### **East Side Board Announces the Selection of New Superintendent**

The Board will meet on Friday, July 18th, in the East Side Union High School District Board Room at 4:00 pm to take final action on the selection of the new superintendent. It is expected they will appoint and introduce the new superintendent to the East Side community.

Board of Trustees employed the services of a distinguished firm, Hazard, Young, Attea & Associates, to conduct the superintendent search. They conducted in-depth interviews with staff, students, parents, community and business partners regarding what criteria should be used to guide the recruitment and hiring of a new superintendent. The results of these sessions were used to identify potential candidates. A delegation of East Side representatives visited the top candidate's workplace and community prior to the final decision.
