Steeped in tradition, Piedmont Hills High School challenges students to set high academic and personal standards and supports them in their pursuit of success. The faculty is strongly committed to providing the highest quality educational program consistent with the expectations of the community. Many of the students enroll in post-secondary education. Approximately 47% of the students meet 4-year college/university requirements and 46% attend 4-year universities and 46% attend community colleges. Recent graduates have attended such prestigious colleges as MIT, Harvard, Stanford and all the University of California campuses. The school, located in the northeast foothills of San Jose, is a compact campus on 48 acres of a park-like setting. The school houses over 1,900 students of richly diverse cultural backgrounds.

The school has an active school site council, a parent booster club, and various special program groups, e.g. band, drama, and athletics. In addition, the African American Parent Coalition, the Latino Parent Education Network, and the Filipino Parents and Student Association support specific ethnic groups.
The Academic Performance Index (API) is a score on a scale of 200 to 1000 that annually measures the academic performance and progress of individual schools in California. On an interim basis, the state has set 800 as the API score that schools should strive to meet.

API Growth Data 2000 2001 2002
Percentage Tested 97 99 99
API Growth Score 702 697 733
Actual Growth -21 -13 41*

*Piedmont Hills exceeded its API target in 2002.

The California Standards Tests show how well students are doing in relation to the state content levels. The number represents the percentage of students scoring at the Proficient or Advanced level.

**Advanced Placement**

The Advanced Placement classes give students an opportunity to take college level classes and exams while in high school. Students scoring a 3 or better on an AP exam receive college credit for the course.

Listed below are the AP courses and classes offered at the school and the number of students enrolled in those classes.

**Leadership**

The staff at Piedmont Hills High School is very knowledgeable, talented and experienced. The staff is extremely well qualified and stable as in past years. Over 42% of the staff have advanced degrees. Piedmont Hills' teachers have an average of 21 years of teaching experience and 16 years at Piedmont Hills. The school leaders and staff have high expectations of all students. Excellence in education is emphasized and academic achievements are recognized. The high quality of instruction and leadership are reflected in the academic success of the students. Most Piedmont Hills High School students have a six-period day. Seventy-five percent of our courses meet UC/CSU requirements and this number will continue to increase over the next few years.

The vocational classes in the business department and the Auto-CAD classes in industrial arts include state-of-the-art equipment and instruction, appealing to a diverse group of students. The business magnet includes two paths; one in applications which prepares students for administrative support work, and the other in entrepreneurship, preparing students to manage and work in their own or a small business. Piedmont Hills has one of the highest attendance rates in the District. This is an indication of the high quality of instruction and leadership.

**College Preparation**

This chart indicates the number and percent of students who are enrolled in the courses required for entrance into a University of California and/or California State University.

**School Climate and Safety**

**Positive Learning Environment**

Piedmont Hills has a written discipline plan that was developed in accordance with district policy. This plan is well publicized and is available to students, parents, staff, and community members. It is in the student agendas and the parent handbook. Special programs have been developed by the school to encourage appropriate student behavior. These include the Pirate Assistance Program, the attendance recovery program, after-school detention, Saturday School, and community service. The school continues to use the Multi-Service Team (MST) approach to helping students. Through the MST, a number of community agencies and services are on campus to assist students and parents. San Jose police officers are on campus every day to ensure student safety and there is a school safety team in place to monitor and evaluate campus safety.

**Dropout Rate**

Data reported regarding progress over the most recent three-year period toward reducing dropout rates include: grade 9-12 enrollment, the number of dropouts, and the one-year dropout rate listed in the California Basic Educational Data System (CBEDS). The formula for the one-year dropout rate is (Grades 9-12 Dropouts/Grades 9-12 Enrollment) multiplied by 100.

**Facilities**

The school, located in the northeast foothills of San Jose, is a compact campus on 48 acres of a parklike setting. The school houses more than 1,900 students of richly diverse cultural backgrounds. The school is undergoing modernization. A new theater has been built and classrooms have been modernized in two major areas of the campus. New roofs, carpets and heating and air-conditioning system have been installed. The athletic fields were upgraded and lights have been installed. Electrical upgrades were made to accommodate the infusion of technology throughout the campus. Lockers have been replaced and a new electronic marquee has been installed to promote school and community events. The modernization of the campus will continue. All classrooms will be modernized. Portables will continue to be on the campus to house students while classrooms are reconstructed. A wrought iron fence will be placed around the perimeter of the campus to enhance security and lighting will be upgraded throughout the campus.

The school continues to ensure student safety and there is a school safety team in place to monitor and evaluate campus safety.
