9.01 Board Audit Committee Update, Discussion and/or Action - Frank Biehl, Audit Committee Chair and Patricia Martinez-Roach, Audit Committee Vice Chair

Frank Biehl, Audit Committee Chair
Vice Chair Patricia Martinez-Roach and I have met and we are looking forward to working together cooperatively to make sure the Audit Committee remains an effective body with this Board.

We met and agreed upon a process for the appointment of the two vacancies on the Audit Committee. We currently have a vacancy for a regular Audit Committee Member, a two-year term, starting in February through January – two years later, and also an alternate, which is a one-year term. That information has been posted on the website and has been sent out to the appropriate newspapers. A small story ran in the San Jose Mercury News noting that vacancies were available.

Our next meeting for the Audit Committee is set for March 5. That starts our cycle for next year’s audit. Tonight we are going to be completing that cycle. We are going to be receiving the audit findings for last year. After that, we are going to have a presentation of the draft Internal Auditor Work Plan.

Patricia Martinez-Roach, Audit Committee Vice Chair
I am looking forward to working cooperatively with all the committee members. I really encourage participation from the audience and a lot of different groups to come out and see what the committee is going to be doing. I think that we have a lot of good work ahead of us and I am looking forward to it.

16. **Board of Trustees/Superintendent Communications/Comments**

16.01 Board of Trustees

Frank Biehl, Board Vice President

MetroED:

I completed my term as President at MetroED last night. James Canova from Santa Clara was elected President, Cynthia Chang from Los Gatos was elected Vice President, and Dan Bobay from Milpitas, a new Member on the Board, was elected Clerk.

The Superintendent, because he received a wonderful evaluation and pursuant to his contract, his services for his contract was extended for one additional year, which is a three-year rolling contract. He has a contract with MetroED for the next three years. It is not clear whether he will exercise the entire contract or if he will retire after two years, but we would like to have him stay.

The issue related to the Adult Education Program at San Jose Unified will be decided tonight at San Jose Unified. We rather expect that San Jose Unified will vote to take two-thirds of their adult education funds and not longer use them for adult education.

MetroED is working on alternate plans to make sure they are able to continue to run the program for San Jose Unified’s Adult Education, but at a much lower level.

I emphasize the need to make sure that services for immigrants are maintained and they indicated that is the core of their services and they will attempt to do that, but it is a very big hit for adult education. I pointed out that our district has not made that decision and that we continue to use our adult education funds for adult education. Although, they have taken a very big hit along with everyone else, but we have not made the decision to take those funds and put them into another area.

San Jose Unified’s decision in MetroED, I think, will be okay. It just makes it a little more difficult to take some of the upper overhead and to write it off over a broader base. In some ways, MetroED becomes more focused on technical education, which I believe is their primary function.
Van Le, Board Clerk

I would like to take this opportunity to say thank you to the Superintendent. We went together to visit James Lick High School. Principal Glenn VanderZee was there to give us a tour of the site. I will continue to visit school sites.

I would like to take this opportunity to invite staff, administrators and teachers to join us this Sunday, January 30. The Vietnamese American Community of Northern California is hosting a reception to honor the Vietnamese students that won in the Dr. Martin Luther King, Jr., contest last Friday. This would be an opportunity for the community to understand about East Side Union High School District and support the students. It will be this Sunday, January 30, from 2:30 p.m. to 4:30 p.m. in the Board Room.

Patricia Martinez-Roach, Board Member

I wanted to congratulate Ms. Duran from Evergreen Valley High School who organized with a delegation of different people throughout the County and went to Haiti in July. I think we really need to consider giving them a humanitarian award from this Board. There was a student from Evergreen Valley who raised $3,000 with other students for the relief fund.

What an amazing experience for these youngsters and teachers that went during the summer months to go and do this wonderful work in Haiti. I understand that they are going to continue to do this work.

The Latino parents have not had a conference for many years. The Vietnamese parents are having one this year. They had one last year and the year before. I am just wondering at what point we are going to have a joint parent workshop for all the parents? I think that it is important that we bring the parents and engage them in training. The parents that I have been working with are very excited for any training that they can get. They want to come. They want to be a part of it. I am asking the Board if anybody objects to bringing back some kind of proposal that we can engage all parents to participate that want to be part of a district wide workshop. Specific areas could be cultural, linguistic or academic.

Congratulations to the Martin Luther King, Jr., winners! I think that was awesome!

J. Manuel Herrera, Board Member

I have two items. The first is that there is a story in today's paper regarding the lawsuit with the construction company. I am aware there is concern about the matter. I just want to say, as one Member of the Board, that we cannot manage the legal issues in a case like this based on what is reported in the newspaper's story.

The story that was posted yesterday evening was pulled back at midnight last night for a correction before the print edition. Even the print edition is lacking balance and accuracy overall. My belief is that if any of you or if any journalist sat in the room where we sit and listen to the analysis and issues at stake and the fiduciary responsibility to manage, my guess is that most, not all, or 99 out of 100, would agree with the decisions of the Board to-date. I personally believe that the trial court, even at the jury, did their job, according to what they were instructed at the trial.
I just want to ensure the community that we are not sitting here in some careless manner with this matter.

Second item is that every year is the gathering for the Mayor's State of the City Address. This year it falls on our next meeting in February. I would like to request, if the Board is amenable, that we either hold the February meeting either the following Thursday or the prior Thursday so that we have an opportunity to go and be part of this annual gathering with the community.

**Lan Nguyen, Board President**

Last month, I told you that I may not be going to the Board Presidents' Workshop in Sacramento. Now, I have changed my mind because I will get a good education out of it. I am going this Saturday to Sacramento to attend the Board Presidents' Workshop.

**16.02 Dan Moser, Superintendent**

A few weeks ago I was invited to the installation of the CSEA Chapter #187 E-Board. Julio was installed. Angie was also installed. So were Omar and Roland Smith. I congratulate the duly elected E-Board Members!

Also, recently, I received a communication from Andrew Hill about the honor of one of their teachers, Dave Johnson a Social Studies Teacher, who was recognized for his accomplishments with the IB Program and as Educator-of-the-Year for IB. Congratulations to Dave!

**17. REPORT CLOSED SESSION ACTION(S)**

Attorney will report on Closed Session action item(s).

See section 2.0 for reporting out of Closed Session items.

**18. ADJOURNMENT**

President adjoins the meeting.

President Nguyen adjourned the meeting at 10:29 p.m.

Respectfully submitted,
