Oak Grove High School Adds Beauty and Pride to Neighborhood

On Wednesday, October 8, 2003, at 6:30pm, Oak Grove High School will officially cut the ribbon to their streetscape beautification project. The project, funded by Measures A & G, includes a remodeling of the front area of the school. Modern lighting, a new security fence, redesigned parking area and landscaping will add beauty and pride to the Blossom Hill community. The enhancements are intended to provide a safer school and neighborhood.

Superintendent Esperanza Zendejas and members of the East Side Union High School District Board of Trustees will cut the ribbon to officially reopen the area. "We are inviting the community to join us as we celebrate our new look. We want to thank them for their support over the years," said **Zendejas**.
