24. Board of Trustees/Superintendent Communications/Comments

24.01 Board of Trustees

Board Member J. Manuel Herrera
I would like us to adjourn in memory and honor of one of our first Hall of Famers of our District, Dr. Richard Ruiz. He was a consultant to foreign governments because of his fellowship and research in language planning and policy development. He was on the transition team for the Clinton Board administration when Clinton was first elected to the presidency. He is recognized nationally in a number of places because of his research and contributions. He is a graduation of the East Side Union High School District. A very untimely death.

Board Vice President Lan Nguyen
Just want to share that next Thursday is the Lunar New Year. For the Chinese community, it is the Year of the Ram. For the Vietnamese, it is the Year of the Goat.

Board Member Pattie Cortese
I am really honored to be part of this team. This was a great first meeting. Thank you.

Board Clerk Frank Biehl
I would like to welcome Pattie Cortese to our Board. She is already asking really great questions. She is going to make a really fine Board Member.

I would also like to thank Van Le for he fine work in putting together this evening’s program. It was a very good representation of the fine community that work in the East Side Union High School District and a great recognition. There are a lot of people that work very, very hard. Thank you for that good work in pulling that all forward.

Board President Van Le
I would like to thank everyone, especially staff, ESTA and CSEA, who work really hard. This has all been a learning curve for me. I want to thank you all for your support in me.

24.02 Chris D. Funk, Superintendent

Two comments, the first will be based on the speakers we had from Andrew Hill. Anytime when you have a leadership shift change, it creates an opportunity for dialogue. There will be an interview committee comprised of teachers, classified, parents and students. I will have Mr. Cruz work with the parent to schedule a meeting to meet with parents of Andrew Hill who have concerns about the transition and anything that is happening at Andrew Hill. The meeting scheduled with take place after winter break. Once that date is established, I will let the Board know.

Today was really a great morning. I went to Mt. Pleasant and observed a class that was given a case to research. It is like a CSI case. They are given a case about every six weeks. They participate in a trial. There are 3-4 students in each team. The teachers are the judges and they just grill them. The students explain their research. That was just fantastic!
At Independence High School's Teaching Academy, they had 22 different stations with a group of 3-4 individuals doing research that was tied to their particular topic. The type of research they did was phenomenal! I look forward to going back to their class to find out the results of their study.

25. **REPORT CLOSED SESSION ACTION(S)**

East Side Union High School District (ESUHSD) Administration is requesting that the Board of Trustees approve Amendment #1 to the Agreement (#500173) with BMR Health Services, Inc. for the continued provision of speech therapy services to ESUHSD special education students for the 2014-15 school year.

Amendment #1 is being requested to add funds to the contract to cover the costs for more hours needing to be used under this Agreement due ESUHSD’s unsuccessful staffing search for a full-time Speech and Language Pathologist. This position was first posted on Ed-Join, and no qualified applicants applied to ESUHSD. Ms. Hopstone attended three (3) recruiting events last year and was unable to find any employees. These events were at California State University, East Bay; San Francisco State University; and Santa Clara County Office of Education. With this reduced staffing, ESUHSD must use outside contractors to support services to ESUHSD students who need to be served.

Original Contract Amount $100,000 (5/15/14) + Amendment #1 for $120,000 = a new contract total of $220,000.

Selection Process
ESUHSD has been in contact with seven (7) agencies in an attempt to find qualified Speech and Language Pathologists (SLPs) who are available to work in our high schools: 360 Therapy, Progressus, ProCare, Nova, Presence Telecare, and Speech Pathology Group.

BMR was selected because of their competitive rates and quality personnel.

RECOMMENDATION
It is recommended that the Board of Trustees approve Amendment #1 to Agreement (#500173) with BMR Health Services, Inc. for the continued provision of speech therapy services in an increased amount of $120,000 for the term of July 1, 2014, through June 30, 2015, and authorize Administration to execute change orders in accordance with Board Policy 3312.1.

East Side Union High School District (ESUHSD) is requesting authorization from the Board of Trustees to purchase out right ten (10) relocatable classrooms at Andrew Hill High School that have previously been contracted on a month-to-month rental agreement.

When the District initially entered into a lease agreement with Williams Scotsman in 2013, the buildings were intended to be used as temporary housing while Building 100 was demolished and reconstructed. In the course of campus facilities planning that occurred in late 2013 and into 2014, it became evident that it was in the District's best interest to retain those newer 10 buildings where they are cited to the east of Building C, and instead remove older portable classrooms B1 through B8 and C3 through C7 - which are in disrepair and/or were poorly cited and are creating storm drainage impediments.

**Selection Process**

**RECOMMENDATION**
It is recommended that the Board of Trustees authorize staff to enter into a purchase agreement for ten (10) relocatable classrooms at Andrew Hill High School with Williams Scotsman for an amount not to exceed $201,977.58.

East Side Union High School District (ESUHSD) is requesting authorization from the Board of Trustees to purchase Creative Cloud ENT MLP Ed Subscriptions. Enterprise Term License Agreement Number: 00583818 is ESUHSD's agreement ID as a California Educational Technology Professionals Association Consortium Member and is eligible to purchase through SHI. This is a direct agreement with Adobe, and SHI is the partner facilitating the purchase order.

Under an Adobe Enterprise Term License Agreement, Adobe appoints a third party to serve as a fulfillment agent. The fulfillment agent is contractually obligated to quote and sell to the end user at the price agreed between the end user customer and Adobe. The fulfillment agent may not alter the pricing in any way. When Adobe uses a fulfillment partner to process payment and/or delivery on Adobe’s behalf, the customer does not have the opportunity to negotiate pricing with the fulfillment agent.

To summarize, Adobe, as the supplier, specifies the end user pricing in its agreement with the fulfillment agent. Adobe’s contract with the fulfillment agent permits no deviation or discounting from that pricing by the fulfillment agent.

**RECOMMENDATION**

It is recommended that the Board of Trustees authorize staff to enter into an Enterprise Term License Agreement for a three (3) annual year installment with SHI third party to **Adobe Systems Incorporated** for an amount not to exceed $54,508.72.
