News Release

For Immediate Release: September 20, 2000

College Night 2000

The annual "*College Night*" sponsored by the *East Side Union High School District* is scheduled to be held at *Independence High School, 1776 Educational Park Drive*, in the gymnasium on *Monday, October 30, 2000, from 6:30 p.m. to 8:30 p.m.* Dr. Sandra Mack, Coordinator, stated that she expects over 100 colleges and universities to send representatives. Numerous campuses of the University of California (UC) system and the California State University (CSU) system, all military academies, local community colleges, and many private colleges will be represented, as well as other Western United States colleges and universities.

All students and their parents are encouraged to attend and take this opportunity to ask questions of the college admissions representatives. The timing of this "*College Night*" is especially pertinent for seniors as the "admissions season" generally begins in November for Fall, 2001. Juniors are also urged to attend.

East Side Union High School District counselors will be available to confer with individual parents and students on college admissions requirements and procedures. Information on admission testing, SAT, and Advance Placement will also be available.

All East Side Union High School District students and parents are welcome to attend this program. The program is also open to all students attending San Jose Unified, Gilroy, Morgan Hill, Milpitas, Campbell and Los Gatos-Saratoga school districts. As this is a popular annual event with thousands in attendance, it is suggested that you attend as early as possible.

There will be ample parking available in parking lot #1, located on Jackson Avenue at Independence High School.
