The Board prohibits any form of retaliation against any complainant in the complaint process alleging discrimination, harassment, intimidation or bullying. Participation in the complaint process shall not in any way affect the status, grades, or work assignments of the complainant.

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects students and employee rights to privacy. Discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. The District ensures that the complainants are protected from retaliation and that the identity of a complainant alleging discrimination, harassment, intimidation or bullying will remain confidential as appropriate. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation, as determined by the Superintendent or designee on a case-by-case basis.

The Superintendent shall ensure that the employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with Uniform Complaint Procedures, whenever all parties to a complaint agree to try resolving the problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with State and Federal laws and regulations.

In investigating complaints alleging discrimination, harassment, intimidation or bullying, the confidentiality of the parties involved and the integrity of the process shall be protected. As appropriate, the Superintendent or designee may keep the identity of a complainant confidential to the extent that the investigation of the complaint is not obstructed.
