Labor Compliance Program: Under the new contractor registration program, contractors must meet certain minimum requirements, register with DIR using the new online application system and pay an annual fee of \$300.00. Under the new contractor registration program, DIR (through the Labor Commissioner's Office) will monitor and enforce prevailing wage laws. Therefore, all CMU or LCP requirements based on the funding source have been eliminated and replaced by requirements that apply to all public works projects as set forth in the Labor Code. No bid can be accepted nor any contract or subcontract entered into without proof that the contractor and all subcontractors are registered.
