10.02 **Board Audit Committee Update and Accept Board Audit Committee Minutes of October 9, 2010 - Frank Biehl, Audit Committee Chair and Lan Nguyen, Audit Committee Vice Chair**

   **Frank Biehl, Audit Committee Chairperson**
   I have included in your packet the approved minutes of the October 9, 2010, Audit Committee meeting. They are extensive and give you a very good idea of the work the Committee has been working on.

   We met again on December 11 and at that meeting we received a report from the External Auditor who will be presenting the external audit for the last fiscal year to this Board at our January meeting for acceptance. The Internal Auditor, in addition, at our January meeting will be presenting his recommended work plan for the Board’s approval.

   We also have two community appointments to the Audit Committee that the terms start February 1st. One is a two-year term public member. We stagger the terms for the Charter. One member drew a short-term and only served for one year. He is interested in serving again, but my recommendation is that we send out a press release noticing that we have this vacancy and that anyone can apply to serve who meets the qualifications within the Charter. We follow the same plan as we did last year. In addition, we appoint an alternate to a one-year term. I would work with the new Vice Chair and the Administration to make sure that the press release goes out in December.

   The October 9, 2010, Board Audit Committee Minutes of October 9, 2010, were accepted by the Board of Trustees.

15.03 Ratify/Approve Student Aide Personnel Actions Presented December 16, 2010

Member Biehl left room; recused himself from vote as it involves his son.

Patricia Martinez-Roach, Board Member
I have a question. Under condition number 1, I know there is a legal opinion regarding dependent children. The question I have for the attorney for the record: Does this mean any dependent citizens of a Board Member could work for the District? Member Biehl needed to disclose the fact that his sibling is a minor, which he did not do before he left. The disclosure must be noted in the District’s official record. The Board’s approval is on good faith by a majority vote.

Rogelio Ruiz, Legal Counsel
By way of background, I have provided to the Board a copy of an opinion dated today regarding an issue that arose at the last meeting and that is that the administration was proposing to hire Kevin Biehl, who is Member Biehl’s son, as a Student Aide at Mt. Pleasant High School. In light of the issues and concerns that were expressed there, I was asked whether the Political Reform Act or the Government Code absolutely prevented or prohibited the District from entering into that kind of an arrangement. I’ve provided an opinion that says that under normal circumstances, under the strict language of the statute, the answer would be “yes,” except for the statute also contains for an exception that defines a remote interest to include the interest of the parent, here Member Biehl, in the earnings of his or her minor child for personal services. Before the Board can take any action, the existence of that relationship had to be disclosed to this Board and what I advised Superintendent and Member Biehl was that I ask that this letter be made a part of the official record to not only constitute the disclosure, but also my opinion that that fact that Member Biehl’s son is a minor child, which Member Biehl has represented to me. In this case, that fits within the exception and, therefore, the Board may approve that part-time employment by his son as a Student Aide at Mt. Pleasant High School if it so desires. There is nothing in the statute that requires Member Biehl from recusing himself. I did advise him and the Superintendent that I thought it would be a good idea if he recused himself and removed himself from the room on any discussion on this matter. My only other comment would be that, if the Board approves this, that this letter be made a part of the official record by being attached to the minutes that will be approved by this Board at the subsequent meeting.

Lastly, to address Member Martinez-Roach’s comment is the exception doesn’t apply to dependents. It applies only to minor children and there is a difference. In this case, again, I have been informed, and it is my understanding that his son, Kevin, is the subject of this is 16 years old and is legally still a minor and will be a minor through the limited employment period. That is defined under law as a remote interest and so it excludes it.

Dan Moser, Superintendent
It is funded under Century 21 funds and Goodwill is the LEA. This is the second year for the grant.
Rogelio Ruiz, Legal Counsel
The agreement by Goodwill -- which Goodwill funds these programs. Under the
Government Code and Political Reform Act, the issue is whether Member Biehl has a
financial interest in that contract and he does not. He does not have an interest in Goodwill
itself. He would have to have some interest in Goodwill or some interest in the contract
where he is going to receive money as a result of the contract that would disqualify not only
him from taking part, but potentially the Board from taking any action to approve that
contract. That does not exist in this case. The connection comes because his son…those
monies come straight to the District and then the District uses those monies to fund these
programs. The issue that we have here is that now the District’s funds, which they receive
through Goodwill, will be used in part to hire his son as a Student Aide. Without this
exception in the law because his son lives with him, that would have given rise to a conflict
of interest and probably this Board could not have approved that. The purpose of my letter
was to point out that there is a very specific exception as to those principles-- those
conflicts -- that apply only to minor children in this instance.

Patricia Martinez-Roach, Board Member
For example, let’s say I have a dependent child in the same situation who is disabled for
example what does the law say about that?

Rogelio Ruiz, Legal Counsel
Is the child a minor?

Patricia Martinez-Roach, Board Member
No.

Rogelio Ruiz, Legal Counsel
Then that would present a conflict for this Board to hire. The rules are actually not as…
there is not one rule that applies to every situation. I will give you another example. If a
person is elected to a Board, and that person has a spouse who is currently an employee of
the District at the time of the election, that person can still sit on the Board and still make
employment decisions mainly with respect to a collective bargaining agreement without
being in violation of the conflict of interest rules. However, if a person is elected to a Board
and, thereafter, that spouse applies to the District for a job, the District cannot take that
action. That is very clear in the law. Depending on the nature of the relationship and the
timing of the events, those will all have potentially an impact on the conflict analysis.

Patricia Martinez-Roach, Board Member
To summarize it, the fact that we approved the Goodwill contract is not a conflict of interest
according to the law.

Rogelio Ruiz, Legal Counsel
That is correct.
Motion by Member Herrera, second by Clerk Le, to ratify/approve the student aide personnel actions presented December 16, 2010.

The opinion letter dated December 16, 2010, from Legal Counsel Rogelio Ruiz will be entered into the record and attached to the minutes of December 16, 2010.

Vote: 3/0, Member Martinez-Roach abstained from Vote; Member Biehl recused himself/left the room as it involves his son.

J. Manuel Herrera, Board Member
Happy Holidays!
**Frank Biehl, Board Vice President**
I submitted for the record a copy of my activities to the California School Boards Association Delegate Assembly Meeting and also the California School Boards Association Conference. I ask that it be included in the record. This is my report. Typically when I go to a Delegate Assembly meeting or a School Boards Association Meeting or any other meeting that my expenses are covered, I provide the District with a brief report and ask that it be included in the record.

**MetroED:**
We had plenty of discussion about MetroED tonight, but the one thing I would like to say is that our Board completed the evaluation of Superintendent Paul Hay and he received a 5 out of 5 overall evaluation from the Board. It is a very detailed evaluation and we are very pleased with the work he is doing and extended his contract. He is with us for up to three additional years.

**Van Le, Board Clerk**
I attended the CSBA Conference. It was a very good conference. I learned a lot. They talked about the first 100 days as a new Board Member.

I also provided Superintendent Moser information regarding a couple of grants from State Farm Insurance.

I believe this is going to be a good year for me. I am learning.

I hope you all have a good holiday!

**Patricia Martinez-Roach, Board Member**
I attended the CSBA Conference. There was a workshop that I attended that raised a red flag. At the Latino Caucus Breakfast it was stated that the Board of Education is quietly trying to change the graduation requirements. It is an important matter that we should be looking at because this could impact our A-G requirements.

I noticed that the Consent Calendar had items that were added, such as the warrants and a lot of the Business items. They were deliberately taken out years ago because of the FCMAT recommendations for transparency and making sure we had those… and, in fact, I think Rogelio gave a legal opinion that they were supposed to be out in the open. I am a little bit surprised that they were put back in Consent, because I am only going to pull them out and I am just wondering why this happened. I think this should have been a Board decision, not just one person or the Superintendent. We should have some discussion. If we want to have those items in Consent, we should all agree on that.

**Lan Nguyen, Board President**
After serving on the Board for six years, the recent CSBA Conference was the first time that I saw my two Board Member, Patricia Martinez-Roach and Manuel Herrera, at a conference. That was a pleasant surprise. It was nice to see Board Members at the conference.

Happy holidays!
17.02 Dan Moser, Superintendent

There was an event today that took place at Silver Creek High School. It is important to accent that particular event because I believe that in many of our high schools similar programs are taking place. I had a youngsters who is a recipient of the Mercury News Holiday Wish List Program. This young lady had wished for a motorized scooter. The student suffers from severe cerebral palsy. This scooter makes it possible for her to get around campus much easier. The presentation was through a partnership with Walgreens, as well as many members of the Silver Creek community, parent groups, and students. Before an audience of a couple hundred youngsters, it was very moving. The family was there to receive the gift. It shows what is taking place this time of year. Many of our schools and students are indeed learning the lessons of what it is to give to others and they are very charitable.

Re: Board Member Frank Biehl; Potential Conflict Issues

Dear Mr. Moser:

The District has proposed to hire student Kevin Biehl as a “Student Aide” in the ASSETS Program at Mt. Pleasant High School. The hiring is one out of approximately 69 Student Aide positions being filled by the District. The position is part-time, for approximately 5 hours per week, and will be paid with restricted funds. Kevin Biehl is the son of Board Member Frank Biehl. I understand that Kevin Biehl is 16 years old, and is a dependent of Frank Biehl and Mr. Biehl’s wife and resides in Mr. Biehl’s household. I also understand that Frank Biehl had no part in the staff’s decision to hire Kevin Biehl. The matter is on the Consent Calendar (Item 15.03) for approval at the Regular Board Meeting of December 16, 2010.

In light of those facts, a question has arisen as to whether the Board may approve Kevin Biehl’s part-time employment under the State’s conflict of interest laws.

Government Code section 1090 provides in relevant part:

“Members of the Legislature, state, county, district, judicial district, and city officers or employees shall not be financially interested in any contract made by them in their official capacity, or by any body or board of which they are members.”

Government Code section 1091(a) provides in part:

“An officer shall not be deemed to be interested in a contract entered into by a body or board of which the officer is a member within the meaning of this article if the officer has only a remote interest in the contract and if the fact of that interest is disclosed to the body or board of which the officer is a member and noted in its official records, and thereafter the body or board authorizes, approves, or ratifies the contract in good faith by a vote of its membership sufficient for the purpose without counting the vote or votes of the officer or member with the remote interest.” (Emphasis added.)
The term “remote interest” is defined in Section 1091(b), and includes within its definition: “That of a parent in the earnings of his or her minor child for personal services”. (Section 1091(b)(4).)

In light of these provisions the question which arises is whether the facts fit within the exception in 1091(b)(4). Since, as I understand, Kevin Biehl is a minor, the “remote interest” exception in Section 1091(b)(4) applies, and therefore the Board may approve Kevin Biehl's part-time Student Aide employment, provided the Board complies with the requirements set forth in Section 1090(a), including:

(1) Member Biehl must disclose the fact that Kevin Biehl is his minor son;

(2) That disclosure must be noted in the District’s official records (e.g., Board minutes); and

(3) The Board's approval is “in good faith” by a majority vote, not including Frank Biehl's vote.

In light of these requirements, I recommend that at the appropriate time during the December 16 meeting, Item 15.03 be pulled from the Consent Calendar for separate vote by the Board, and that a copy of this letter be made a copy of the District's official records and be attached to the minutes for the December 16, 2010, Board Meeting to be approved by the Board at a future Board meeting. I also recommend that Member Biehl recuse himself from the Board Room and from any discussion and vote regarding the proposed part-time employment of his son as part of that agenda item.

Please feel free to contact me if you have any questions or need any clarification.

Sincerely,

REHON & ROBERTS
A Professional Corporation
