REGULAR MEETING

Meeting Held at

1.01 Roll Call

1.02 Announcement and Public Comment regarding Items to be discussed in Closed Session (Government Code 54957.7). Persons wishing to address the Board on Closed Session items or any subject not on the agenda must fill out a speaker request form, which is located at the entrance of the Board Room.

Rogelio Ruiz, Legal Counsel:
At the February 13 Board meeting, the Board passed and adopted Resolution #2017/2018-16 the resolution ordering an election for the purpose of submitting to the qualified electors of the District the question of levying an education parcel tax upon each parcel in the District for educational purposes and establishing the specifications of the election order. The staff delivered this Resolution, including the approved ballot language to the Registrar of Voters today and the Registrar of Voters has rejected the ballot language because, in the Registrar’s opinion, the ballot measure, the short statement, exceeds the 75word limit by two words. The Resolution authorized and delegated to the Superintendent the authority to make any changes to the text of the ballot measure as required upon the advice of the District’s Legal Counsel to conform to any requirements of the Registrar of Voters. However, in light of the fact that the deadline for filing is tomorrow, my recommendation would be that the Board adopt an amended resolution with the
revised ballot language that way there is no question or issue for dispute tomorrow when this is filed with the Registrar of Voters.

Under the Brown Act Government Code Section 54954.2 and not withstanding the 72-hour notice for agendizing and posting agendas, the Board can take action on an item of business not appearing on the posted agenda if upon a determination by a two-thirds vote of this Board that there is a need to take immediate action and that the need for the action came to the attention of the District subsequent to the agenda being posted.

My recommendation is that the Board place on the agenda for today Amendment to Resolution 2017-2018-16 in the open session because there is the need to take immediate action since the filing deadline is tomorrow and that need did not come to the attention of the District until just today, which was after the agenda was posted.

Motion to place on the March 8, 2018, Board meeting agenda, under open session, an Amendment to Resolution 2017-2018-16. There is the need to take immediate action since the filing deadline is tomorrow and that need did not come to the attention of the District until just today, which was after the agenda was posted.

Motion by Pattie Cortese, second by Frank Biehl
Yea: J Manuel Herrera, Pattie Cortese, Lan Nguyen, Frank Biehl, Van Le
Vote: 5/0; Final Resolution: Motion Carries

East Side Union High School District (ESUHSD) administration is requesting that the Board of Trustees approve a Purchase Order agreement for furniture and installation services for the Yerba Buena High School New Student Union and Quad Modernization Project (Project No.: Z-060-601).

On August 17, 2017, the Board of Trustees approved administration's recommendation to establish a pool of Furniture, Fixtures & Equipment (FF&E) vendor/suppliers that have met the qualification requirements of RFO-45-16-17, and further recommended that the Board of Trustees approve the use of these piggyback bids/contracts (in accordance with Public Contract Code 20118, 20118.2 & Section 1101) from various national cooperative contracts, government and/or other piggyback contracts from public corporation or agencies. (Item No. 20.02)

On March 23, 2017, the Board of Trustees approved administration to use the piggyback bid (in accordance with Public Contract Code 20118, 20118.2 & Section 1101) from The Cooperative Purchasing Network (TCPN) finding that it is in the District’s best interest to enter into purchase order contracts with MeTEOR Education, LLC., for an amount not to exceed $1,100,000.00. (Item 20.02).

On January 18, 2018, (Item 15.01) and February 13, 2018 (Item 15.03), the Board of Trustees ratified Purchase Order 801946 in the amount of $90,362.83 (Item 15.01) and approved Purchase Order 802351 in the amount of $293,914.14 (Item 15.03), totaling $384,276.97 for MeTEOR Education, LLC. Unfortunately, due to reasons outside of MeTEOR Education’s control, they were not able to meet the schedule and provide the remainder of the furniture items that were originally approved to not exceed $1,100,000.00.

A collaborative decision from Facilities staff as well as school site staff was to use Global products, which Workspace Interiors – Office Depot are able to provide. Workspace Interiors – Office Depot will
pick up the remainder of the Global products that MeTEOR was not able to quote for in order to meet project schedule. With the existing purchase orders for MeTEOR totaling $384,276.97, this request to approve the purchase of the furniture and installation services with Workspace Interiors – Office Depot in the amount of $458,850.33 needed, the total amount for the balance of the furniture requirements will be $843,127.30, which is under the original approved amount of $1,100,000.00

This request is being brought to the Board of Trustees to approve the purchase of the furniture and installation services in the amount of $458,850.33 (includes tax and labor) per Quote Reference # 397877, 398489, and 400957. There will be three separate purchase order contracts for each Quote reference. (Attachment E)

**RECOMMENDATION**

It is recommended that the Board of Trustees approve the purchase order agreements for furniture and installation services with Workspace Interiors – Office Depot for the Yerba Buena High School New Student Union and Quad Modernization Project (Project No.: Z-060-601) in the amount of $458,850.33 and authorize administration to execute change orders in accordance with Board Policy 3312.1.
