## NOTICE TO DESIGN-BUILD ENTITIES

NOTICE IS HEREBY GIVEN that the East Side Union High School District of San Jose, California, acting through its Governing Board, hereinafter the District, requests Design-Build Entities to submit Statements of Qualification to prequalify for an upcoming design-build project. The project will be the design and construction of a new component construction building for the Adult Transition Program (ATP) North at the East Side Union High School Education Center (District Office).

TWO Prequalification Conferences will be held in Facilities Office at the Education Center (District Office) at 830 North Capitol Ave., San Jose, California 95133 from **3:30 p.m. to 4:30 p.m., on Thursday, February 15 and Tuesday, February 20, 2018.**

Attendance of at least one of the Prequalification Conferences is **mandatory** for Design-Build Entities that desire to be considered in the prequalification process. Only one representative from the Design-Build Entity that plans to apply for prequalification as a Design-Build Entity is required to attend the Prequalification Conference.

A copy of the Request for Qualifications and supporting documentation for this project will be available on Monday, February 12, 2018 on the District's website:

<http://www.esuhdsd.org/Community/Purchasing/Bond-Purchasing/Current-RFQ-RFP-BIDS/index.html>

Following the prequalification process, the District intends to solicit proposals from (3) three prequalified Design-Build Entities for the project, with two additional firms to serve as alternates should any of the original three opt out during the RFP process. Upon the submission of the qualifications and at the option of the District, there may be interviews to determine the three shortlisted DBE Teams. The District will enter into a single contract with the Design-Build Entity that can clearly demonstrate the **best value** to the District.

The East Side Union High School District is an equal opportunity employer.

Applicants are informed that they will be subject to, and must comply with, all of the requirements of the East Side Union High School District's Project Labor Agreement (PLA) – A copy of agreement may be obtained from the District's website:

<http://www.esuhdsd.org/Community/Purchasing/Bond-Purchasing/Project-Labor-Agreement/index.html>

RFQ Due Date: Monday, February 26, 2018

## **Introduction**

The Education Center (EC) campus is the official name of the East Side Union High School District, District Office. The Adult Transition Program North building will be the first major addition since the EC was constructed in 1978, 40 years. The design solution will embrace a component constructed building, approximately 10,000 square feet, and will establish itself as a cohesive partner to the existing relationships by becoming an extension of the Education Center and at the same time standing on its own two feet and is responsive to the environment by incorporating sustainable design, construction and operations in a visible manner.

The subcomponents of this project include:

- **Adult Transition North New Building**  
New building for ATP North. New building will utilize component construction and be approximately 10,000 square feet.
- **Parking Lot**  
Added parking to the EC to accommodate and support the new building.
- **Remove Post Senior Buildings at IAC**  
Remove Post Senior facilities at Independence Adult Center (IAC)

The District is currently preparing a Request for Proposal (RFP), which will be provided to three shortlisted and two alternate prequalified Design-Build Entities (DBE). The District will provide the prequalified DBEs with a design and construction stipulated sum, and award a design-build contract to the DBE whose proposal offers the best value. A stipend will be awarded to the DBEs whose responsive, responsible proposals are not selected.

## **Instructions for Completing the Prequalification Application**

All Prequalification Applications shall be made on the attached application furnished by the District. In addition, the application may be obtained at the District's bond purchasing website:  
([www.esuhd.org/Community/Purchasing/Bond-Purchasing/Current-RFQ-RFP-BIDS/index.html](http://www.esuhd.org/Community/Purchasing/Bond-Purchasing/Current-RFQ-RFP-BIDS/index.html)).

General Contractors that plan to apply for prequalification as a Design-Build Entity are required to attend the mandatory Prequalification Conference as part of the prequalification process and in order to be listed to receive any addenda. **It is solely the**

**responsibility of each Design-Build Entity to ensure that they receive any and all addenda.**

Requests for clarification of the process or the documents must be submitted by email to Capital Purchasing, [cappurchasing@esuhsd.org](mailto:cappurchasing@esuhsd.org) no later than 4:00 PM (PST), **February 21, 2018**

Qualification Applications must be received by **4:00 PM on February 26, 2018**

## **Prequalification Process**

The prequalification process for this project involves two steps:

**Step 1 – Completion of Application:** Each application must conform and be responsive to the standard application provided by the District. The completed application must contain information on each of the following members of the Design-Build Entity’s Team:

1. General Contractor
2. Architect of Record
3. Component Construction Firm
4. Electrical, Mechanical, Structural and Civil, Landscape Architect, Acoustical, Waterproofing and other Principal Engineers
5. Electrical, Mechanical/Plumbing, any other Design-Build Subcontractors

Any Design-Build Entity team member determined not to be prequalified will result in a determination of “Not-Prequalified” for the entire Design-Build Entity. Any deviation from the standard application form, failure to provide all of the required information, untruthful or misleading answers will establish the application as non-responsive and grounds for determination of “Not-Prequalified” for the entire Design-Build Entity. The District reserves the right to reject any or all Prequalification Applications and to waive any irregularities. Prequalification Applications for past projects or for other public agencies are not applicable. A new Prequalification Application is required to be considered for this advertised project.

**Step 2 - Review:** Completed applications will be reviewed against a Scoring Matrix which can be found on the District’s bond purchasing website:

([www.esuhsd.org/Community/Purchasing/Bond-Purchasing/Current-RFQ-RFP-BIDS/index.html](http://www.esuhsd.org/Community/Purchasing/Bond-Purchasing/Current-RFQ-RFP-BIDS/index.html))

The determination of qualification is solely at the District’s discretion. Responsive completion of the Prequalification Application includes:

1. Completion of the questionnaire
2. Licensure in good standing with the State of California
3. Bonding and surety availability in accordance with these published requirements
4. Verified experience on comparable projects. Preference is for Design-Build Entity members to have successfully completed at least three (3) mixed use buildings that have Administration, Classroom, Restroom, and Parking Lot project components together, in a California educational environment with DSA review and under a Project Labor Agreement. Respondents should demonstrate in their Statements of Qualification how they either match or closely approximate this profile.

## **General Information**

**Timeline** – The following is the anticipated timeline for the Design Build projects.

**Requirements for Prequalification** - The District's evaluation is solely for the purpose of determining which Design-Build Entities are deemed responsible and qualified. Prequalification of Design-Build Entities will be reviewed and determined by the District based upon the submitted Prequalification Applications and any other information available to the District. The District may request a Design-Build Entity to submit additional information pertinent to the application. The District also reserves the right to investigate and rely upon information from other available sources in addition to any documents or information submitted by the Design-Build Entity.

The District retains the sole discretion to determine issues of compliance and to determine whether a Design-Build Entity is responsive and responsible. The District will determine a Design-Build Entity's quality, fitness and capacity to perform comparable projects satisfactorily.

**Project Labor Agreement** - The District has adopted a Project Labor Agreement (Labor Agreement) for this project. The awarded Design-Build Entity must conform to this Labor Agreement, copies of which may be viewed at:

<http://www.esuhd.org/Community/Purchasing/Bond-Purchasing/Project-Labor-Agreement/index.html>

**Confidentiality** - Responses to the Prequalification Application and any financial information submitted for prequalification evaluation are not public records and not open to public inspection. The District will maintain the confidentiality of these records to the extent permitted by law. In the event a third party requests these confidential records, the District will notify the affected Design-Build Entity, and it shall be the Design-Build Entity's responsibility to defend the District in any action to compel disclosure of the Design-Build Entity's confidential information.

**Cost of Participation in Selection Process** - Costs for developing responses to this application are entirely the responsibility of the Design-Build Entities and shall not be chargeable to the District.

**District Contact for Questions** - Questions regarding this prequalification application may be directed to, Capital Purchasing Manager at [cappurchasing@esuhd.org](mailto:cappurchasing@esuhd.org) and copy Jeremy Bright with East Side Union High School District at [brightj@esuhd.org](mailto:brightj@esuhd.org)

As always, public notices, conference presentations, conference attendees, and prequalification results will be posted on the District's Bond Purchasing website: ([www.esuhd.org/Community/Purchasing/Bond-Purchasing/Current-RFQ-RFP-BIDS/index.html](http://www.esuhd.org/Community/Purchasing/Bond-Purchasing/Current-RFQ-RFP-BIDS/index.html)).

A-12. Has the General Building Contractor, any of the corporate officers, partners, or its associates ever been convicted of a crime involving any federal, state, or local law related to construction?

Yes  No

If “yes”, explain on a separate page, including identifying who was convicted, the name of the victim, the date of the conviction, the court and case number, the crimes, and the grounds for the conviction.

A-13. Has the General Building Contractor, any of the corporate officers, partners or its associates ever been convicted of a federal or state crime of fraud, theft, or any other act of dishonesty?

Yes  No

If “yes”, identify on a separate page, the person or persons convicted, the court and case number, the crimes, and the year convicted.

A-14. During the last five years, has there ever been a period of time when the General Building Contractor or its associates had no surety bond in place during a public construction project when one was required?

Yes  No

If yes, indicate the period during which no surety bonds were in place, name of entity without the surety bond, the name of project owner, and if coverage was denied the date coverage was denied and the name of the company that denied coverage.

A-15. Has CAL OSHA cited and assessed penalties against the General Building Contractor or its associates for any “serious,” “willful” or “repeat” violations of its safety or health regulations in the past five years?

(NOTE: If you have filed an appeal of a citation, and the Occupational Safety and Health Appeals Board has not yet ruled on your appeal, you need not include information about it.)

Yes  No

If “yes”, on separate page describe the citations, the party against whom the citation was made, date of citation, nature of the violation, project on which the

citation was issued, owner of project, and the amount of penalty paid, if any. State the case number and date of any OSHA decision.

- A-16. Has the Federal Occupational Safety and Health Administration cited and assessed penalties against the General Building Contractor or its associates in the past five years?

(NOTE: If an appeal of the citation has been filed and the Appeals Board has not yet ruled, or if there is a court appeal pending, you need not include information about the citation.)

Yes                       No

If “yes”, on separate page describe the citations, the party against whom the citation was made, date of citation, nature of the violation, project on which the citation was issued, owner of project, and the amount of penalty paid, if any. State the case number and date of any decision.

- A-17. Has the EPA, any Air Quality Management District or any Regional Water Quality Control Board cited and assessed penalties against either the General Contractor or its associates or the owner of a project during the time in which the preceding parties were performing on a contract in the past five years?

(NOTE: If an appeal of the citation has been filed and there is no ruling yet, or if there is a court appeal pending, you need not include information about the citation.)

Yes                       No

If “yes”, on separate page describe the citations, the party against whom the citation was made, date of citation, nature of the violation, project on which the citation was issued, owner of project, and the amount of penalty paid, if any. State the case number and date of any decision.

- A-18. How often does the General Building Contractor require documented safety course meetings to be held for construction employees and field supervisors during the of a project?

A-19. List the General Building Contractor's Experience Modification Rate (EMR) (California workers' compensation insurance) for each of the past three premium years:

(NOTE: An Experience Modification Rate is issued to your firm annually by your workers' compensation insurance carrier.)

Year: \_\_\_\_\_ EMR: \_\_\_\_\_

Year: \_\_\_\_\_ EMR: \_\_\_\_\_

Year: \_\_\_\_\_ EMR: \_\_\_\_\_

If your EMR for any of these three years is 1.00 or higher you may attach a letter of explanation.

A-20. Within the last five years has there ever been a period when the General Contractor or its associates had employees but was without workers' compensation insurance or state-approved self-insurance?

Yes  No

If "yes", please explain the reason for the absence of workers' compensation insurance on a separate page. If "No," please provide a statement by your current workers' compensation insurance carrier that verifies periods of workers' compensation insurance coverage for the General Building Contractor for the last five years. (If the General Contractor has been in business for less than five years, provide a statement by your workers' compensation insurance carrier verifying continuous workers' compensation insurance coverage for the period that your firm has been in business.)

A-21. Has there been more than one occasion during the last five years in which the General Building Contractor or its associates was required to pay either back wages or penalties for failure to comply with the **state's** prevailing wage laws?

Yes  No

If "yes," attach a separate page, describing the violator, nature of each violation, name of the project, date of its completion, the public agency for which it was constructed, the number of employees who were initially underpaid and the amount of back wages and penalties that were assessed.

A-22. During the last five years, has there been more than one occasion in which the General Building Contractor or its associates have been penalized or required to pay back wages for failure to comply with the **Federal** Davis-Bacon prevailing wage requirements?

Yes                       No

If "yes," attach a separate page, describing the violator, nature of each violation, name of the project, date of its completion, the public agency for which it was constructed; the number of employees who were initially underpaid and the amount of back wages and penalties that were assessed.

A-23. If the General Building Contractor operates its own State-approved apprenticeship program, provide the following information on a separate page:

- (a) Identify the craft or crafts in which you provided apprenticeship training in the past year.
- (b) State the year in which each such apprenticeship program was approved, and attach evidence of the most recent California Apprenticeship Council approval(s) of your apprenticeship program(s).
- (c) State the number of individuals who were employed by your firm as apprentices at any time during the past three years in each apprenticeship and the number of persons who, during the past three years, completed apprenticeships in each craft while employed by your firm.

A-24. At any time during the last five years, has the General Building Contractor or its associates been found to have violated any provision of California apprenticeship laws or regulations, or the laws pertaining to use of apprentices on public works?

Yes                       No

If "yes", provide the date of the findings and attach a copy of the final decision.

---

Date of Findings

A-25. Do agreements exist between the General Building Contractor and registered apprenticeship programs which have been approved by the California Apprenticeship Council and have graduated apprentices in the preceding five years, for all apprenticable crafts which may be employed by the General Contractor on this project?

(This graduation requirement shall not apply to programs providing apprenticeship training for any craft that has not been deemed by the Department of Labor and the Department of Industrial Relations to be an apprenticable craft within the period of June, 1999 to June, 2003.)

Yes                       No

A-26. Has the General Building Contractor built comparable facilities for K-12 educational institutions in the last 5 years?

Yes                       No

If yes, please list all comparable K-12 educational institution projects that the General Contractor has performed on in the last 5 years. Please add additional rows if necessary.

School	Project	Construction Cost	Year Completed

Please complete a Project Data Sheet for a minimum of three comparable projects completed within the last five years.

A-27. Please fill in the following blanks based on the General Building Contractor's attached financial statement:

Current Assets	\$0
Current Liabilities:	\$0
Total Net Worth	\$0
Current Ratio (Assets/Liabilities):
