23. BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS

23.01 Board of Trustees

Lan Nguyen, Member  (no comment made)

Van Le, Board Clerk
I would like to invite everyone to join me at the Asian American Heritage Festival at Yerba Buena High School on May 10. I also want to take this opportunity to thank Mr. Tom Huynh for helping to organize the event. I hope you can join us as we celebrate Asian American Heritage.

J. Manuel Herrera, Board Vice President  (no comment made)

Frank Biehl, Board President  (no comment made)

Magdalena Carrasco, Board Clerk  (no comment made)

23.02 Chris D. Funk, Superintendent

The only comment I would like to make tonight is just a clarification from previous presentations at BAC, at our parent organization meetings, and at our last Board Meeting. We intended to have a public hearing this evening on the LCAP and what we found out through the legislation is that you must hold the public hearing on the LCAP the same night you hold the public hearing on the District’s budget. As everyone knows, we have that public hearing the first Board Meeting in June on the May Revise. That is why we did not have the LCAP tonight; however, we will have another discussion with the Board at the Study Session on May 6 and then we will hold a public hearing on the May 15 Board Meeting and then a second public hearing on June 5 at their regularly scheduled meeting. That will give the community plenty of opportunity to comment on the Plan, as well as receiving feedback from School Site Councils based on their discussions. I wanted to make that clarification just in case anyone is disappointed that we did not have the LCAP public hearing tonight.

East Side Union High School District (ESUHSD) Administration is requesting that the Board of Trustees ratify a License and Service Agreement with FCSS/Cyber High, for the provision of unlimited access to Cyber High courses and other services for the term of March 19, 2014, through June 30, 2015, for a contract amount of $147,000.00.

The program comes complete with curriculum and their entire core courses are UC/A-G approved.

Selection Process
No solicitation process took place for this service. Administration is requesting that the Board of Trustees approves this vendor as a single source vendor for the services they are going to provide ESUHSD. Cyber High is currently the only vendor to offer an unlimited pricing plan, which is very responsible in price compared to other programs. ESUHSD currently uses this vendor on a per student/course fee basis already. The vendor is willing to roll all of our licenses into a 1.5 year unlimited plan, which reduces ESUHSD’s overall costs. This is also the same program Migrant Education students participate in under the State of California; therefore, by using this vendor it will provide consistency throughout the District.

RECOMMENDATION
It is recommended that the Board of Trustees (1) ratify a License and Service Agreement with FCSS/Cyber High, for the provision of unlimited access to Cyber High courses and other services for the term of March 19, 2014, through June 30, 2015, for a contract amount of $147,000.00; and (2) to authorize the Superintendent and/or designee to execute amendments to the Agreement that may be needed during the term, provided such amendments do not: (i) extend the term of the contract; (ii) increase the price of goods or services provided under the contract by the greater of: (a) $25,000.00, or (b) ten percent (10%) of the contract amount (based on the original contract amount plus all approved amendments in the aggregate); or (iii) alter the quality or quantity of services or goods provided under the Board approved contract.

East Side Union High School District (ESUHSD) Administration is requesting authorization from the Board of Trustees to enter in an Agreement with the Regents of University of California for the contract term of July 1, 2014, through June 30, 2016, in a contract amount of $150,000.00.

The vision of the Center for Educational Partnership (CEP) is to make college a viable option for all students. CEP looks to achieve this by working collaboratively with target schools and partner programs focused on research-based best practices that enable low-income and first generation to college students to access post-secondary education.

The goal of UC Berkeley through CEP’s Destination College Advising Corps (DCAC) is to increase the college-going rate of students at ESUHSD and provide comprehensive college awareness, mentorship, resources, preparation, advising and information through the efforts of a dedicated Adviser Fellow. This Adviser Fellow will participate in the local and national research and data collection as specified by State and Federal agreements, including the provision of intensive program activities by using evidence-based best practices of highly successful college access programs and strategies that build college going culture through one-to-one, small group, classroom, and whole school efforts. DCAC is partially funded through ESUHSD with additional funding from the College Advising Corps and the Center for Educational Partnerships.

Selection Process
No solicitation process took place for this service.

RECOMMENDATION
It is recommended that the Board of Trustees to (1) approve an Agreement with the Regents of University of California with a contract term of July 1, 2014, through June 30, 2016, for a contract amount of $150,000.00; and (2) authorize the Superintendent and/or designee to execute amendments to the Agreement that may be needed during the term, provided such amendments do not: (i) extend the term of the contract; (ii) increase the price of goods or services provided under the contract by the greater of: (a) $25,000.00, or (b) ten percent (10%) of the contract amount (based on the original contract amount plus all approved amendments in the aggregate); or (iii) alter the quality or quantity of services or goods provided under the Board approved contract.
