1.02 Announcement and Public Comment regarding Items to be discussed in Closed Session (Government Code 54957.7).

Persons wishing to address the Board on Closed Session items or any subject not on the agenda must fill out a speaker request form, which is located at the entrance of the Board Room.

Rogelio Ruiz, Legal Counsel:
At the February 13 Board meeting, the Board passed and adopted Resolution #2017/2018-16 the resolution ordering an election for the purpose of submitting to the qualified electors of the District the question of levying an education parcel tax upon each parcel in the District for educational purposes and establishing the specifications of the election order. The staff delivered this Resolution, including the approved ballot language to the Registrar of Voters today and the Registrar of Voters has rejected the ballot language because, in the Registrar’s opinion, the ballot measure, the short statement, exceeds the 75word limit by two words. The Resolution authorized and delegated to the Superintendent the authority to make any changes to the text of the ballot measure as required upon the advice of the District’s Legal Counsel to conform to any requirements of the Registrar of Voters.
However, in light of the fact that the deadline for filing is tomorrow, my recommendation would be that the Board adopt an amended resolution with the revised ballot language that way there is no question or issue for dispute tomorrow when this is filed with the Registrar of Voters.

Under the Brown Act Government Code Section 54954.2 and not withstanding the 72-hour notice for agendizing and posting agendas, the Board can take action on an item of business not appearing on the posted agenda if upon a determination by a two-thirds vote of this Board that there is a need to take immediate action and that the need for the action came to the attention of the District subsequent to the agenda being posted.

My recommendation is that the Board place on the agenda for today Amendment to Resolution 2017-2018-16 in the open session because there is the need to take immediate action since the filing deadline is tomorrow and that need did not come to the attention of the District until just today, which was after the agenda was posted.

Motion to place on the March 8, 2018, Board meeting agenda, under open session, an Amendment to Resolution 2017-2018-16. There is the need to take immediate action since the filing deadline is tomorrow and that need did not come to the attention of the District until just today, which was after the agenda was posted.

Motion by Pattie Cortese, second by Frank Biehl
Yea: J Manuel Herrera, Pattie Cortese, Lan Nguyen, Frank Biehl, Van Le

(Gov. Code 54954.2)

Item 8.04 moved/carried to the March 22, 2018, meeting.

Legal Counsel
Pursuant to the Brown Act Government Code 54954.2, the Board, at the opening of this meeting at 4 PM upon a unanimous vote determined that there is a need to take immediate action and the need for action came to the attention of the District subsequent to the agenda being posted for this Board meeting. The action for the new agenda item is specified in 11.01, which is Discussion and/or Action to Adopt Resolution #2017/2018-28 to amend the parcel tax resolution that was adopted by the Board on February 13, 2018. The reason articulated to the Board and why immediate action is necessary is the last day for filing the parcel tax resolution is tomorrow. Staff attempted to file the resolution today, but the resolution was
rejected by the Registrar of Voters because the word count in the ballot measure exceeded the 75-word limit. 11.01 is an action and recommendation for the Board to take action to address that word count issue.
