Labor Compliance Program: Under the new contractor registration program, contractors must meet certain minimum requirements, register with DIR using the new online application system and pay an annual fee of \$300.00. Under the new contractor registration program, DIR (through the Labor Commissioner’s Office) will monitor and enforce prevailing wage laws. Therefore, all CMU or LCP requirements based on the funding source have been eliminated and replaced by requirements that apply to all public works projects as set forth in the Labor Code. No bid can be accepted nor any contract or subcontract entered into without proof that the contractor and all subcontractors are registered.

Pre-Qualification: Pre-qualification is a requirement for ALL contractors that will enter into a contract/agreement directly with East Side Union High School District. Pre-qualified contractors are not required to use pre-qualified sub-contractors. The District encourages the use of pre-qualified sub-contractors. Contractors may apply for pre-qualified status by obtaining a copy of the pre-qualification package from East Side Union High School District’s website.

For more information, please contact **Tu Nguyen, Capital Projects Purchasing Manager for East Side Union High School District** at **CapPurchasing@esuhsd.org** or **408-347-5040**.

The Board of Trustees reserves the right to waive any irregularities, accept or reject any or all bids, for any reason, and are the sole judge of merit and suitability of the workmanship and materials.
