ENROLLMENT: 1,950

GRADUATION RATE: 81%

A-G COMPLETION RATE: 34%

Welcome to Andrew P. Hill High School's 2016-2017 school year. New students, you are about to experience learning and growing in a safe and exciting academic and social environment. Returning students, you have a key role to play in welcoming those who are new to the school. You also have the opportunity to experience a new curriculum, based on Common Core State Standards, that emphasizes understanding how to solve math problems over rote memorization and other subjects that will engage and encourage you to become independent, thinking citizens of a new connected and rapidly changing world.

Andrew P. Hill High School (AHHS) cherishes the dedication of its parent/guardian volunteers and all adult encouragement of students' academic, social and extracurricular activities. Their continued support of the students, staff and programs is what separates AHHS from all other schools.

- Students take rigorous academic coursework to prepare them for career and college through our variety of academic programs and participation in both AP and IB coursework.
- Students take an active role in their education through participation in a variety of extracurricular activities, including athletics, academic programs and student clubs for a variety of interests.
- As the second oldest school in the East Side Union High School District, Andrew P. Hill takes pride as the home of the "Falcon Family," an inclusive learning community of students, staff, and our parent community working for the benefit of our students.

Key Programs and Magnets

International Baccalaureate (IB): A rigorous interdisciplinary program at 11th & 12th grades. We believe that every student is an IB student; therefore, our students experience the 9th grade Hill Academy to transition to high school and prepare for IB enrollment.

Health & Medical Magnet: AHHS is a Medical Magnet School that exposes students to the various fields in Health and Medicine.

Multimedia Academy: Multimedia is a Linked Learning Program of interdisciplinary courses preparing students for college or career in the visual arts.

Preparing every student to thrive in a global society.
