19. **BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS**

19.01 Board of Trustees

**Lan Nguyen, Board Member**
I was just informed that the grandmother of Principal Bettina Lopez just passed away a few days ago. I would like the Board to adjourn the meeting in her honor.

**Van Le, Board Member**
I attended the annual Santa Clara County Office of Education teacher celebration. I would like to congratulate our teacher who received the award for Teacher of the Year. In the future, I would like to see East Side recognize their teachers and classified employees.

I attended the Latino Conference in San Diego. I brought back information on the biliteracy program and provided it to the Superintendent. I was impressed with the video about the program. If we implement this program, I know that it will be successful. It is very encouraging for students to keep two or more languages.

**Patricia Martinez-Roach, Board Vice President**
I want to congratulate the Facilities staff and all the people who made it possible for our fabulous new tracks and fields. It has been an amazing experience.

**Frank Biehl, Board President**
Congratulations on a job well done! We’ve got one more to do at Evergreen on Friday night. It was very impressive and well received by the community. A lot of hard work has gone into this and a lot of scheduling work. It really looks good and thank you much for that.

19.02 Chris D. Funk, Superintendent

Our two presentations by Mt. Pleasant and Overfelt set the bar high for the rest of the high school for the rest of the Board meetings this year.

20. **REPORT CLOSED SESSION ACTION(S)**

Attorney will report on Closed Session action item(s).

See section 2.0 for reporting out of Closed Session items.

21. **ADJOURNMENT**

President adjourns the meeting.

The meeting was adjourned at 9:30 p.m. in memory of Principal Bettina Lopez’s grandmother.

The Mt. Pleasant High School Classroom Modernization Project encountered field conditions that were not in the contracted scope of work. District-initiated additional scope in Building 700 to improve project outcomes is also included in this change order request; this additional scope takes advantage of construction trades already mobilized on the project, and will result in Building 700's learning environment being improved to the same degree as the other buildings in the project.
