23. BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS

23.01 Board of Trustees

Lan Nguyen, Board Member
I am glad to be back and meeting with the Board. Most of you know that I had an emergency appendectomy the day after the Board meeting last month. I am happy to be back.

Van Le, Board Vice President
My company has put out some grants for all high schools to celebrate My Drive, from $25,000 to $100,000. I hope that one of our high schools will receive the grant.

Last week, I attended the American Leadership Forum. They talked about how we measure assessment without API and how do we engage parents.

I also attended last week the Latino/Latina Role Model Conference. The program was very interesting. I would like to see if they could do same type of program for Vietnamese students.

In the next couple of weeks, I will be visiting schools. I would like thank the Principals for working with my schedule.

Frank Biehl, Board Member
I really had an enjoyable time at College Day at Overfelt High School on October 10. I enjoyed seeing all the college-related activities happening on the campus that day.

On the 11th, I attended the Latino/Latina Role Model Conference where Manuel Herrera was a featured speaker.

They were both very good experiences.

J. Manuel Herrera, Board President
The Latino/Latina Role Model Conference went on this past weekend, Saturday, for the 24th consecutive year. It is put on by the Herrera Family, led by my brother, Esau Herrera, my sister, Rebecca Rivera, and others from the family and close friends. We typically have 400-500 students at 8 AM on a Saturday morning through the morning and the afternoon and a very vibrant and alive crowd of students. I had the privilege of delivering the keynote for a good six minutes. I really enjoyed it. My brother, Esau, said afterwards that, in the written evaluations, that there were a few very positive comments about my remarks.

Magdalena Carrasco, Board Clerk (no comments made)

East Side Union High School District (ESUHSD) Administration is requesting that the Board of Trustees ratify the Agreement with Borderlan Security for the purpose of providing the iBoss Web Filter License for 12 months.

The iBoss device provides the appropriate filtering to both protect ESUHSD students and staff, and comply with federal guidelines and standards as they relate to Children's Internet Protection Act (CIPA) and requirements for E-Rate funding. The iBoss provides several other elements that are critical to current and future success in providing access and bandwidth to our users. It allows us, for the first time, the ability to meter and expand bandwidth for specific applications and websites. It allows us to prioritize traffic and, by doing so, it will maximize our current bandwidth. In the future, when we have additional bandwidth, it will provide us the ability to customize the quality of service different groups receive.
