23. BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS

23.01 Board of Trustees

Lan Nguyen, Board Member
I will be participating in the next meeting by telephone.

Van Le, Board Vice President
I would like to thank the Principals for putting on the graduations. It is an honor to attend the graduation and honors night events. That is one of the highlights as a Board Member.

Also, I attended this morning the Educare groundbreaking ceremony. It was a wonderful groundbreaking event. It is a great partnership!

Magdalena Carrasco, Board Clerk
The graduations that I attended were impressive. To see the staff, faculty and administration at each site in their students was a real feeling of family and a swelling of pride.

Frank Biehl, Board Member
The graduations I attended were wonderful, well performed, great ceremonies, a lot of fun and provides a real sense of the meaning as to why we are here. I would also like to extend my thanks to the administration for all the work they have done on the LCFF, as well as the budget in pulling it all together. I think, in many ways, our District is ahead of many other districts that are being challenged the first time to do this. It is integrated well with our Strategic Plan and I also appreciate the fact that administration has been open to community input, even though we could put a little bit of our the icing on cake tonight with one last thing. I do think they need to be given a lot of credit for the work they have done; for the outreach they have completed in the community. I think we have a good plan. I know we are going to move forward with it and I know we are going to make revisions to it as we learn its effectiveness and we refine it, but I do think we have something to be proud of and I look forward to our final discussion of that at the 19th meeting.

J. Manuel Herrera, Board President
(no comment made)

23.02 Chris D. Funk, Superintendent (no comment made)
I know that we will have a formal presentation in December when Ms. Carrasco has her last meeting, but I wanted to congratulate her on her victory. I really appreciate the insightful comments and the context that she provides at our 1:1 meetings, in closed sessions, study sessions, and open sessions.

Our loss is truly the gain and benefit of the City of San Jose. I wish you the best of luck!
