★ A special congratulations to Evergreen Valley High School who holds the distinction of being the only school in the East Side Union High School District to reach an API score of over 800.

Evergreen Valley, with only a three year history, and a population growth in three years of 900 to 2400 students, has done a remarkable job of increasing their API score by 36 points in one year to reach a phenomenal API score of 815.

Evergreen will also be honored at the Board meeting on **Thursday, September 8, 2005 at 6:00 p.m.** Please plan on joining us as we honor our own and the outstanding achievement of their students.

*Sincerely,
Bob Nuñez
Interim Superintendent*
