24. BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS

24.01 Board of Trustees

Board President Frank Biehl
I want to wish everyone a very nice holiday season. I think we are all looking forward to a couple of weeks.

Board Vice President J. Manuel Herrera (no comment)

Board Clerk Pattie Cortese
I was notified by Evergreen Board Member Sylvia Alvarez that the County is putting on a special subcommittee for youth and child welfare. Board Members are invited to attend a meeting on December 15 from 1 PM to 4 PM. Superintendents are invited as well. I will send an email about this, but it has to do with developing protocols for children if their parents are picked up by ICE.

Board Member Lan Nguyen
Happy holidays! It is going to be Christmas in a few weeks.

I’d like to thank Mary for putting together the Oath of Office Ceremony. It was new for my sons to swear me in. It would not have been smooth without your support Mary. Thank you!

Board Member Van Le
MetroED: We are having a holiday open house tomorrow at MetroED in building 400,
11 AM – 1PM. On December 16, we are having students and staff decorate tree #375 at Christmas in the Park.

I am on the Work2Future Board. I commend the staff and East Side for working together with Work2Future in implementing internship programs for 41 of our students in East Side.

Happy holidays!

24.02 Chris D. Funk, Superintendent

East Side Union High School District (ESUHSD) administration is requesting that the Board of Trustees approve an agreement with Turnitin, LLC. Turnitin, LLC, subscription service provides a plagiarism-prevention tool that allows academic institutions to easily determine if students are writing and submitting original work. Utilizing this unique technology, Turnitin, LLC, searches the Internet, as well as our proprietary databases of papers and digital texts for sources of potential plagiarism.

For the past several years, three school sites have been utilizing Turnitin.com to work with students to reduce plagiarism and to help with editing papers and utilizing appropriate citation forms as well as detecting plagiarism. The costs for the three sites amounted to nearly $47,000.00 per year. There has been a groundswell of requests for other school sites to have the opportunity to use the software. We entered into a negotiation with Turnitin.com for all of our sites and students and were successful in reducing their original proposal of $307,000.00 for a year to $171,134.51 for three years. This will provide a valuable resource for all of our students and teachers to sharpen their skills and to be certain that they have not plagiarized and for teachers to make sure that students are not plagiarizing.

Turnitin®, including its associated components, is a single-source product developed and sold by Turnitin, LLC, based in Oakland, CA. The product is a unique service that is not offered by any other vendor or reseller in a similar format. The product may be procured only from Turnitin, LLC. Turnitin is an item for which competition is precluded due to patent (SYSTEMS AND METHODS FOR FACILITATING ORIGINALITY ANALYSIS - USPTO 8,296,661).

No Selection Process was performed; agreement and sole source letter is included.

RECOMMENDATION
It is recommended that the Board of Trustees approve an agreement with Turnitin, LLC, as the sole source vendor for a contract term of Thirty-three (33) months commencing on the Activation Date, estimated January 1, 2017, and expiration date of September 30, 2019, for the total not to exceed $171,134.51 for the purpose of providing subscription license service for a plagiarism-prevention tool that will support all school sites and authorize administration to execute change orders in accordance with Board Policy 3312.1.
