Animation Studio
Mt. Pleasant High School

Provides a rich environment for the development of creative arts with a focus on digital and traditional animation leading to a career in the animation industry, graphic design, illustration, advertising, or a related career. Students use industry-standard software, including Adobe Illustrator, Flash, Flipbook, and iMovie. Pathway works closely with San Jose State University's highly regarded Animation and Illustration Program and West Valley College's Digital Media Program. Features annual sketchbook trips to the de Young Museum, San Francisco Museum of Modern Art, and Oakland and San Francisco Zoos for sketchbook trips.
