SUPERINTENDENT'S UPDATE

*EAST SIDE UNION
HIGH SCHOOL DISTRICT*

830 NORTH CAPITOL AVENUE, SAN JOSE, CA 95133

Staff— I would like to thank every East Side Union employee for working together to make the first two weeks of school for our teenagers a great experience. Working together, I know we will provide all students with opportunities for achievement and success.

☆ A special “roar” of congratulations is sent to each of our schools in light of the recently released STAR results. Each school site is to be commended for the hard work and effort put into preparing our students to take the *California's Standards Test (CST)*. Of special note are Silver Creek and Andrew Hill. Silver Creek improved 52 points and Andrew Hill holds the distinction of being the only school in our district to have met the API target growth and all AYP areas for the last four years. In honor of this phenomenal four-year testing achievement record, all Andrew Hill staff members (classified, certificated, and administrators) will be honored at the Board meeting on Thursday, September 8, 2005 at 6:00 pm. Plan on joining us as we honor our own and the outstanding achievement of their students.

☆ As your new Superintendent, I have hit the road running and my path has led me to many school sites. After careful consideration, I would like to schedule time to meet with interested staff members at each school site. I will calendar one morning and one afternoon of scheduled appointments at each of the schools. Interested staff members can schedule a 10 minute appointment time with me. First consideration will be given to staff members that I do not normally meet with as part of school or district committees. See your principal's secretary for the days/times available at your site. I look forward to having these one-on-one conversations with staff.

☆ My best wishes to all for a relaxing, fun-filled three-day weekend. You have all worked hard, take time to enjoy the last weekend of summer fun! See you on Tuesday!

Sincerely,
Bob Nuñez
