23. **BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS**

23.01 **Board of Trustees**

**Lan Nguyen, Member**
I attended a conference/event at the high school last Saturday and saw a presentation by Superintendent Funk and Assistant Superintendent Cruz regarding the LCAP. It was impressive in a way that it was easy to understand. Parents were very active and showed a lot of interest in the presentation. There were a lot of good questions. Your presence there and your presentation shows that you really wanted to get the parents input about the progress and what you do at the District level. They are very appreciative of that and, as a Board Member who attended the presentation, I also felt proud of the work we are doing here. Thank you for that!

**Van Le, Board Clerk**
I also attended the Vietnamese American Student Awards event. It was a very good event. Thank you staff and administration. I have connected with the Vietnamese media and they have put out a good feature about East Side.

I also want to say for the McKinney-Vento project that I and another former Board Member had teamed up to organize. We have tickets to the SaberCats game at the HP Arena from the Sports Authority, Shelly Wong. We received the tickets for the McKinney-Vento students to enjoy the game at the arena. Last year, we went to see the Sharks’ game. This year, it will be to see the SaberCats game.

I also want to say that I am working and helping to organize the Asian American Heritage Festival. This year, it will be at YB on May 10. I would like to invite the Board and Superintendent to attend. We want to bring the flavor of the food, culture, student performances, and to bring the community together. I want to invite everyone to the May 10 event at YB.

**J. Manuel Herrera, Board Vice President**  (no comment made)

**Frank Biehl, Board President**  (no comment made)

**Magdalena Carrasco, Board Clerk**
We had our Audit Committee Meeting last week. There will be an item coming to the Board at the April meeting regarding some policy change that Total School Solutions has recommended. We had a very busy meeting. Trustee Biehl is asking to look at the alcohol policy because there was something discussed at our committee meeting.

Kelly has been very busy and doing a fabulous job at the school sites working with staff by training and making sure that everyone is following the rules and handling cash that way that it should be. I appreciate that; thank you, Kelly, so much!

Our next Audit Committee will be on August 27 from 6 PM to 8 PM. You are all invited to attend.

23.02  **Chris D. Funk, Superintendent**  (no comment made)

| No. | University of Washington | Juan Cruz Donna Bertrand | October 1, 2012 – June 30, 2018 (changed from June 30, 2017) | $25,000.00 (REVENUE) | Oak Grove, Martha Brazil, Mt. Pleasant and Yerba Buena High Schools are no longer participating in the study. | This amendment is issued (1) to allow Oak Grove High School to expand to have two sections of AP Chemistry participate in the study and (2) to extend the study to the 2015-16 school year and data collection through June 30, 2018. The Original Agreement approved by the Board at the February 14, 2013, Board meeting.

History about the study: In 2012, National Science Foundation (NSF) provided a grant to the University of Washington (UW), and its subcontractors, SRI International (SRI) and George Washington University (GWU) to conduct a study, named the “Evaluation of the Sustainability and Effectiveness of Inquiry-Based Advanced Placement Science Courses: Evidence from an In-Depth Formative Evaluation & Randomized Controlled Study” (Study). The Study will assess whether taking an inquiry-based AP Biology or Chemistry course will cause students to be more interested and competent in scientific inquiry, more likely to enroll in and complete college, and more likely to pursue and persist in science, technology, engineering, and mathematics (STEM) majors.

ESUHSD has agreed to assist with the Study. The high schools listed will offer a new AP Chemistry course in both 2013-14 and 2014-15 school years. The Agreement describes the Study design and the nature of the effort, specifies the roles and responsibilities of the UW and the ESUHSD to carry out the tasks of the Study successfully, and to specify the consideration that the parties agree to contribute in meeting those responsibilities. |
