

Preparing every student to thrive in a global society.

As per AB 104, California State Universities (CSUs) will accept for admission purposes, and without prejudice, a transcript with a Pass or No Pass grade instead of a letter grade for any coursework taken during the 2020-21 school year. However, this is not the case for all universities. Some postsecondary educational institutions, including those in other states, may not accept a Pass or No Pass grade instead of a letter grade for admission purposes. UC colleges and private universities were encouraged, but not required, to notify the CDE about whether they will accept Pass/No Pass marks for purposes of admission. Below you will find the list of colleges and universities who will accept, for the 2020–21 through 2023–24 school year, for admission purposes, a transcript with a Pass or No Pass grade instead of a letter grade for an applicant pursuant to *Education Code* Section 49066.5(b).
