nguyen has been excused, wife is expecting her baby at any moment.

8.4 Pending Board Vacancy - Continued Appointment Process Rollout & Refinement – Bob Nuñez, Superintendent

Clerk Mann
The application questionnaire used in 1998 seems to be appropriate. A cover letter will be required from all applicants expressing their interest. Applicants should detail their experience and education and what makes them the right person for this opportunity. I would like to propose that the application process open on November 6, 2006 and close on the November 17, 2006.

President Herrera
My view is we would have an Advisory Committee. We would have a public forum where the Board and the Advisory Committee would have questions to ask the applicants. I would like to see an open forum to interact with these applicants.
Member Martinez-Roach
Why would we change the Superintendent’s recommendation? Did you look at the timeline we had before or did you create a new one? We need to make sure we have a recommendation from our limited English community. We have translators. Even though last time it worked well, I felt there were certain voids in our community. I don’t feel comfortable changing the timeline.

Member Shirakawa
I am concerned about how we will be selecting the individual slots. How will we be selecting from all these individual groups. I want everyone to have the opportunity to apply for the Board position.

President Herrera
My suggestion is that we have 5 community “at large” positions.

The Community Advisory Committee will be comprised of representatives from the following:
- East Side Teachers Association (ESTA)
- California School Employees Association (CSEA)
- American Federation of Teachers (AFT)
- Association of California School Administrators (ACSA)
- Confidentials
- School Site Council Presidents (6)
- ASB Presidents (6)
- Representatives from our social justice groups, NAACP, La Raza, Asian Law Alliance and someone from Californians for Justice
- Staff

The Board created a timeline for the appointment of the Board vacancy by Clerk Mann (2-year term). The Board will announce at a Special Board Meeting of December 14, 2006, the new Board appointment.

The **timeline process** is as follows:
- November 6 - 17, 2006: Application window period
- December 14, 2006: Special Board Meeting – Appointment of Board Member

11) BOARD OF TRUSTEES/SUPERINTENDENT’S COMMUNICATIONS/COMMENTS

11.1 Board of Trustees

Member Martinez-Roach
Student Board Relations meeting was at Mt. Pleasant. We had good student participation. Students complained about restrooms and food.

I loved my visit at Overfelt High School. Climate is good. I am quite concerned about the appearance of Andrew Hill’s campus. I am concerned about the Measure G flyer that was mailed out. I don’t think all schools were represented. I want to know who paid for it.

Alan Garofalo, Assistant Superintendent of Operations
Cost is covered by Measure G. We have to have a report out to the community. The purchase to approve this item was approved by the Board.

Member Shirakawa
Andrew Hill is used 24-7. This campus is used a lot. I was at Yerba Buena High School’s Homecoming. Mr. Cruz and Mr. Rocha did a good job. Numerous parent and student were excited about the new field.
I want to acknowledge what Comcast and City Year did at James Lick High School on "Clean Up Day." There was lots of staff participation. They all deserve good credit for a successful day.

11.2 Superintendent Núñez
I want to thank the Board. We together do make a good team. I want to thanked Dan Moser for his patience and Wendy Siegeman. I look forward to working with every teacher, classified employee, every member of the Board.
