13.03 Discussion/Receive First Reading of Proposed New, Amended and Deleted 3000 - Business and Noninstructional Operations Board Policy Series - Marcus Battle, Associate Superintendent of Business Services

First reading received

Member Biehl stated that the first reading is not clear on having the Board approve the budget development process. The Board already approves the calendar, but it is the process that needs to be approved by the Board; administration recommends and the Board approves. For example, what groups are you meeting with to include in the budget development process. Once the process is approved, it is the Board who takes responsibility for it. He requested that language be included in Board Policy that states the Board approved the budget development process.

23. **BOARD OF TRUSTEES/SUPERINTENDENT COMMUNICATIONS/COMMENTS**

23.01 Board of Trustees

*Lan Nguyen, Board Member*

No report/comments

*Van Le, Board Vice President*

I would like to thank the staff for working so hard on the reports that the Board requests.

I plan to visits the schools.

I asked a student at Independence High School what would they like to change at your school and she said the bathroom lockers did not work. She told me this a couple of weeks ago and I just want to share her statement with administration.

*Magdalena Carrasco, Board Clerk (absent)*

*Frank Biehl, Board Member*

I had the opportunity to go to College Night at Independence High School. I arrived exactly on time at 6 PM and I could not find a legal spot in the parking lot. It was packed! I was very impressed! I had the opportunity to look around for about an hour to meet with parents, students, etc. who were there. It was well organized. I was really excited about what was happening there. I was very impressed with the very little marketing that the District did and the significant effect that had on the number of people that were participating. I am very excited about what is happening. Our children want to go to college and their parents want them to go there too. They had the opportunity to figure out all the nuances on how to do that. It was impressive.

East Side Union High School District (ESUHSD) Administration is requesting the Board of Trustees approve the Agreement with America's Business Leaders for the purpose of providing IMPACTI Youth Empowerment Program to ESUHSD.

The IMPACTI Youth Empowerment Program is a two tier student leadership development program. Tier 1 is an eight module, research base leadership development program designed to create a team of young leaders in the field of service learning. Tier 2 is a student lead leadership program allowing peer-to-peer development. The purpose of the program is to inspire, teach, and empower each participant to become a contributing member of society by channeling their energies into positive efforts that benefit their families, schools, and communities; by developing a consciousness for social change.

ESUHSD has received funding from Santa Clara County Office of Education to fund this program.

East Side Union High School District (ESUHSD) is requesting authorization from the Board of Trustees to approve an increased to the board approved Contract Services Agreement with Landscape Pest Control Services, Inc.

At the May 15, 2014, Board of Trustee’s meeting the Board approved Administration’s request to enter into contract with Landscape Pest Control Services to provide pest control services to all sites at ESUHSD. The primary purpose was to eradicate ground squirrels at many of our schools sites. Administration had contract with several companies in the past with no luck. It was the intention of Administration to try this company out to see if they could do a better job.

Landscape Pest Control Services has now been performing for ESUHSD for several months with great satisfaction. Due to the improvements at the three sites that they were used at, Administration would like to expand their services to all sites experiencing ground squirrel problems and other pest control issues.

**Selection Process**
No selection process took place for this service. Several contractors were used in an effort to control ESUHSD’s ground squirrel problems with no success.

**RECOMMENDATION**
It is recommended that the Board of Trustees approve the increase to the Agreement with Landscape Pest Control Services, Inc. in the amount of $20,000; all other terms and conditions remain unchanged.

East Side Union High School District (ESUHSD) is requesting authorization from the Board of Trustees to purchase outright the fourteen (14) relocatable classrooms at Mt. Pleasant High School that have previously been contracted on a month-to-month rental agreement.

The cost to rent the units is approximately $65,868 annually. In the past, the District elected not to purchase the buildings because the buildings were intended as interim housing, and it was not prudent to include the classrooms in permanent facilities inventory in order to maximize eligibility for State Facilities Program funding for new construction. With the passage of the Measure I Bond and an associated potential need for continued interim housing, projected other future needs for classrooms, and indications that lawmakers are planning to make changes to the State Facilities Program that include re-base lining facilities inventory, it is now in the District’s best interest to purchase the buildings.

**RECOMMENDATION**

It is recommended that the Board of Trustees authorize for staff to enter into a purchase agreement for fourteen (14) relocatable classrooms at Mt. Pleasant High School with Williams Scotsman for an amount not to exceed $236,511.26.
