23. BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS

23.01 Board of Trustees

Van Le, Board Clerk
I saw the format of the Consent Calendar and it is really better. It is in a different category and easy to look up. I commend staff or Mr. President for thinking about this and making it easier for me to follow.

School started August 12. I would like to stop by the schools and visit during Back to School Night.

Lan Nguyen, Board Member
We had a great Board work session a few weeks ago. It was put together very well. The agenda was well developed. I got a lot out of it and felt that all the Board Members contributed a lot into what we see as next steps and the direction of the District. I am looking forward to the next one in October.

I heard that Calero started, which is exciting!

Frank Biehl, Board President
Welcome back to school! Thank you for getting everything operating and running again. I am looking forward to a great year.

23.02 Chris D. Funk, Superintendent
I want to thank all of our staff, particularly our Principals and their teams, as well as the support staff here at the Central Office, for getting our schools up and running. I want to do a special thanks to Calero. I want to introduce Calero’s new Principal, Robert Ibarra. I want to do a special thanks to Robert for his team and Mr. Phelp’s team and the construction team here and maintenance crew to really get that school up and running. If you have not had a chance to visit Calero, it truly is a remarkable school. It was long-time planning and to merge the new high school with post senior. You will be impressed with the work that was done by the construction crew, by everyone here to move them in; much appreciation for that.
Let us introduce the new Principal of Foothill, Mr. George Sanchez. Congratulations! George went home on a Friday for the weekend and came back and had a new job. Thank you so much for taking on this challenge. You are doing a great job!

24. **REPORT CLOSED SESSION ACTION(S)**

   Attorney will report on Closed Session action item(s).

   See section 2.0 for reporting out of Closed Session items.

East Side Union High School District (ESUHSD) Administration is requesting the Board of Trustees ratify the “Santa Clara County SELPAs/District Master Contract General Agreement for Nonsectarian, Nonpublic School/Agency Services” with AchieveKids for the provision of non-public school (NPS) services for special education students. Educational services shall be consistent with the specified services per the student’s Individual Education Program (IEP), and to delegate authority to the Superintendent or designee to execute amendments to said contract on an as needed basis, including funding.

Due to the specialized educational services required to appropriately serve students who present severe, unique emotional and/or developmental disabilities including mental retardation, autistic spectrum disorder, mood, disruptive behavior, anxiety and psychotic disorders residing in the ESUHSD, AchieveKids is an NPS offering such services that meet the widely, varying needs of this unique group of students.

**Selection Process**

There was no competitive solicitation done for this type of service. There is a determination made by the IEP team that ESUHSD is not currently able to meet particular students’ educational needs. Recommendations are then presented at the students’ IEP meeting. Referrals to AchieveKids were made at the students’ IEP meeting by the District’s Program Specialist after consultation with the District’s Special Services Coordinator.

AchieveKids is an NPS that offers specialized educational services for this unique group of ESUHSD students. The vendor pool for these specialized services is very small especially locally.

**RECOMMENDATION**

It is recommended that the Board of Trustees ratify the “Santa Clara County SELPAs/District Master Contract General Agreement for Nonsectarian, Nonpublic School/Agency Services” with AchieveKids for the provision of non-public school (NPS) services for special education students. The contract term shall be July 1, 2013 through and including June 30, 2014 in an estimated annual amount of $400,000.00, and to delegate authority to the Superintendent or designee to execute amendments to said contract on an as needed basis, including funding.

East Side Union High School District (ESUHSD) Administration is requesting the Board of Trustees ratify the “Santa Clara County SELPAs/District Master Contract General Agreement for Nonsectarian, Nonpublic School/Agency Services” with The Bay School for the provision of non-public school (NPS) services for special education students. Educational services shall be consistent with the specified services per the student’s Individual Education Program (IEP), and to delegate authority to the Superintendent or designee to execute amendments to said contract on an as needed basis, including funding.
Evergreen School District has served these students in this setting since their elementary school years at this school located in Santa Cruz, which specializes in the instruction of extremely involved Autistic students.

**Selection Process**
There was no competitive solicitation done for this service. The Bay School was selected by Evergreen School District to meet the students' needs in elementary school. It is an NPS that offers specialized educational services for autistic students.

**RECOMMENDATION**
It is recommended that the Board of Trustees ratify the “Santa Clara County SELPAs/District Master Contract General Agreement for Nonsectarian, Nonpublic School/Agency Services” with The Bay School for the provision of non-public school (NPS) services for special education students. The contract term shall be July 1, 2013 through and including June 30, 2014 in an estimated annual amount of $400,000.00, and to delegate authority to the Superintendent or designee to execute amendments to said contract on an as needed basis, including funding.

East Side Union High School District (ESUHSD) Administration is requesting the Board of Trustees ratify the “Santa Clara County SELPAs/District Master Contract General Agreement for Nonsectarian, Nonpublic School/Agency Services” with The Bay School for the provision of non-public school (NPS) services for special education students. Educational services shall be consistent with the specified services per the students Individual Education Program (IEP); and to delegate authority to the Superintendent or designee to execute amendments to said contract on an as needed basis, including funding.

ESUHSD’s relationship with Beacon an NPS goes back many years. In ESUHSD’s attempts to offer services to a growing population of Emotionally Disturbed (ED) classified students, Beacon worked with the ESUHSD on first establishing the transitional ED classroom and then therapeutic classrooms on our comprehensive sites starting at Oak Grove High School and eventually expanding to Independence, Mt. Pleasant and Andrew Hill High Schools. Having this established relationship facilitates giving ED students the appropriate continuum of services both in the comprehensive setting and in the more restrictive off campus setting of an NPS.

Beacon is extremely proactive in returning students to the comprehensive campus when appropriate.

**Selection Process**
ESUHSD has single sourced this vendor based on the complexity of building a long term relationship that benefits both ESUHSD and the students.

**RECOMMENDATION**
It is recommended that the Board of Trustees ratify the “Santa Clara County SELPAs/District Master Contract General Agreement for Nonsectarian, Nonpublic School/Agency Services” with Beacon School for the provision of non-public school (NPS) services for special education students. The contract term shall be July 1, 2013 through and including June 30, 2014 in an estimated annual amount of $923,000.00, and to delegate authority to the Superintendent or designee to execute amendments to said contract on an as needed basis, including funding.

East Side Union High School District (ESUHSD) Administration is requesting the Board of Trustees ratify the five-year Agreement with the Goodwill Industries to accept the California Department of Education’s 21st Century Learning Grant (aka ASSETs, After School Safety and Enrichment for Teens) and define the relationship between the parties. This grant will provide ESUHSD with an estimated $240,000.00 per year per high for an estimated total amount of $3,600,000.00 over the term of the grant. Only three Santa Clara County high schools received the 21st Century Learning Grant and all three were in East Side Union High School District: Silver Creek, Oak Grove, and Independence High Schools.

At the January 19, 2012 board meeting the Board approved ESUHSD to enter into a Memorandum of Understanding (MOU) with Goodwill Industries for Goodwill to submit a collaborated granted application for the California Department of Education’s 21st Century Learning Grant (aka ASSETs, After School Safety and Enrichment for Teens). In Spring 2013 Goodwill was notified that we were awarded the grant for all three ESUHSD school sites applied for in the application. The total annual ESUHSD in-kind contribution amounts to $37,000 per year per school site.

These above Schools will be able to offer similar programs that Goodwill is currently operating at Mt. Pleasant High School. Among the offerings, both after school and during summer are: credit recovery classes in Algebra, Geometry, Algebra II, World History US History, Economics; Ballet Folklorico; Weight Training and Conditioning; French Cooking; Journalism; Driver Education and Driver Training; ROTC; Girls Spotz (leadership class for Opportunity girls); Gang Diversion; tutoring in all subject areas; open library 5 days per week; summer field trips; CAHSEE prep sessions; staff recognition events; parent education.

Goodwill’s strategy is to focus only on the larger core grant of $250,000.00 per year/per school for five years. Total amount of grant to be received by ESUHSD over the five-year term is expected to be $4,800,000.00.

The Memorandum of Understanding (MOU) is a requirement of the grant proposal. The MOU will express our support of the proposed Goodwill ASSETs program at our school site by agreeing to provide a small amount of in-kind services to support the program. In-kind services are: operational support, $16,000; data support, $5,000; administrative support $8,000; participation in the ASSETs collaboration $4,000; communication support $2,000; and permission to bring volunteers into the school $2,000. The total annual ESUHSD in-kind contribution amounts to $37,000 per year per school site.

The proposed program in the grant will be similar to those that are currently being offered at Mt. Pleasant High School under this same grant awarded in July 2009. Among the offerings, both after school and during summer are: credit recovery classes in Algebra, Geometry, Algebra II, World History US History, Economics; Ballet Folklorico; Weight Training and Conditioning; French Cooking; Journalism; Driver Education and Driver Training; ROTC; Girls Spotz (leadership class for Opportunity girls); Gang Diversion; tutoring in all subject areas; open library 5 days per week; summer field trips; CAHSEE prep sessions; staff recognition events; parent education.

ESUHSD’s relationship with Beacon an NPS goes back many years. In ESUHSD’s attempts to offer services to a growing population of Emotionally Disturbed (ED) classified students, Beacon worked with the ESUHSD on first establishing the transitional ED classroom and then therapeutic classrooms on our comprehensive sites starting at Oak Grove High School and eventually expanding to Independence, Mt. Pleasant and Andrew Hill High Schools. Having this established relationship facilitates giving ED students the appropriate continuum of services both in the comprehensive setting and in the more restrictive off campus setting of an NPS.

Beacon is extremely proactive in returning students to the comprehensive campus when appropriate.

Selection Process
ESUHSD has single sourced this vendor based on the complexity of building a long term relationship that benefits both ESUHSD and the students.

East Side Union High School District (ESUHSD) Administration is requesting the Board of Trustees ratify the five-year Agreement with the Goodwill Industries to accept the California Department of Education’s 21st Century Learning Grant (aka ASSETs, After School Safety and Enrichment for Teens) and define the relationship between the parties. This grant will provide ESUHSD with an estimated $240,000.00 per year per high for an estimated total amount of $3,600,000.00 over the term of the grant. Only three Santa Clara County high schools received the 21st Century Learning Grant and all three were in East Side Union High School District: Silver Creek, Oak Grove, and Independence High Schools.

At the January 19, 2012 board meeting the Board approved ESUHSD to enter into a Memorandum of Understanding (MOU) with Goodwill Industries for Goodwill to submit a collaborated granted application for the California Department of Education’s 21st Century Learning Grant (aka ASSETs, After School Safety and Enrichment for Teens). In Spring 2013 Goodwill was notified that we were awarded the grant for all three ESUHSD school sites applied for in the application. Now that funding has been secured, Goodwill and ESUHSD will enter into a five-year agreement.

ESUHSD’s in-kind services and estimated values are: operational support, $16,000; data support, $5,000; administrative support $8,000; participation in the ASSETs collaboration $4,000; communication support $2,000; and permission to bring volunteers into the school $2,000. The total annual ESUHSD in-kind contribution amounts to $37,000 per year per school site.

These above Schools will be able to offer similar programs that Goodwill is currently operating at Mt. Pleasant High School. Among the offerings, both after school and during summer are: credit recovery classes in Algebra, Geometry, Algebra II, World History US History, Economics; Ballet Folklorico; Weight Training and Conditioning; French Cooking; Journalism; Driver Education and Driver Training; ROTC; Girls Spotz (leadership class for Opportunity girls); Gang Diversion; tutoring in all subject areas; open library 5 days per week; summer field trips; CAHSEE prep sessions; staff recognition events; parent education.

East Side Union High School District (ESUHSD) Administration is requesting authorization from the Board of Trustees to enter into an Agreement (Memorandum of Understanding) with the Goodwill Industries to submit grant proposals for the California Department of Education’s 21st Century Learning Grant (aka ASSETs, After School Safety and Enrichment for Teens) for Andrew Hill, Evergreen Valley, Piedmont, and Santa Teresa High Schools. Goodwill’s strategy is to focus only on the larger core grant of $250,000.00 per year/per school for five years. Total amount of grant to be received by ESUHSD over the five-year term is expected to be $4,800,000.00.

The Memorandum of Understanding (MOU) is a requirement of the grant proposal. The MOU will express our support of the proposed Goodwill ASSETs program at our school site by agreeing to provide a small amount of in-kind services to support the program. In-kind services are: operational support, $16,000; data support, $5,000; administrative support $8,000; participation in the ASSETs collaboration $4,000; communication support $2,000; and permission to bring volunteers into the school $2,000. The total annual ESUHSD in-kind contribution amounts to $37,000 per year per school site.

The proposed program in the grant will be similar to those that are currently being offered at Mt. Pleasant High School under this same grant awarded in July 2009. Among the offerings, both after school and during summer are: credit recovery classes in Algebra, Geometry, Algebra II, World History US History, Economics; Ballet Folklórico; Weight Training and Conditioning; French Cooking; Journalism; Driver Education and Driver Training; ROTC; Girls Spotz (leadership class for Opportunity girls); Gang Diversion; tutoring in all subject areas; open library 5 days per week; summer field trips; CAHSEE prep sessions; staff recognition events; parent education.

East Side Union High School District (ESUHSD) Administration is requesting the Board of Trustees ratify the “Santa Clara County SELPAs/District Master Contract General Agreement for Nonsectarian, Nonpublic School/Agency Services” with Pacific Autism Center for the provision of non-public school (NPS) services for special education students. Educational services shall be consistent with the specified services per the students Individual Education Program (IEP); and to delegate authority to the Superintendent or designee to execute amendments to said contract on an as needed basis, including funding.

Due to the specialized educational services required to appropriately serve the severely involved Autism Spectrum students residing in the ESUHSD, PACE is a NPS offering such services that meet the widely, varying needs of this unique group of students.

Selection Process
There was no competitive solicitation done for this type of services.

There is a determination made by the IEP team that ESUHSD is not currently able to meet particular students' educational needs. Recommendations are then presented at the students' IEP meeting. Referrals to PACE were made at the students' IEP meeting by the District’s Program Specialist after consultation with the District's Special Services Coordinator.

PACE is an NPS that offers specialized educational services for this unique group of ESUHSD students. PACE is one of two local non-public schools that offer these unique services and ESUHSD contract with both vendors.

RECOMMENDATION
It is recommended that the Board of Trustees ratify the “Santa Clara County SELPAs/District Master Contract General Agreement for Nonsectarian, Nonpublic School/Agency Services” with Pacific Autism Center for the provision of non-public school (NPS) services for special education students.
