*MetroED:*

Things are going very well at MetroED this year. There is a very good spirit; a lot of cohesion between the staff and the administration over there. I was at their open house the other night and it was done very well. I also went to the opening of their new adult education center that they finished construction on last year. Things are moving well at MetroED right now.

17.02 Dan Moser, Interim Superintendent

I would like to commend our staff, teachers, classified and administrators for participating with our Back to School Night. This is the month that everyone is out with that extra shift and we have gone through about four. Every week, for the next three or four weeks, we have a couple more. A commendable job done by everyone.
