Re: Violations of Public Contract Code Sections 4104 and 4106; Consideration of Hearing Officer’s Findings and Recommendations and Additional Evidence; Discussion and/or Action Regarding Imposition of Remedies as Allowed by Law (Public Contract Code Section 4110) and Contract – Frank Biehl, Board President

*Public speakers:*
   - Robert Blum, Attorney for D.L. Falk
   - Rick Solis, Representative of Carpenters Local #405

*Board Vice President Martinez-Roach*

*I need, for the record, the Attorney to read which is the right code number so there is no confusion later in case it ever goes to litigation.*
Counsel Ruiz
The correct code section is Public Contract Code Section 4110. What I would like to do is include as part of the record of this proceeding a copy of the Notice of Hearing, dated January 10, that was delivered to D.L. Falk.

Board President Biehl
For the record, the number I read, “4110,” is the correct number?

Counsel Ruiz
That is correct.

Board Vice President Martinez-Roach
So, when you stated 4100, that was not the correct code?

Counsel Ruiz
The Subcontractors Fair Practices Act begins at Section 4100. The public hearing requirement is contained in Section 4110. They both are a part of the same set of laws.

Board Vice President Martinez-Roach
Let the record show then.

I am not persuaded or intimidated by the fact that there might be a possible lawsuit against us if we take any kind of action or sanctions. I think we have the duty and responsibility as elected officials to follow the law and to make sure the policies and procedures that we establish are followed in this District and, by not doing so and by prolonging this, I believe that it is only going to cost us more money because we are paying attorney fees, we are continuing to pay attorney fees, and this is a matter that should have been taken care of months ago in my opinion. There is no question about it in my mind and I think it is a shame that we are going to continue to prolong it. I want this on the record.

Motion by President Biehl, second by Member Nguyen, to continue the hearing at the February 19 Board Meeting and that the Board render its decision at that time.

Vote: 4/1, Vice President Martinez voted No for reasons stated (above)

10. **PUBLIC MEMBERS WHO WISH TO ADDRESS THE BOARD OF TRUSTEES**

Van Le, Member
I would like to commend Silicon Valley Faces for organizing the MLK contest each year.

I visited the Escuela Popular Charter School. They have a lot of programs in the Charter School. They have a very good program. The results on the achievement gap are not as sufficient, but I think we can take a look at those things later.

I attended the CCPY celebration two days ago. One of the stories from an at-risk youth really moved me. We should continue to support this program and the facility. It helped me to understand that there are a lot of community volunteers out there that are putting their time and effort to help out our at-risk youth.

Patricia Martinez-Roach, Vice President
I wanted to share a small story. As you know, I teach kindergarten. I’ve been teaching a little about Dr. Martin Luther King, Jr. and we are also learning about the Vietnamese and Chinese New Year. Today an amazing thing happened; I asked the students how many Vietnamese students do we have in the classroom and they all raised their hand. It was just beautiful because the children do not see racial lines. It just reminded me of the meaning of Dr. Martin Luther King. I wanted to end on that note because it is an important message.
**Lan Nguyen, Member**

I had a chance to visit Foothill High School. The last time I visited Foothill was before the Library burned down. It is a nicely built Library. I had a chance to visit a few classrooms that were renovated with the Measure E allocation monies. I had a chance to sit in the classroom with the students. I appreciated that there was a Martin Luther King, Jr. event and rally there for all students, including the competition awards. It really meant a lot to the students to receive an award. That was a very moving experience.

Thank you Madame Vice President for mentioning the Vietnamese and Chinese New Year. Most people only mention Chinese New Year, but there is also a Vietnamese New Year. There is a big Vietnamese New Year festival at the Fairgrounds this weekend, Saturday and Sunday. Saturday is a big day for the celebration at the Fairgrounds.

**J. Manuel Herrera, Clerk**

Yesterday was my first official meeting at MetroED as the District’s representative to MetroED. There are no pertinent issues to report.

**Frank Biehl, President**

I would like to announce that there will be a Special Meeting of the Board next Tuesday at 6 PM to meet with the consultants that we have hired to assist us on the Superintendent search. It is a public meeting. The purpose of the meeting is to discuss and take action on the timeline and the procedures that will be followed in this search. I want to make sure that all is open and above-board on the decisions that the Board needs to make about how we are going to approach this and with the guidance of the consultants that we’ve hired. It is here at 6 PM in this room. I am not sure exactly how we are going to set the room up. We may set it up a little differently to make it more like a workshop type, but we will be taking some action that night. You are welcome to attend. It is a publicly noticed meeting. It is a Special Meeting and will be noticed today.

**19.02 Dan Moser, Superintendent**

We are blessed with a large number of talented students – whether it be in art, writing or multimedia. Also, we have talented students in the math area through the Intel Competition. Behind every student is a teacher who is there to mentor those youngsters. I want to acknowledge the teacher’s role in help our students achieve success and be recognized. Congratulations to the students and also congratulations to the teachers behind each one of them.

**20. REPORT CLOSED SESSION ACTION(S)**

Attorney will report on Closed Session action item(s).

See section 2.0 for reporting out of Closed Session items.
21. **ADJOURNMENT**

President adjourns the meeting.
