19. **BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS**

19.01 Board of Trustees

**Van Le, Board Clerk**

I visited several schools: Independence, Santa Teresa, Silver Creek, Mt. Pleasant, Evergreen Valley, and Andrew Hill. I would like to thank all the Principals, Associate Principals and Teachers for taking the time to show me their school and classes. I visited Pegasus High School, which I believe is at a great location. I will be visiting more schools next week, including the Adult Education Program.

I attended two of the Superintendent's Strategic Planning sessions. One was with the ASB students. There was a lot of good work out of that meeting. I can’t wait to see the report from the Strategic Planning meetings.

I attended a Special Education event at Mt. Pleasant High School. It was a great event. We need to provide more events such as this one for our special education students. The special education students throughout the district met in the morning at Mt. Pleasant High School, had lunch and there was some dancing. It seemed so very joyful.

**Lan Nguyen, Board Member**

I am thrilled that we have a Senior Manager of Internal Controls.

Our next Audit Committee Meeting is scheduled for this Thursday at 6 PM. You are welcome to attend.

**Magdalena Carrasco, Board Member**

I had an opportunity to attend the NSBA Conference this weekend, which I thought was very good. I brought back materials to share with you.
J. Manuel Herrera, Board Vice President
I passed out information to share with you regarding MetroED. One item in the report is that we have been conducting a search for a Superintendent. Current Superintendent Paul Hay is retiring at the end of this school year. I want to acknowledge the ESHSD MetroED alternate, Lan Nguyen, who did the heavy lifting in this process. Due to scheduling conflicts, I could not be at the meeting for the screening of the application. Lan took care of that as the alternate. Again, due to scheduling conflicts, I could not be at the full day of interviews and Lan carried the ball and participated in coming to a decision. At tomorrow night's meeting at MetroED, we will be one step closer with a Board decision to offer to a candidate. There will be a changing of the guard in management at MetroED with the hiring of the new Superintendent.

Frank Biehl, Board President
I'll was at NSBA this weekend as well. I saw a fabulous presentation on the Common Core and the challenges that lie ahead of us. William Daggett put it on and he was fabulous. He has a conference he is sponsoring in Washington, D.C., in late June or late July. We may want to send a couple of folks there. The conference was good. It was worth the whole conference just to see his presentation.

19.02 Chris D. Funk, Superintendent
At our next Study Session on April 25, which will be around Strategic Planning, you will receive three documents. One will be the revised Climate Survey. We were able to add another 1,000 students to the survey and another several hundred parents who took the survey. We will have that analysis of that survey. We will also have an executive summary of all the data we collected at the 15 community conversations and the 6 focus group meetings that we've held. Staff will bring forward a discussion/recommendation around our vision, mission and core values. My goals is to give you a copy of the survey, executive summary and the recommendation on Tuesday, prior to the meeting, so that you have a little time to review it. The second agenda item is to bring forward a recommendation around public relations and community relations.

20. REPORT CLOSED SESSION ACTION(S)

Attorney will report on Closed Session action item(s).

See section 2.0 for reporting out of Closed Session items.

21. ADJOURNMENT

President adjourns the meeting.

The meeting was adjourned at 10:18 p.m.

Respectfully submitted,

East Side Union High School District (ESUHSD) Administration is requesting authorization from the Board of Trustees to approve Change Order #1 to Purchase Order #301295 with Beacon School for the provision of non-public school (NPS) services for special education students. This change order is needed to pay for additional ESUHSD Special Education Students who needed to be placed into this program.

All educational services shall be consistent with the master contract and specified services per the students' Individual Education Program (IEP) which will be incorporated into the Contract Services Agreement.

ESUHSD’s relationship with Beacon School, an NPS, goes back many years. Beacon was on the ground floor of assisting ESUHSD with offering services to a growing population of students with the classification of Emotional Disturbance (ED). Starting at Oak Grove High School and eventually expanding to Independence, Mt. Pleasant and Andrew Hill High Schools, Beacon worked on first establishing the transitional ED classroom and then therapeutic ED classrooms. Having this established relationship facilitates giving students with emotional disturbances the appropriate continuum of services both in the comprehensive setting and in the more restrictive off campus setting of an NPS. Additionally, Beacon School is extremely proactive in returning students to ESUHSD’s comprehensive campuses when appropriate.

Original Agreement/Purchase Order Amount approved on August 23, 2012 680,000.00 + Change Order #1 in the amount of $200,000.00 = New Purchase Order Amount of $880,000.00.

### Selection Process

ESUHSD has single sourced this vendor based on the complexity of building a long term relationship that benefits both ESUHSD and the students.

### RECOMMENDATION

It is recommended that the Board of Trustees approve Change Order #1 to Purchase Order #301295 with Beacon School in an increased amount of $200,000.00. All other terms and conditions remain the same.

East Side Union High School District (ESUHSD) Administration is requesting authorization from the Board of Trustees to approve Amendment #1 to the Contract Services Agreement with Brightstar Care (Change Order #1 to Purchase Order #301149). Brightstar Care provides specific nursing care to ESUHSD Special Education Students as designated in the student’s IEP plan.

Originally when this Agreement came to the Board for approval there was only one ESUHSD Special Education student who required special services under this agreement; a nurse to administer insulin injections and to check the student twenty minutes after the injection. However, since that time several other Special Education students have either been transferred into the District or have developed a need for specialized nursing services. Therefore, Special Education has requested an increase to the Agreement in order to provide the necessary services to these ESUHSD students that will be in accordance with their IEPs.

Original Agreement/Purchase Order Amount approved on August 23, 2012 18,500.00 + Amendment #1/Change Order #1 in the amount of $57,000.00 = New Agreement/Purchase Order Amount of $75,500.00.

Selection Process
At the time the original agreement will sought several agencies were contacted however, only Brightstar Care had the licensed staff available that could perform the critical services ESUHSD needed.

RECOMMENDATION
It is recommended that the Board of Trustees approve Amendment #1 to the Contract Services Agreement (Purchase Order 301149) with Brightstar Care in an amount of $57,000.00.

East Side Union High School District (ESUHSD) is requesting authorization from the Board of Trustees to enter into an Agreement with the Santa Clara County Office of Education for the provision of community school services.

**Reason for the Purchase of Outside Services**
Due to the Santa Clara County Office of Education’s lack of sufficient resources, the ESUHSD must contribute to the per allotment amount of $3,413 per student in attendance for 180 days. For the 2013-2014 school year, ESUHSD will be designated 100 allotments.

**Selection Process**
There was no competitive solicitation done for this service.

The Santa Clara County Office of Education operates community schools which provide services for students of school districts throughout Santa Clara County.

**RECOMMENDATION**
It is recommended that the Board of Trustees approve a Contract Services Agreement with the Santa Clara County Office of Education for the contract term July 1, 2013 through and including June 30, 2014 for the provision of Community School Services for East Side Union High School District.

East Side Union High School District (ESUHSD) Administration is requesting authorization from the Board of Trustees to approve Change Order #1 to Purchase Order #301299 with Beacon School for the provision of non-public school (NPS) services for special education students. This change order is needed to pay for additional ESUHSD Special Education Students who needed to be placed into this program.

All educational services shall be consistent with the master contract and specified services per the students' Individual Education Program (IEP) which will be incorporated into the Contract Services Agreement.

Due to the specialized educational services required to appropriately serve students who present severe, unique emotional and/or developmental disabilities including mental retardation, autistic spectrum disorder, mood, disruptive behavior, anxiety and psychotic disorders residing in the ESUHSD, Spectrum Center is a NPS offering such services that meet the widely, varying needs of this unique group of students.

Original Agreement/Purchase Order Amount approved on August 23, 2012 for $598,772.00 + Change Order #1 in the amount of $150,000.00 = New Purchase Order Amount of $748,772.00.
**Selection Process**

There was no competitive solicitation done for this type of service.

There is a determination made by the IEP team that ESUHSD is not currently able to meet particular students’ educational needs. Recommendations are then presented at the students’ IEP meeting. Referrals to Spectrum Center are made at the students’ IEP meetings by the District’s Program Specialists after consultation with the District’s Special Services Coordinator.

Spectrum Center is an NPS that offers specialized educational services for this unique group of ESUHSD students. The vendor pool for these specialized services is very small especially locally.

**RECOMMENDATION**

It is recommended that the Board of Trustees approve Change Order #1 to Purchase Order #301299 with Spectrum Center, Inc. in an increased amount of $150,000.00. All other terms and conditions remain the same.

On May 10, 2011 (Board Item 12.03), the Board awarded a construction contract in the amount of $1,512,724.00 to Beals Martin, Inc. (Purchase Order #200202) (see attachment Item 1).

This change order #1 is for additional contract authorization for scope changes related to unforeseen conditions revealed during the course of construction, for owner-initiated additional work, and for contractor-initiated additional fees for construction work unclearly or incorrectly shown on the construction documents. Representative examples of those items include:

- Repair existing drywall
- Install additional access doors
- Added door flanges, doors and door buttons
- Add power to wash fountain in both boys' and girls' locker room
- Add sheet metal as closure of existing wall louver at new team locker room
