

East Side Union High School District

Revised Expectations for Wednesdays

Revised Expectations: Please note that we have adjusted our schedule to emphasize the need for students to complete tasks and assignments on Wednesdays. The California Department of Education requires school districts to ensure students are participating in both video conferencing sessions as well as independent work time. Therefore, we are expecting students to use the time on Wednesday mornings to complete tasks and assignments. Also, students are expected to report to their tutorial or advisory period on Wednesdays as assigned by their teachers. Their participation will be noted on a weekly participation log.
