East Side Union High School District Solicits Input from Parents, Students and Staff School Climate Survey - 2014

The East Side Union High School District is interested in hearing from parents, students and staff regarding services offered by the District. Our goal is to provide resources or make policy changes based on feedback in order to improve your experience at our schools.

Your input is important to us. All responses are anonymous and will be kept strictly confidential. Thank you for your participation in the survey.

* * * * *

Parent Climate Survey

The District is interested in hearing from parents regarding specific experiences you and your child(ren) have had in the East Side Union High School District. All responses should be your experience at one school.

Click on one of the following links to access survey: [English](#) | [Spanish](#) | [Vietnamese](#)

Student Climate Survey

We hope to learn more about student experiences during **this school year** at their school with teachers, administrators, and other students.
