*Magdalena Carrasco, Board Member*

I just want to remind folks that the on the 23\textsuperscript{rd} next week, will be the hearing for SB39, which is to Prop 39, will be held at Independence High School in the B Villa Commons. From 11 AM to 1 PM will be the hearing and I invite all of you to attend if you are able to do so. Testimony will start at 11 AM. The audience will be invited to do so after the invited panel. If you are able to attend, that would be great. To be able to show our officials what East Side has would be really wonderful. Thank you.

*Van Le, Board Clerk*

I have to say that February 10 is the Vietnamese New Year. In January, we celebrate both New Years. We are not going to meet until February 14, but I want to wish all a Happy New Year.

Tomorrow we have the Martin Luther King, Jr. Awards Ceremony. It is a good event. I attend every year and I am very proud of our students.

*Frank Biehl, Board President*

I’ve been visiting schools. I visited four schools so far. I am really pleased with what I see. I see a lot of good instruction occurring in the classrooms. I’ve had the opportunity to have a little more perspective about what the issues were, what the problems were, and how much progress has been made – even during these difficult fiscal times. I am appreciative of the opportunity to visit the sites and drop in the classrooms to see what is going on. I am impressed. I see efforts to integrate special education students into regular classrooms. I see that much more in an aggressive way and I am pleased with that. I see teachers in Math Departments, in math support classes, developing curriculum that seems to be effective with the students engaged while they are in the classroom. I see teachers utilizing technology in the classrooms and integrating that into their lesson plans and keeping students attentive and engaged. I’ve only been to four schools, but I am looking forward to visiting the other eight.

I also see a lot of capital improvements that have been made and that are appreciated by those on our sites. We’ve turned the corner. A lot of things are happening and, hopefully, when we get all that information, the Department of Education will be a little bit better on our budget than we were last year.

19.02 Chris D. Funk, Superintendent

First, I would like to thank Randy Phelps and his team, as well as Mary, for their phenomenal work in launching our new website. If you have not had a chance to visit our website, hopefully, you will do that soon. When you do, on the homepage there if you click on the Strategic Planning button, you will see the calendar for the community conversations. The first one will be January 28 at Yerba Buena High School. There will be a total of 13 community conversations. They will all start at 6:30 PM. The announcement was just made today. The invitation is going out not only to our sites, but also to our feeder schools because I am inviting parents of our middle school feeder schools to come and join the engagement to have input on our next strategic plan. Next week, we will be sending out an e-mail inviting people to visit the website where they will be able to click on a link to take a survey. Staff will have a separate survey. Students will have their own survey. Parents will have their own
survey. A little bit later on, we will have a survey for stakeholders outside of our system to give us feedback around the strategic planning process. Look for that e-mail coming next week to all of our stakeholders.

20. **REPORT CLOSED SESSION ACTION(S)**

   Attorney will report on Closed Session action item(s).

   See section 2.0 for reporting out of Closed Session items.

21. **ADJOURNMENT**

   President adjourns the meeting.

   The meeting was adjourned at 9:57 PM.

   Respectfully submitted,
