3.1.2 The Superintendent can verify that such requested activities and use of facilities will not interfere with the school programs and/or duties of bargaining unit members, and will not directly or indirectly interfere with the right of employees to refrain from listening or speaking with an Association representative.

- 4.1 The exercise of the following powers, rights, authority, duties, and responsibilities by the District, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited by the specific and express terms of this Agreement and to the extent such specific and express terms are in conformance with law.

ARTICLE 5

Organizational Security and Employee Rights

- 5.1 Except as provided by this Article, the District and the Association recognize the right of employees to form, join and participate in lawful activities of the employee organization and the equal alternative right of employees to refuse to form, join or participate in or support employee organization activities.
- 5.2 The Board shall not illegally discriminate against any bargaining unit member on the basis of any condition defined by law, e.g. race, color, creed, gender, national origin, political affiliation, marital status, age, disability, sexual orientation, membership in an employee organization or participation in the activities of an employee organization.
- 5.3 A bargaining unit member has the right to have another bargaining unit member present at all conferences with a supervisor. (Refer to Appendix E.)
- 5.4 Each bargaining unit member covered by this Agreement who is a member of the Association at the time this Agreement is executed or becomes a member of the Association shall maintain his/her membership in the Association for the term of this Agreement.
- 5.4.1 Bargaining unit members shall, within thirty (30) days of the effective date of this Agreement or within thirty (30) days of their employment date, whichever is later, either join the Association by executing a payroll deduction authorization form for payment of dues or pay a service fee not to exceed dues, initiation fees and general assessments (hereinafter "service fees"), by executing a service fee deduction authorization form for the payment of such fee.
- 5.4.1.1 Nothing contained herein shall prohibit a bargaining unit member from paying dues or service fees directly to the Association.

1 5.4.1.2 If a bargaining unit member withdraws a dues or
2 service fee authorization and/or fails to pay
3 dues/service fees directly to the Association, the
4 District shall, upon notification from the Asso-
5 ciation and notice to the bargaining unit mem-
6 ber, deduct from the wages of said bargaining
7 unit member, and pay to the Association, all
8 dues/service fees owed to the Association.

9 5.4.2 The Association agrees to furnish any information needed by the
10 District to fulfill the provisions of this Article. The District
11 agrees to furnish any information needed by the Association to
12 fulfill the provisions of this Article.

13 5.4.3 Religious Exemption:

14 5.4.3.1 If an employee in the bargaining unit belongs to
15 a recognized religious organization which does
16 not permit its members to pay a representation-
17 al/services fee to any employee organization, an
18 amount equal to the fee which would have been
19 paid will be paid by that bargaining unit member
20 and deposited into a Student Benefit Fund estab-
21 lished and administered jointly by the Associa-
22 tion and the District. If no such fund exists, the
23 amount deducted will be deposited by the Dis-
24 trict with a recognized charitable organization
25 designated by the bargaining unit member and
26 approved by the Association and the District.
27 Such organization shall be a non-religious, non-
28 labor organization exempt from taxation under
29 Section 503(c) (3) of Title 26 of the Internal
30 Revenue Code.

31 5.4.3.2 Any bargaining unit member who is a member
32 of a religious group whose beliefs prohibit join-
33 ing an employee organization or paying a repre-
34 sentational/service fee to such an organization

1 shall demonstrate such membership and beliefs
2 to a neutral third party to be agreed upon by the
3 Association and the District. A bargaining unit
4 member desiring to be exempt from joining the
5 Association or paying the representation-
6 al/service fee shall file a claim of exemption
7 with the Association with a copy to the District.
8 The District and the Association shall establish
9 procedures for providing the bargaining unit
10 member a hearing on the claim of exemption.

11 5.4.3.2.1 In the event the neutral party
12 denies the claim, the neutral
13 shall notify the Association, the
14 District and the bargaining unit
15 member of such decision. If the
16 bargaining unit member fails or
17 refuses to join the Association
18 or pay the representation/service
19 fee by lump sum or make ade-
20 quate provisions for its payment
21 through payroll deduction with-
22 in thirty (30) days after such de-
23 cisions, the Association may ini-
24 tiate action as required by the
25 provisions of this Article.

26 5.4.4 With respect to monies deducted by the District pursuant to this
27 Article, whether for membership dues or equivalent fee, the Dis-
28 trict agrees promptly to remit such monies to the Association
29 accompanied by an alphabetical list of bargaining unit members
30 for whom such deductions have been made, categorizing them
31 as to membership or non-membership in the Association and in-

dicating any changes in personnel from the list previously furnished.

5.4.5 The Association shall indemnify and hold the District harmless from any and all claims, demands or suits, or other action arising from the organizational security provisions contained herein, including reasonable attorney fees and costs. The Association as the indemnitor shall have the exclusive right to decide and determine which matters shall or shall not be compromised, resisted, defended, tried or appealed.

5.4.6 The Association, as the exclusive representative, shall have the sole and exclusive right to have membership dues and representation/service fees deducted for employees in the bargaining unit by the District. The District will, upon appropriate authorization from the bargaining unit member, deduct and make appropriate remittance for such membership dues and fees.

5.4.6.1 Pursuant to such authorization, the District shall deduct one-tenth (1/10) of such dues/fees from the regular monthly salary check of the bargaining unit member each month for ten (10) months. Deductions for bargaining unit members who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year. Payroll deductions shall be without cost to the bargaining unit members or the Association.

5.4.7 The District, upon appropriate written authorization from any bargaining unit member, shall deduct such other voluntary deductions jointly approved by the Association and the District.

ARTICLE 6

Leave Provisions

6.1 General Leave Provisions

6.1.1 Whenever possible, a bargaining unit member must contact the District substitute service or his/her immediate supervisor as soon as the need to be absent is known. Failure to provide adequate notice shall be grounds for denial of leave with pay or other disciplinary action.

6.1.2 A bargaining unit member who is absent for less than a full day shall have deducted an amount as per Appendix J.

6.1.3 The District shall provide each bargaining unit member on request with a written or verbal statement (at bargaining unit member's option) of: (1) accrued personal illness and injury leave total, and (2) personal illness and injury entitlement for the school year. District reply shall be no later than two (2) working days.

6.1.4 Quarantine: A bargaining unit member who is absent from the service of the school due to a legally established quarantine shall be entitled to the same leave as though he/she were personally ill, provided he/she files a certificate from the County Health Department showing such quarantine.

6.1.5 Bargaining unit members assigned to summer school shall be allowed one (1) day of absence due to accident or illness during their period of summer employment, without deduction of salary. This allowance shall not be cumulative and shall not be added to the cumulative sick leave of ten (10) days.

1 6.1.6 When a bargaining unit member retires, accumulated personal
2 illness and injury leave will be credited according to rules and
3 regulations of State Teachers Retirement System (STRS).

4 6.1.7 The Board shall release bargaining unit members who are cho-
5 sen to serve on a commission on Professional Competence in
6 accordance with Education Code Section 44944. The rights and
7 duties of the bargaining unit member rendering such service
8 shall be those contained in Education Code Sections 44945 and
9 45047.

10 6.1.8 Leaves for other employment may be granted at the discretion of
11 the Board, and decisions here under shall not be subject to Arti-
12 cle 13, "Grievance Procedure." Nothing in this section shall de-
13 ny the bargaining unit member the right to reconsideration.

14 6.1.9 A bargaining unit member returning from an approved leave of
15 absence shall have the same rights of assignment at the site from
16 which the leave was granted as do all other bargaining unit
17 members at that site if the member's leave does not exceed the
18 first day of the next school year following the commencement of
19 the leave. (Leaves starting at any time other than the first day of
20 a school year will be considered as a leave for that school year.)

21 6.2 Association Leave

22 The Association, for purposes other than grievance representation and ne-
23 gotiations, shall have a maximum total of twenty-five (25) days of paid
24 leave to utilize for local, State or national conferences. Names of Associa-
25 tion representatives, by office held, shall be submitted in writing to the of-
26 fice of the Superintendent no later than October 1 of each year, and again
27 by February 1. These representatives shall be excused from school duties
28 upon two (2) days of advance notification to the Superintendent and the
29 immediate supervisor by the Association President. The Association shall
30 pay for substitutes needed under this Section when representatives are not
31 able to perform contractual duties.

1 6.3 Bereavement Leave

2 6.3.1 A bargaining unit member shall be entitled to three (3) days
3 leave of absence or five (5) days leave of absence if out-of-state
4 travel or travel in excess of 300 miles is required, without loss
5 of salary or sick leave, on account of the death of any member of
6 his or her immediate family. Extensions of this leave (chargea-
7 ble to the bargaining unit member's sick leave) may be granted
8 by the Superintendent.

9 6.3.2 For purposes of this provision, an immediate family member
10 shall be spouse/domestic partner, children, mother, father,
11 mother-in-law, father-in-law, brother, sister, son-in-law, daugh-
12 ter-in-law, grandparents and grandchildren of the bargaining unit
13 member or spouse/domestic partner, or any relative living in the
14 immediate household of the bargaining unit member. For the
15 purpose of this article, domestic partner is defined by the domes-
16 tic partner affidavit on file with the District's Human Resources
17 Division.

18 6.3.3 A bargaining unit member shall notify the District as soon as
19 possible and also state the expected duration of the absence to
20 enable the District to secure a substitute.

21 6.4 Industrial Accident Leave

22 6.4.1 Bargaining unit members will be entitled to industrial accident
23 leave according to the provisions in Education Code Section
24 44984 for personal injury which has qualified for worker's com-
25 pensation under the provision of the State Compensation Insur-
26 ance Fund.

27 6.4.2 Such leave shall not exceed sixty (60) days during which the
28 schools of the District are required to be in session or when the
29 employee would otherwise have been performing work for the
30 District in any one (1) fiscal year for the same industrial acci-
31 dent.

1 6.4.3 The District has the right to have the bargaining unit member
2 examined by a physician designated by the District to assist in
3 determining the length of time during which the bargaining unit
4 member will be temporarily unable to perform assigned duties
5 and the degree to which a disability is attributable to the injury
6 involved.

7 6.4.3.1 A bargaining unit member shall be deemed to
8 have recovered from an industrial accident or
9 illness, and thereby able to return to work, at
10 such time as bargaining unit member's physician
11 and District designated physician (if appropri-
12 ate) agree that there has been such a recovery.

13 6.4.4 For any days of absence from duty as a result of the same indus-
14 trial accident, the bargaining unit member shall endorse to the
15 District any wage loss benefit check from the State Compensa-
16 tion Insurance Fund which would make the total compensation
17 from both sources exceed 100 percent of the amount the bar-
18 gaining unit member would have received as salary had there
19 been no industrial accident or illness. If the bargaining unit
20 member fails to endorse to the District any wage loss disability
21 indemnity check received on account of the industrial accident
22 or illness as provided above, the District shall deduct from the
23 bargaining unit member's salary warrant the amount of such dis-
24 ability indemnity actually paid to and retained by the bargaining
25 unit member.

26 6.4.5 An industrial accident or illness as used in this section means
27 any injury or illness whose cause can be traced to the perfor-
28 mance of services for the Board. Said injury is to be determined
29 by the District's current worker's compensation provider.

30 6.4.6 The District copy of the report of an industrial accident or illness
31 shall be kept on file in the District's worker's compensation of-
32 fice.

6.4.7 The benefits provided in this section are in addition to the sick leave benefits.

6.5 Family and Medical Leave Act/California Family Rights Act

The Family and Medical Leave Act/California Family Rights Act (FMLA/CFRA) allows eligible members to take unpaid leave, or substitute appropriate paid leave if accrued, for up to a total of 12 work weeks in a 12 month period.

6.5.1 Reasons for Leave (any of the following)

- Birth of a child of the member, and to care for such a child
- Placement of a child with the member for adoption or foster care
- Care for an immediate family member (spouse, domestic partner, child or parent) with a serious health condition
- Member's own serious health condition

6.5.1.1 A serious health condition is a disabling physical or mental illness, injury, impairment, or condition that requires hospitalization or a doctor's ongoing treatment or supervision.

6.5.2 Eligibility

The bargaining unit member has one year of service with the District as of the date the leave is scheduled to commence. The bargaining unit member may use accumulated sick leave to substitute for all, or part, of unpaid leave under the Family and Medical Leave Act (FMLA/CFRA).

6.5.2.1 The bargaining unit member must provide thirty (30) days advance notice when leave is “foreseeable.” If 30 days notice is not feasible, notice must be given as soon as possible. Such request shall be submitted using the FMLA/CFRA form.

6.5.2.2 The District may require medical certification to support a request for leave because of a serious health condition and a fitness for duty report to return to work.

6.5.3 The District will continue to provide health and welfare benefits coverage during (FMLA/CFRA) leave.

6.5.4 An employee returning to work from an FMLA/CFRA leave is entitled to be restored to the same position of employment (the one held by the employee when notice was given or the leave commenced) or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

6.5.4.1 An employee may be temporarily transferred to an available alternative position, for which he or she is qualified, that has equivalent pay and benefits, that better accommodates the employee's need to take intermittent leave or reduce his or her time base. The Superintendent/designee shall consult with the Association President/designee with respect to and prior to the implementation of the temporary transfer.

6.5.5 FMLA/CFRA leave includes maternity and paternity leaves. This leave does not include pregnancy-related or childbirth-related disabilities. An employee who is **disabled** on account of pregnancy, childbirth, or related medical conditions is entitled to take Pregnancy Disability Leave (PDL) for the period of the actual disability not to exceed four (4) months. An employee need not meet the eligibility requirements for FMLA/CFRA to be eligible for PDL.

6.5.5.1 Upon the birth of the child, the employee is entitled to an additional twelve (12) weeks of bonding leave under the CFRA.

6.5.5.2 An employee who is disabled on account of pregnancy, childbirth, or related medical conditions is

entitled to sub-differential only after exhausting all accumulated sick leave.

6.6 Leave Without Pay for Child Bearing Preparation and Child Rearing

6.6.1 Leave without pay or other benefits may be granted to a bargaining unit member for preparation for child bearing and for child rearing.

6.6.2 The bargaining unit member shall request such leave as soon as practicable, but under no circumstances less than thirty (30) workdays prior to the date on which the leave is to begin. Such request shall be in writing and shall include a statement as to the dates the employee wishes to begin and end the leave without pay.

6.6.3 The determination as to the date on which the leave shall begin and the duration of such leave shall be made at the discretion of the Superintendent when considering the schedule and replacement problems of the District.

6.6.4 The duration of such leave shall consist of no more than twelve (12) consecutive months and shall automatically terminate on the last day of the school year in which such leave is granted. An extension may be granted, not to exceed an additional twelve (12) months.

6.6.5 There shall not be a diminution of employment status for child bearing or child rearing except that no person shall be entitled to compensation or increment, nor shall the time taken on parental leave count toward credit for probationary teachers in earning permanent status.

6.6.6 If a bargaining unit member is on leave for child bearing or child rearing and in the event of a miscarriage or death of a child subsequent to childbirth, the bargaining unit member may request an immediate assignment to a unit position. If there is a vacancy for which a bargaining unit member is qualified, the District will assign the teacher to a position as soon as practicable.

1 6.7 Personal Necessity Leave

2 Personal necessity leave shall not be available solely for the purpose of
3 personal convenience or for matters which can be taken care of outside the
4 work hours or for recreational activities. The bargaining unit member will
5 notify his/her supervisor as soon as possible of the need to use such leave.

6 6.7.1 A bargaining unit member, at the unit member's election, may
7 use up to seven (7) days of accumulated sick leave in any school
8 year for reasons of personal necessity as defined below.

9 6.7.2 Types of Personal Necessity

10 6.7.2.1 Death of a member of the bargaining unit mem-
11 ber's immediate family. This is in addition to
12 regular bereavement leave, Article 6.3. This
13 does not require prior approval.

14 6.7.2.2 Accident involving the person or property of the
15 bargaining unit member or a member of his/her
16 immediate family. This does not require prior
17 approval.

18 6.7.2.3 Adoption of a child.

19 6.7.2.4 If a bargaining unit member is on unpaid leave
20 for child bearing preparation and/or child rear-
21 ing, in the event of a miscarriage or death of a
22 child, a bargaining unit member shall be entitled
23 to use personal necessity leave to care for
24 his/her child or the mother/father of the child.

25 6.7.2.5 Up to four (4) days of authorized Personal Ne-
26 cessity Leave may be utilized for reasons of
27 Compelling Personal Importance. This leave is
28 to be used only for reasons which the bargaining
29 unit member cannot reasonably be expected to
30 disregard and which require the attention of the

bargaining unit member during assigned working hours of service.

6.7.2.5.1 Two (2) of the four (4) days may be used at the discretion of the employee. These days shall not fall before or after a holiday or vacation period nor be used for concerted activities.

6.7.2.5.2 Two (2) of the four (4) days requires at least two (2) working days advance approval from the immediate administrator.

6.7.2.6 Observance of a Religious Holiday.

6.7.2.7 Temporary military leave for training, including travel time.

6.7.3 Partial day absences for sick leave or personal necessity will be assessed as per Appendix J.

6.8 Legislative Leave

A bargaining unit member who holds any other elected position that interferes with the regular school day may file an application with the Superintendent and, with the approval of the Board, be granted a long-term unpaid leave. The bargaining unit member will receive no salary or other benefits at this time. The bargaining unit member has the option to continue the District health and welfare benefit program by paying premiums on a quarterly basis.

6.9 Judicial Leave

Any bargaining unit member called to jury duty or to appear as a witness in court as provided in Education Code 44036 may serve without loss of pay or loss of creditable public retirement service. The current jury duty fee shall be made payable to the District for jury duty services.

1 6.10 Military Leave

2 6.10.1 Education Code 45059, Military and Veterans Code 395,
3 providing for up to 180 days of military leave for active duty,
4 shall be incorporated into this Agreement as follows:

5 6.10.1.1 Any bargaining unit member who has one (1)
6 year or more of service with the District, and
7 who is on military duty, shall receive his/her
8 salary for the first consecutive thirty (30) days of
9 such absence.

10 6.10.1.2 Any bargaining unit member who has one (1) or
11 more years of service with the District, is enti-
12 tled to unpaid temporary military leave up to 15
13 calendar days annually for inactive duty training,
14 including time involved going to and returning
15 from that duty. Personal necessity leave may be
16 used in accordance with Article 6.7.2.7.

17 6.10.1.3 A copy of order to active duty is requested to be
18 submitted to Human Resources prior to the start
19 of paid military leave.

20 6.10.1.4 Providing that the period of ordered duty does
21 not exceed 180 calendar days, the bargaining
22 unit member has the right to return to the same
23 position at the same site.

24 6.10.1.5 Bargaining unit members are entitled to only
25 one consecutive 30 calendar day paid leave per
26 fiscal year.

27 6.10.1.6 Because most military training can be taken dur-
28 ing summer periods, personnel are encouraged
29 to take required training during a school
30 vacation period.

1 6.11 Other Leaves Without Pay

2 6.11.1 Upon recommendation of the Superintendent and approval of
3 the Board of Trustees, leave without compensation, increment,
4 seniority or permanent status credit may be granted for one (1)
5 school year. The Board may extend the leave on an annual
6 basis.

7 6.11.2 Leaves under this condition may be granted for professional
8 study or research. Leaves for purposes other than those listed
9 above may be granted by the Board upon recommendation of the
10 Superintendent.

11 6.11.3 A bargaining unit member may substitute in the District while
12 on unpaid leave.

13 6.11.4 Bargaining unit members on such an approved annual leave of
14 absence will notify the District in writing of their intent to return
15 to work or will submit a request for an additional year of leave
16 by March 1 of the current school year. If such notification is re-
17 ceived by the district after March 1 but prior to July 1, then the
18 extent of the district's obligation is to offer an assignment if a
19 permanent vacancy is available for the following school year.

20 6.11.4.1 If the district denies the requested leave indicat-
21 ed above, the unit member has until April 1 of
22 the current school year to notify the district in
23 writing of their intent to return to work. If such
24 notification is received by the district by April 1,
25 then the employee is entitled to return to work.

26 6.11.4.2 If, after March 1 and before May1, a bargaining
27 unit member finds that he/she must return to
28 work after being granted an unpaid leave of ab-
29 sence because of serious, extenuating
30 circumstances; the district will make every
31 effort to place the member in a vacant perma-
32 nent position.

6.11.4.3 A bargaining unit member on an unpaid leave of absence will be deemed to have declined employment and his/her services as an employee of the district will be terminated as of June 30 if he/she fails to notify the district prior to July 1 of his/her intention to remain or not remain in the service of the district during the ensuing school year. (EC 44842)

6.12 Sick Leave

Section 44978 of the Education Code is incorporated into this Agreement, except as supplemented below:

6.12.1 Full-time bargaining unit members shall be entitled to ten (10) days leave with full pay for each school year for purposes of personal illness or injury or leave under the provisions of Family and Medical Leave Act/California Family Rights Act (FMLA/CFRA), except that ten and one-half (10.5), eleven (11) and twelve (12) month bargaining unit members shall be allowed ten and one-half (10.5), eleven (11) and twelve (12) days respectively, each year. Bargaining unit members who work less than full time shall be entitled to that portion of the appropriate leave as the number of hours per week of scheduled duty relates to the number of hours for a full-time bargaining unit member in a comparable position. Unused days will be accumulated by bargaining unit members for use, if necessary, during succeeding years.

6.12.2 Consistent with Education Code 44977, if additional absences are necessary, and after all earned sick leave days set forth in 6.12.1 above are exhausted, and the bargaining unit member continues to be absent from his or her duties on account of illness or accident for an additional period of five months, he/she shall receive the difference between his/her own salary and the amount paid a substitute, or, if no substitute is employed, the amount which would have been paid to a substitute, at the current per diem substitute rate up to a total of five (5) calendar

months in which schools are in session, exclusive of the earned personal illness and injury leave days at full pay. The sick leave, including accumulated sick leave, and the 5 month period shall run consecutively. The amount of salary deducted shall not exceed fifty percent (50%) of the salary due him/her. This section is subject to the provisions of 6.12.3 below.

6.12.2.1 When adopting a child, a bargaining unit member who has exhausted his/her accumulated sick leave may use up to six (6) days of differential paid leave.

6.12.2.2 Except as provided for in 6.12.2.1 above, differential paid leave is for leave due to illness or injury of the bargaining unit member.

6.12.2.3 If the school year terminates before the 5 month period is exhausted, the employee may take the balance of the 5 month period in the subsequent school year.

6.12.3 Upon request of the Director of Human Resources, a bargaining unit member shall be required to present a medical doctor's certificate verifying the personal injury or illness for the member or serious health condition of an immediate family member if the leave is under the provisions of FMLA/CFRA. The District may require a medical authorization for the member to return to work. If circumstances warrant it, the District, at District expense, may require a bargaining unit member to visit a District-designated specialist. If the report to the Superintendent or designee concludes that the absence is not sufficiently severe to warrant continued absence, then the Superintendent or designee, after notice to the bargaining unit member, may refuse to grant such leave.

6.12.4 Partial day absences for sick leave or personal necessity will be assessed as per Appendix J.

1 6.13 Sabbatical Leave

2 6.13.1 When funds are available after completing seven (7) consecutive
3 years of full-time service, a bargaining unit member will be eli-
4 gible to apply for a leave of absence not to exceed a one-year (1)
5 period or a leave of absence in two (2) semester periods. Said
6 seven (7) years of consecutive service shall be preceding the
7 granting of the leave. (Education Code 44967) Not more than
8 one (1) full year's leave shall be granted in each seven (7) year
9 period.

10 6.13.2 The number of bargaining unit members absent on sabbatical
11 leave at any one (1) time shall not exceed one percent (1%) of
12 the total number of bargaining unit members employed at the
13 time the application was made.

14 6.13.3 Sabbatical leave applications must be submitted to the bargain-
15 ing unit member's principal or immediate supervisor no later
16 than four (4) months prior to the end of the semester immediate-
17 ly preceding the leave. The application is then forwarded to the
18 Director of Human Resources. A committee consisting of four
19 (4) representatives chosen by the Exclusive Representative, five
20 (5) management representatives, including the appropriate sub-
21 ject area coordinator, shall screen applications and recommend
22 candidates to the Superintendent for consideration by the Board
23 of Trustees. Whenever possible, the Board will take action on
24 Sabbatical Leaves within thirty (30) days of receiving the Super-
25 intendent's recommendation.

26 6.13.4 Distribution of leaves will be weighed against the following cri-
27 teria, listed in order of significance and importance:

28 6.13.4.1 Specific purpose of the sabbatical leave with the
29 written endorsement of at least one (1) person
30 stating that:

31 6.13.4.1.1 There is a District or school
32 need to be served by the purpos-
33 es of the sabbatical; and

6.13.4.1.2 To the extent possible opportunity will be provided at the site supervised by said management person for results of the sabbatical to be implemented by the applicant and evaluated by the appropriate management person.

6.13.5 Terms and conditions of the leave shall mutually be agreed upon in writing and shall include, but not be limited to, an indemnification bond for failure to successfully complete the sabbatical program or to render the necessary post-leave service, a stipulation to a post-leave service of not less than two (2) full years of a full year of leave, and one (1) full year for a half year of leave, the description of the sabbatical program, and appropriate reporting procedures as may be designated by the Superintendent.

6.13.6 If death prevents the bargaining unit member from fulfilling the agreement to return to the service in the District, no repayment of salary will be required of the bargaining unit member's estate.

6.13.7 Incremental credit will be given for paid sabbatical leave taken.

6.13.8 The Board shall pay bargaining unit members who are on a full year's leave 50% of their salary if they have seven (7) years of service to the District, or 60% of their salary if they have fourteen (14) years of service to the District, exclusive of extra-duty pay. If the leave is for less than a year, bargaining unit member's pay will be pro-rated. Payroll deductions will continue during the period of leave as will provisions of applicable benefits.

6.13.9 Willful failure to complete the sabbatical leave requirements as agreed upon will be considered insubordination and grounds for instituting dismissal proceedings. The Credentials Commission of the California State Department of Education shall also be alerted for possible credential revocation.

ARTICLE 7

Transfers

7.1 A transfer is a move from one (1) full-time unit position to another at a different site.

7.2 Voluntary Transfers

Bargaining unit members may apply for transfer to a different site or any specific tentative opening by filing the transfer request form with the District. Following a fair interview procedure of a reasonable number of candidates, selections shall be made based solely upon the applicant's ability to meet the educational needs of the school and/or of the students with due regard for the applicant's qualifications and record of service with the District. The final selections, which shall not be arbitrary or capricious, shall be made by the Superintendent or designee. The District shall acknowledge receipt of the voluntary transfer request form within a reasonable amount of time. All applicants for a specific tentative opening will be notified electronically after the opening is filled. The District shall maintain a list of open positions on an internet link on the District web page, which will be updated as openings occur.

7.2.1 No later than the first workday in April of each year, the District shall publish and post tentative certificated openings for the next school year. Those tentative openings which are not known by the first workday in April will be published and posted five (5) working days before the end of the school year.

7.2.2 Bargaining unit members may apply for transfer to a different site or any specific tentative opening by filing the transfer request form with the District prior to March 1. Transfer request forms shall be made available to bargaining unit members, including those on leave, at all District sites. The transfer request form shall include space for information necessary to implement this policy and must be completed by any bargaining unit member who desires to apply for a listed opening. Upon request, those who apply for such a transfer will receive a copy

of the "transfer list" prior to the end of the school year. The list of persons requesting transfers shall remain in effect until the 20th day of the subsequent school year.

7.2.3 As openings occur subsequent to April 1st, the District shall post all job openings electronically.

7.2.3.1 Applicants for a specific tentative opening may apply after April 1 and before the start of the school year and will be considered for the specific opening for which they apply.

7.2.4 If a transfer offer is made for the upcoming school year on or before July 20, an applicant has up to five (5) weekdays or until July 25, whichever is earlier, to accept the offer in writing or by e-mail. In no case will the applicant have fewer than three (3) weekdays to respond. If a transfer offer is made after July 25, the applicant has three (3) weekdays to accept. Once the offer is accepted, the transfer is mutually binding. Failure to respond is considered a decline of the offer.

7.3 As specified in Education Code 35036 (a), the superintendent of a school district may not transfer a teacher who requests to be transferred to a school offering grades 1 to 12, inclusive, that is ranked in deciles 1 to 3, inclusive, on the Academic Performance Index if the principal of the school refuses to accept the transfer.

7.4 Involuntary Transfers

Involuntary transfers may be made when there is a need to reduce staff at the school from which the transfer is made or the transfer may be initiated by the Superintendent/designee when based exclusively on the legitimate educationally-related needs of the District. The District's selection of transferees will be made with due regard for the bargaining unit member's qualifications, credentials, record of service with the District, the Education Code and will not be arbitrary or capricious.

1 7.4.1.4 Any bargaining unit member with permanent
2 status having been involuntarily transferred un-
3 der 7.4.1 shall be treated as a priority transfer
4 the following year for one year.

5 7.4.1.5 The Superintendent/designee shall consult with
6 the Association President/designee with respect
7 to and prior to the implementation of
8 involuntary transfers.

9 7.4.2 Involuntary Transfers Due to Educational Needs

10 7.4.2.1 "Educationally-related needs" as used below in-
11 cludes special program needs, the need to main-
12 tain staff makeup, conflicts in a department, etc.

13 7.4.2.2 Involuntary transfers may be made by the
14 Superintendent or designee when the school has
15 need for the particular skills or competencies of
16 the bargaining unit member being transferred
17 and when no individual with equal
18 competencies volunteers to transfer.

19 7.4.2.3 The District shall provide reasonable
20 forewarning to candidates for involuntary
21 transfer.

22 7.4.2.4 Bargaining unit members being transferred in-
23 voluntarily shall be given the opportunity to ex-
24 press a preference for the school and position to
25 which transfer is made.

26 7.4.2.5 The Superintendent/designee shall consult with
27 the Association President/designee with respect
28 to and prior to the implementation of an invol-
29 untary transfer. Such consultation shall specify
30 the educational need(s) and confirm that such
31 transfer is not arbitrary or capricious.

1 7.5 Priority Transfers

2 A full time bargaining unit member who requests a transfer for two (2)
3 consecutive years and does not have the transfer granted shall be
4 guaranteed a transfer upon his/her third consecutive request. This
5 guarantee shall be dependent upon the existence of open positions for
6 which the bargaining unit member is "credentialed and qualified" and shall
7 be subject to the provisions of Education Code 35036.

8 7.5.1 A bargaining unit member may request a particular placement
9 and/or assignment; however, a bargaining unit member is only
10 guaranteed a position, not a specific site or assignment. If a
11 position is offered and rejected by the bargaining unit member,
12 the bargaining unit member loses priority transfer rights. For
13 the purposes of this provision, a bargaining unit member who
14 submits his/her third request and finds that there are no openings
15 available shall be entitled to submit subsequent requests on a
16 consecutive year-by-year basis until an appropriate opening
17 becomes available.

18 7.5.2 As specified in Education Code 35036 (b), the governing board
19 of a school district may not adopt a policy or regulation, or enter
20 into a collective bargaining agreement, that assigns, after
21 April 15 of the school year prior to the school year in which the
22 transfer would become effective, priority to a teacher who
23 requests to be transferred to another school over other qualified
24 applicants who have applied for positions requiring certification
25 qualification at the school.

26 7.5.3 A bargaining unit member who has been served with a notice of
27 unprofessional conduct or incompetence as specified in Educa-
28 tion Code Section 44938, or where the most recent evaluation
29 has been unsatisfactory, or where the member is currently in a
30 remediation program shall not be eligible for transfer under this
31 section. Should a bargaining unit member who is otherwise
32 qualified for transfer under this provision be exonerated of
33 charges pursuant to the dismissal provisions (specified in the
34 Education Code) for permanent employees, or be exonerated of

the unsatisfactory evaluation rating through the grievance procedure, he/she will be eligible to apply for this priority transfer upon determination of his/her case.

7.5.4 For the purpose of this section, the term "credentialed and qualified" means possession of an appropriate California Credential authorizing service in the subject area in which the bargaining unit member has requested a transfer. In the case of a General Secondary Credential or a multiple subject credential, experience teaching in the given subject area for at least one (1) semester in the last ten (10) years shall be required.

7.5.5 Before a bargaining unit member who qualifies for a priority transfer is offered an assignment at another site, the Association and the District will meet and confer. The same timelines for acceptance apply as in Section 7.2.4.

7.6 Open Position(s)

7.6.1 Full-time, non-teaching, bargaining unit positions which become available during the course of the school year will be opened and the positions and qualifications posted to the entire bargaining unit.

7.6.2 Part-time non-teaching bargaining unit positions which become open during the course of the school year may be filled "in-house" for the duration of the school year. Should such position(s) exist the pursuant year, the position(s) of 0.6 FTE or greater will be opened and posted to the entire bargaining unit at the end of the school year in which the position(s) originally occurred. Positions of less than 0.6 FTE will be advertised at the site at which they occur.

7.7 Split Assignments

Bargaining unit members normally assigned to one (1) school who, on a daily basis, are subject to a split assignment between sites, shall teach no more than four (4) periods in a school day unless otherwise requested by administration and agreed upon by the bargaining unit member. The bar-

gaining unit member shall have a travel period as part of his/her working day. If a bargaining unit member is assigned to three (3) or more sites per day, one (1) travel period will be assigned. If the total travel time is more than one (1) hour per day, a timecard will be provided for the travel time over one (1) hour.

7.7.1 Bargaining unit members on a split assignment between sites may agree to teach a fifth period class for which they will be paid at the per diem rate for the assigned instructor during the period of time that the extra period is deemed necessary by administration.

ARTICLE 8

Assignment/Reassignment

8.1 Assignment is the initial placement of a newly-hired bargaining unit member or the yearly placement within the department to which the bargaining unit member is assigned.

8.2 Reassignment is the placement of a bargaining unit member in an assignment within a different department at the same school site.

8.3 Reassignments will not be arbitrary or capricious. Such placements must conform to Education Code and credential requirements.

8.4 When a bargaining unit member is reassigned for disciplinary reasons, the district will follow the provisions set forth in Article 27.

8.5 The District will make every effort to balance teacher schedules so that equal opportunity is afforded all bargaining unit members who request to teach all levels of courses, regardless of seniority.

8.5.1 The process by which bargaining unit members are considered for such assignments will include consultation with the appropriate parties involved in the particular instructional area. These parties may include department chairpersons, other subject area leaders, other administrators, SACs, evaluators, and any of the individuals who have made specific requests for certain course assignments. This process will also include examination of the qualifications, credentials, training and experience of the individuals who are candidates for the position.

8.6 The District will make every effort to accommodate request/s by bargaining unit members to be reassigned from one department to another within a school site. The process by which bargaining unit members are considered for such reassignment shall parallel the procedures used in implementing Article 8.5.

ARTICLE 9

Layoffs

9.1 Consistent with the Education Code provisions concerning layoffs, the District will honor seniority as required by Education Code 44955. As provided in the Education Code, the District will adopt a method of breaking ties in a layoff. On a "particular kind of service" layoff after credential authorization or ELL or bilingual authorization, seniority shall be the sole determinant when there is no conflict with applicable Education Code Provisions or Affirmative Action as prescribed by a court of competent jurisdiction.

9.2 The District will concurrently notify the Association of its intention to implement layoffs (March 15 notice) for bargaining unit members and invite the Association to discuss this decision with the District including its nature and impact.

9.3 The District will provide the Association copies of relevant non-confidential documents concerning the layoffs.

9.4 If and when the procedure for layoffs is finally determined to be in the scope of representation, the District agrees to meet and negotiate a procedure with the Association.

9.5 Bargaining unit members who are reassigned or transferred as a result of a reduction in force for a particular job position or department shall have the right of first refusal to such positions as they are restored.

9.5.1 The first criterion for ranking rights of members to a restored position shall be years of District service in that position (or department).

9.5.2 In the event that a tie exists, the first tiebreaker shall be past service (in the last three years) in that position (or department) at the site of the restored position.

9.5.3 The second tiebreaker shall be District seniority, based on date of hire.

- 1 9.5.4 If a tie still exists, it will be decided by flip of a coin.
- 2 9.6 If a mid-year reassignment due to a reduction in force of particular kinds
3 of service leads to a more senior member being moved (due to the less
4 senior member's credential status), the District shall not offer the less sen-
5 ior member that position for the following year without first offering the
6 position to the more senior member.
- 7 9.7 Part-time positions, or the partial restoration of positions, shall also follow
8 the above right of first refusal.
- 9 9.8 A person, having served as a temporary teacher, shall be considered for
10 subsequent employment prior to consideration of new applicants.
11

ARTICLE 10

Summer School

10.1 If and when summer school is authorized by the Board of Trustees, the following rules will apply:

10.1.1 In consultation with the Association, the District will draft a summer school calendar prior to February 1.

10.1.2 Bargaining unit members will be notified of the existence of summer school employment no later than five (5) working days after the Board of Trustees has authorized summer school. Qualified bargaining unit members will be given preference in hiring over other applicants.

10.2 Bargaining unit members selected for summer school positions will be offered summer school employment when student registration justifies such employment. The bargaining unit members' services will be used only if class enrollments continue to meet District standards.

10.3 The summer rate of pay is set forth in Appendix B.

10.4 Summer school teaching/counseling assignments shall be filled for a particular site by applicants from that site first. Bargaining Unit Members from other sites will be prioritized over non-district applicants.

10.5 A bargaining unit member who designs a particular course to be taught during summer school will be offered the first priority appointment provided that the teacher's credential(s) authorizes services in the subject area of the course.

10.6 A bargaining unit member who recruits students or who works with staff to recruit students to the extent necessary to meet District requirements for a particular course will be offered the first appointment, provided that the teacher's credential(s) authorizes services in the subject area of the course. Nothing in Articles 10.5 and 10.6 will compel the District to authorize summer school.

1 10.7 When qualifications in sections 10.4, 10.5 and 10.6 are equal, as deter-
2 mined by the District management person in charge of summer school,
3 then selection shall be made by the Principal or designee.

4 10.7.1 By April 1, the District will send out applications for summer
5 school. Interested teachers will return the completed applica-
6 tions to the District office no later than May 1.

7 10.7.2 The application shall be maintained by the District management
8 person in charge of summer school.

ARTICLE 11

Evaluation Procedure

11.1 Temporary Teachers

11.1.1 Every temporary teacher hired before the second semester shall be evaluated once during the school year.

11.1.2 Written comments given to temporary teachers by the administration may be completed upon the District provided Evaluation—Temporary form.

11.2 Probationary Teachers

11.2.1 Every probationary teacher shall be evaluated by the administration at least once each school year, not later than the end of the first semester.

11.2.2 A conference and written summary evaluation letter shall be completed not later than ten (10) working days after the evaluation of probationary teachers unless an extension is mutually agreed upon.

11.3 Permanent Teachers

11.3.1 Every permanent teacher shall be evaluated not less than every other year.

11.3.1.1 A unit member with permanent status who has been employed at least ten (10) years with the District, and is highly qualified (if appropriate) as defined in 20 U.S.C. 7801 (ESEA) and whose previous evaluation rated the employee as meeting or exceeding standards, evaluator of record placed the unit member off-track, shall be evaluated every five (5) years if the unit member and the evaluator consent to this schedule. Either party may withdraw consent after the first off-track year with written notice no later than the fifth working day of the school year, in which the bargaining unit member will be evaluated. The Superintendent/designee will consult with the Association President/designee with respect to and prior to

the withdrawal of the consent. Withdrawal of consent by either party shall not be subject to the grievance procedure.

11.3.2 Every permanent teacher who is not on remediation or on the unsatisfactory evaluation track shall be notified in writing of his/her status as on-track or off-track. This notification shall take place by September 15 of any given year. Such notice shall identify the teacher's administrator of record. Accompanying this notification will be the self-evaluation profile for completion by the on-track bargaining unit member. A list by site of permanent/non-permanent teachers to be evaluated shall be provided to the ESTA President.

11.3.3 On-track self-evaluation profiles shall be completed by all on-track permanent teachers and returned to the administrator of record no later than September 30 of any given year.

11.3.4 On-Track Procedure

11.3.4.1 At any time before November 1, any permanent teacher who is on-track may request of the principal/director that the administrator of record be changed. Should the principal/director agree that a change of evaluator is warranted, such change will be made before any formal work on the evaluation begins. If the administrator of record has not been changed then the permanent teacher can appeal the decision to the Director of Human Resources.

11.3.4.2 Administrators shall schedule intake interviews with on-track permanent teachers. The Evaluation Option Plan shall be completed at this meeting. All intake interviews shall be completed by November 1 of any given year.

11.3.4.3 The administrator of record and the teacher may agree to a non-traditional evaluation. Otherwise, the default is a traditional evaluation.

1 ation. A plan for completion of the evaluation must be identified
2 in the intake interview on the Evaluation Option form.

3
4 11.3.4.3.1 **Non-Traditional Evaluation** – A teacher may work as
5 an individual or as a member of a team to complete a
6 non-traditional evaluation project reasonably related to
7 his or her subject area and expertise. This may be pro-
8 ject-based, portfolio-based, experiment-based or per-
9 formance-based.

10
11 11.3.4.3.1.1 Should a permanent teacher be unable to
12 complete the non-traditional evaluation,
13 the default process will be a traditional
14 evaluation.

15
16 11.3.4.3.2 **Traditional Evaluation** – A permanent teacher select-
17 ing this method of evaluation will participate in a pre-
18 observation conference, a full-period observation and a
19 post-observation conference. The result of this process
20 will be a summary letter of evaluation written by the
21 administrator of record. The administrator of record
22 and the teacher shall meet in the pre-evaluation confer-
23 ence and mutually agree to the elements upon which
24 the evaluation is to be based. These elements shall be
25 based upon the California Standards for the Teaching
26 Profession (see “Forms”) and include: 1) objectives
27 set for the specific lesson(s) to be observed, 2) means
28 for assessing whether these objectives were met, and
29 3) a review of how this lesson fits into the overall cur-
30 riculum.

11.3.4.3.2.1 The bargaining unit member and the evaluator shall make a good faith attempt to reach mutual agreement on the member's goals and objectives. To the extent the evaluator and the bargaining unit member disagree, the evaluator shall state reasonable goals and objectives by which the member is to be evaluated. The bargaining unit member may specify his/her positions, in writing, to be attached to the Evaluation documents, including any constraints which the member believes inhibit his/her ability to meet the stated goals and objectives. Any dispute concerning the reasonableness of the goals and objectives stated by the evaluator may be grieved as provided in Article 13 of this Agreement.

11.3.4.3.2.2 The evaluator will notify the on-track bargaining unit member of the date and period when the formal observation will take place.

11.3.4.3.2.3 The summary letter shall be submitted to the bargaining unit member no more than 10 working days after the formal observation, unless an extension is mutually agreed to on the Evaluation Option Plan.

1 11.3.4.3.2.4 Upon receiving the formal observation
2 letter, the unit member will sign and date
3 it, acknowledging receipt of the docu-
4 ment. The unit member will be provided
5 the opportunity to attach a written re-
6 sponse that shall become part of the
7 permanent record.
8

9 11.3.4.4 All aspects of non-traditional or traditional evaluations, except for
10 the exit interview, must be completed by April 15 of any given
11 year unless mutually agreed to by the bargaining unit member and
12 the administrator of record. Any extension of these dates must be
13 made in writing on the Evaluation Option Plan not later than
14 April 15.
15

16 11.3.4.5 An exit interview will occur for each on-track permanent employee
17 not later than April 30 of the evaluation year, unless mutually
18 agreed to in writing on the Evaluation Option Plan.
19

20 11.3.4.6 The Evaluation Option Plan must be completed for all on-track
21 bargaining unit members, signed and dated by both the member
22 and the administrator of record, before the original is sent to the
23 Human Resources Office for placement in the personnel file.
24

25 11.3.4.7 At the exit interview, bargaining unit members must be told of
26 their status for the following year: off-track, on-track or on reme-
27 diation, or unsatisfactory track. If the unit member meets all of the
28 criteria in 11.3.1.1, his or her status for the following four (4) years
29 will be off-track, with the fifth year designated as on-track.

1 11.3.5 Placement on the Remediation Track

2
3 11.3.5.1 A permanent employee must have been on-track immediately prior
4 to being placed on remediation.

5
6 11.3.5.2 Prior to placing a permanent employee on remediation, the admin-
7 istrator of record must meet the following requirements:

8
9 11.3.5.2.1 The administrator of record must observe the perma-
10 nent teacher at least two (2) times in the first semester,
11 with no observation occurring within five (5) working
12 days of another observation.

13
14 11.3.5.2.2 The administrator of record must observe the perma-
15 nent teacher at least three (3) times in the second se-
16 mester, with no observation occurring within five (5)
17 working days of another observation.

18
19 11.3.5.2.3 All second semester observations must be completed
20 by April 15.

21
22 11.3.5.2.4 At the conclusion of each observation, and within five
23 (5) working days, a written communication identifying
24 both weaknesses and recommendations for correction
25 of these weaknesses shall be sent to the permanent
26 teacher.

27
28 11.3.5.2.5 A formal evaluation must be completed in each semes-
29 ter prior to the permanent teacher being placed on re-
30 mediation.

11.3.5.2.6 The second formal evaluation must be completed by April 15 but not before March 1. This formal evaluation must occur after the second semester observations have been completed.

11.3.5.2.7 If the teacher is to be placed on remediation, the second summary letter, completed within five (5) working days of the formal evaluation, shall identify the permanent teacher's performance as "unsatisfactory" and "needing remediation."

11.3.5.2.8 At the permanent teacher's exit interview, the bargaining unit member shall be notified of his/her status for the following year as "on remediation."

11.3.5.2.9 If a permanent teacher is going to be placed on remediation, neither the administrator of record nor the bargaining unit member may waive the timelines for completion of the evaluation process during the on-track year.

11.3.6 Remediation Year

11.3.6.1 A Remediation Plan must be completed by the administrator of record, and the permanent teacher must be notified of the plan no later than the fifth working day of the school year in which the bargaining unit member will be on remediation.

11.3.6.1.1 The administrator of record will attempt to meet and share the remediation plan with the permanent teacher in person; however, should the bargaining unit member

1 be unavailable, the remediation plan shall be mailed,
2 by registered mail, to the last residence address the site
3 administration has for the member. This letter shall be
4 postmarked no later than the fifth working day of the
5 school year in which the bargaining unit member will
6 be on remediation.

7
8 11.3.6.2 Permanent teachers on remediation shall participate in an assis-
9 tance program, which the District will provide. Exemplary teach-
10 ers will assist the teacher on remediation in the areas of subject
11 matter knowledge, teaching strategies, classroom management and
12 teaching methodologies, as appropriate. This assistance is support-
13 ive in nature and in no way evaluative.

14
15 11.3.6.3 During the course of the year in which the bargaining unit member
16 is on remediation, the administrator of record shall complete at
17 least five (5) observations and one (1) formal evaluation each se-
18 mester. No observation shall occur within five (5) working days of
19 another observation.

20
21 11.3.6.3.1 Observations in the second semester shall precede the
22 formal evaluation.

23
24 11.3.6.3.2 Observation feedback shall be provided within five (5)
25 working days of the observation and shall refer to the
26 progress made towards the goals identified in the Re-
27 mediation Plan.

28
29 11.3.6.3.3 The second semester formal evaluation shall be com-
30 pleted by April 15.

1 11.3.6.4 By April 30 of the remediation year, the bargaining unit member
2 shall be placed on-track, on remediation or on the unsatisfactory
3 evaluation track for the following year. Such determination is
4 made by the administrator of record noted on the Remediation
5 Plan, filed with the Human Resources Office and placed in the bar-
6 gaining unit member's personnel file.

7
8 11.3.6.4.1 A permanent teacher who has successfully completed a
9 year of remediation, as identified by the administrator
10 of record on the Remediation Plan, shall be placed on-
11 track for the subsequent school year.

12
13 11.3.6.4.2 A permanent teacher who has been partially successful
14 during the remediation year, as identified by the ad-
15 ministrator of record on the Remediation Plan, shall be
16 placed on remediation for the subsequent year.

17
18 11.3.6.4.3 A permanent teacher, who has been unsuccessful dur-
19 ing the remediation year, as identified by the adminis-
20 trator of record on the Remediation Plan, shall be
21 placed on the "Unsatisfactory Evaluation Track."

22
23 11.3.6.5 If the permanent teacher who is on remediation is going to be
24 placed on the unsatisfactory evaluation track, the second semester
25 summary evaluation letter shall identify the bargaining unit mem-
26 ber's performance as "unsatisfactory."

27
28 11.3.7 Unsatisfactory Evaluation Track

29
30 11.3.7.1 The Board of Trustees shall receive the name and evaluation record
31 of any bargaining unit member placed on the unsatisfactory evalua-

tion track no later than the first Board of Trustees' meeting of the new school year. The Board will approve the concerted efforts of the site and district administration to either remediate or dismiss the permanent teacher placed on the unsatisfactory evaluation track.

11.3.7.2 Consistent with the Education Code, a permanent teacher on the unsatisfactory evaluation track may find himself/herself facing dismissal proceedings. At any point, the bargaining unit member who shows a good faith effort at correcting the deficiencies may be removed from the unsatisfactory evaluation track and placed on remediation. Such determination shall be made at the discretion of the District.

11.4 Non-Classroom Bargaining Unit Member Evaluations

11.4.1 The procedures for evaluation identified in sections 11.1 through 11.3 shall apply to non-classroom bargaining unit members. However, it is acknowledged that non-classroom bargaining unit members' evaluations shall be based on their job descriptions and/or the job parameters established for their assignments.

11.5 Grievance and Evaluation

11.5.1 Prior to an evaluation becoming part of the permanent record, the bargaining unit member shall have the right to file a grievance on the procedure of the evaluation. The summary letter, once the grievance is filed within the specified time limit, shall be maintained in the grievance file until the grievance is resolved.

1 11.5.2 Filing a grievance on the procedure of the evaluation does not preclude the
2 administrator of record and district from continuing the evaluation process,
3 including placing a bargaining unit member on remediation or unsatisfactory
4 track.

5
6 11.5.3 If the grievance is found in favor of the grievant at level 2 and by agreement
7 of the District, or at level 3, all documents involved in the evaluation pro-
8 cess shall be returned to the grievant. Should this ruling or decision occur
9 within the first semester, the bargaining unit member shall be placed on-
10 track for the remainder of the school year unless otherwise stipulated by an
11 arbitrator.

12
13 11.5.4 The bargaining unit member will have the right to use District Policy 4161
14 to seek redress on any concerns regarding the evaluations that are outside the
15 scope of the grievance procedure.

Personnel Files

12.1 No materials other than standard record keeping material shall be placed in a bargaining unit member's personnel files without first making a copy available to the bargaining unit member (Education Code 44031). The District shall provide a copy to the Association of any non-evaluative letter placed in a member's file at the same time such letter is placed in the file. The member shall have the right to opt out of this provision in writing.

12.2 Upon written authorization by the teacher, a representative of the Association shall be permitted to examine and/or obtain copies, at the bargaining unit member's expense, of materials in such teacher's personnel file. Said bargaining unit member shall have the right to inspect any personnel files pertaining to him/her at any time during business hours.

12.3 The person/persons who draft and/or place material in a teacher's personnel file shall sign the material and signify the date on which the material was drafted.

12.4 Access to personnel files shall be limited to the members of the District administration on a need-to-know basis. Board members may request the review of a teacher's file at a duly constituted personnel session of the entire Board. The contents of all personnel files shall be kept in the strictest confidence.

12.5 The East Side Union High School District, in its employment relationship with certificated bargaining unit members, shall in all respects continue to abide by the collective bargaining agreement language as specified in this Article. Further, it is noted by the District that each bargaining unit member has specific statutory rights provided for and guaranteed by the Fifth and Fourteenth Amendments to the Constitution, and by case law including, but not limited to, *Skelly v. State Personnel Board* (1975), *Weingarten v. NLRB* (1975), *Miller v. Chico* (1979), and Education Code 44031, 44663, 44664. It is further understood that these rights apply to all files, including electronic files. The District further agrees to inservice adminis-

1 trators annually on the above issues and to make clear that all personnel

Grievance Procedure

13.1 A "grievance" is a formal written allegation by a bargaining unit member or the Association acting on behalf of a named bargaining unit member(s) that there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. Actions to change the policies of the District or administrative regulations and procedures must be undertaken under separate legal processes. Other matters for which a specific method of review is provided by law, with exception noted below, are not within the scope of this procedure.

13.1.1 Bargaining unit members with concerns or complaints outside the terms of this Agreement have available District Policy 4161 which provides an opportunity for redress.

13.2 A grievance cannot be filed on, and this grievance procedure does not apply to, the content of evaluation of members of the unit, except for alleged violation of procedural matters.

13.3 A "grievant" may be any bargaining unit member of the District covered by the terms of this Agreement.

13.3.1 A group grievance is a grievance which involves the same or similar factual situation and the same District management employee, provided the claim is signed or initialed by those involved in the group grievance.

13.4 A "day" is any day in which the District Office is open for business. A "school day" is any bargaining unit member's mandatory working day.

13.5 The "immediate supervisor" is the management person having jurisdiction over the grievant as designated by the District.

13.6 Level 1

Within ten (10) school days after the occurrence of the act or omission giving rise to the grievance, the grievant shall notify his/her immediate supervisor, in writing, of his/her intent to file a grievance. After this written notification, the parties have ten (10) days to resolve the issue. The parties are encouraged to solve the issue informally, and if this is not successful, to have a formal Level 1 meeting which will, at the grievant's request, include an Association site representative and to which the Director of Human Resources may be invited. Both parties shall make a good faith effort to resolve the issue at this level. A grievance resolved at Level 1 may be recorded on the Problem Resolution Form. If the issue is not resolved, the Grievance Form will be completed in order to proceed to Level 2.

13.7 If a grievance arises from act or omission on the part of a member of management at a level above the principal or immediate supervisor, the grievant shall submit such grievance in writing to the person(s) designated at the next highest level and the processing of such grievance will be commenced at Level 2.

13.8 Level 2

If the grievant is not satisfied with the disposition of his/her grievance at Level 1, he/she must, within five (5) school days (as documented by postmark or by e-mail date) of the conclusion of Level 1 present such grievance to the Director of Human Resources. The grievance shall be agendized for the Level 2 Grievance Panel review.

13.8.1 The Level 2 Grievance Panel, which shall be comprised of two (2) Association members and two (2) certificated administrators, shall meet the first Tuesday of each month, (October through May). All Level 2 grievances shall be handled during the month they are agendized.

13.8.2 No person who will be involved in the Level 3 process shall participate on the Level 2 Panel.

13.8.3 Level 2 Committee: By the second week of school the Association and District shall each compile a list of ten (10) people who are qualified and willing to participate on the Level 2 Panels. From this list and prior to the October panel hearing, the Association President and Director of Human Resources shall assign Panel members and alternates to particular hearing dates.

13.8.3.1 Training for Level 2 Committee Members: The twenty (20) members of the Level 2 Committee shall participate in a joint training process.

13.8.4 Level 2 Panel Reporting: At such time as the Panel makes a decision, the Director of Human Resources and Association President shall be informed by the full panel of said decision. Within five (5) days, the District shall deliver to the Association a written response to the Level 2 findings.

13.9 Level 3

If the Association chooses to move the grievance to Level 3, the Association shall notify the District of this determination, in writing, within ten (10) days from receipt of the District's response to Level 2 findings. Following such notification, the Association shall contact the appropriate arbitrating body within five (5) days. The Association may request that the District participate in State funded, non-binding mediation. If the Mediation is not successful, the timelines for arbitration remain intact. The Association may also request that the District participate in a Mediated Arbitration, which would be binding on the parties. Should Mediated Arbitration not be acceptable to the parties, the grievance will go to Arbitration that would be binding on the parties.

13.9.1 Should the grievance be submitted to Level 3, none of the paperwork submitted at Level 2 shall be used in the positions forwarded either by the District or the Association.

13.9.2 The Association and the District shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request the State Conciliation Service or American Arbitration Association

1 to supply a list of five (5) names of persons experienced in hear-
2 ing grievances in public schools. Each party shall alternately
3 strike a name until only one (1) name remains. The remaining
4 name on the list shall be the arbitrator. The Association shall
5 strike the first name. The hearing shall be conducted under the
6 rules of the American Arbitration Association in effect at the
7 time of the Arbitration. The fees and expenses of the arbitrator
8 and the hearing shall be borne equally by the District and the
9 Association. All other expenses shall be borne by the party in-
10 curring them. The arbitrator shall, as soon as possible, hear evi-
11 dence and render a decision on the issue or issues submitted to
12 him/her. If the parties cannot agree upon a submission state-
13 ment, the arbitrator shall determine the issues by referring to the
14 written grievance and the answers thereto at each step. The ar-
15 bitrator will have no power to add to, subtract from or modify
16 the terms of this Agreement or the written policies, rules, regu-
17 lations and procedures of the District. After a hearing and after
18 both parties have had an opportunity to make written arguments,
19 the arbitrator shall submit in writing to all parties his/her find-
20 ings and recommendations which shall be final and binding.

21 13.10 Reporting to the Board of Trustees: A bi-monthly report, jointly compiled
22 by the District and the Association, shall be made to the Board of Trustees
23 reviewing the status of grievances. This report shall be accepted at the
24 open session of the Board and may include discussion as an agenda item
25 report.

26 13.11 The Association will notify the District annually of its designated griev-
27 ance representatives who will receive time off from duties for the pro-
28 cessing of grievances past Level 1.

29 13.11.1 Whenever possible, the designated representative shall inform
30 his/her immediate supervisor at least twenty-four (24) hours pri-
31 or to his/her release from duties for grievance processing. Such
32 time off shall be limited solely to representing a grievant in a
33 conference with a management person, beyond Level 1, and

1 does not include use of time for matters such as gathering in-
2 formation, interviewing witnesses, or preparing a presentation.

3 13.12 If a grievance is not resolved by the end of the school year, and the
4 grievant is unable to carry it through the vacation period, it shall be con-
5 tinued to the next contractual year. Upon resumption of the procedure, the
6 time limits as agreed to in the grievance procedure shall be adhered to.

7 13.13 Should a grievance not be resolved by the end of the terminating dates of
8 the contract, the grievance procedure as set forth in this Agreement shall
9 remain in effect until resolution of said grievance.

10 13.14 The District's records dealing exclusively with the filing and processing of
11 a grievance shall be maintained separately from the grievant's personnel
12 file.

13 13.15 All records used in this grievance procedure which may come from per-
14 sonnel file(s) maintained by the District will be returned to those files
15 without indication that they had been used in this grievance procedure.

16 13.16 The Association as the Exclusive Representative reserves its Rodda Act
17 rights to represent named bargaining unit member(s), at the request of the
18 grievant(s), at any or all levels of the grievance process.

ARTICLE 14

Hours

14.1 The bargaining unit member's regular workday is seven (7) hours, exclusive of a duty-free lunch. A bargaining unit member's workday begins 15 minutes before the unit member's first assigned period and ends 7.5 hours later, which includes at least 15 minutes after the unit member's last assigned period. The assigned workday includes assigned periods, a preparation period and may include case management/resource period(s), collaboration/professional development sessions, testing sessions, and other special schedules. In no event shall a bargaining unit member's workday exceed seven (7) hours exclusive of a duty-free lunch. When a school is operating on a finals schedule, a bargaining unit member's workday will consist of assigned periods, including prep period, and fifteen (15) minutes before their first period and fifteen (15) minutes after their last period. On days when bargaining unit members are scheduled to work but the pupils are not scheduled to be present, the workday shall be the same length as indicated above for all bargaining unit members, with exceptions noted in 14.1.1. Exceptions to shorten workday(s) may be made only by the Superintendent or designee.

14.1.1 Those bargaining unit members, such as psychologists, nurses, speech language pathologists, social workers, etc., who are not held to supervision as designated in 14.2, will be at their assigned work stations for 7.5 hours, exclusive of a duty-free lunch.

14.1.2 Effort shall be made between the parties to create consecutive periods of teaching assignments for full time bargaining unit members who request part time status. Should the schedule be unable to accommodate such consecutive scheduling, the administrator will offer the bargaining unit member a full time assignment.

1 14.2 In addition to the workday indicated in 14.1 above, full-time bargaining
2 unit members shall participate in other duties for a maximum total of thirty
3 (30) hours, which shall include, but not be limited to: activities supervi-
4 sion, mandatory back-to-school night, site and District meetings, depart-
5 ment meetings, IEP meetings which cannot be scheduled during the work-
6 day and other assignments consistent with the Education Code and the pol-
7 icies and regulations of the District.

8 14.2.1 Part time bargaining unit members may be assigned supervision
9 for a percentage maximum consistent with their employment
10 status. Back-to-school night shall be a mandatory part of the as-
11 signed supervision hours.

12 14.2.2 Bargaining unit members and their immediate supervisors may
13 develop a modified supervision plan, which defines their super-
14 vision responsibilities for a given school year. Such responsibil-
15 ities may include use of the bargaining unit member's duty free
16 lunch, preparation time, and time immediately before or after
17 school. Participation by the bargaining unit member in such a
18 modified supervision schedule shall be voluntary.

19 14.3 All bargaining unit members shall be entitled to a duty-free lunch period
20 of at least thirty (30) minutes duration and at the same time as the lunch
21 period established for students. At the beginning of the school year, the
22 site administrator may assign some non-classroom bargaining unit mem-
23 bers, such as librarians, counselors or advisors, a lunch period at a time be-
24 fore or after the students' lunch period.

25 14.4 The number of scheduled workdays for bargaining unit members shall be
26 one hundred eighty-two (182), with the exception of positions listed in
27 Appendix C, Stipend Addendum for whom the work year is 192 days, and
28 Children's Center Instructors.

29 14.5 Flexible Schedule

30 This provision does not apply to advisors or librarians.

- 14.5.1 The intent of this provision is to provide flexibility for bargaining unit members whose primary work assignments involve supporting instruction. The adjustments to the work calendar made under this provision are for the purposes of conducting professional development.
- 14.5.1.2 To accommodate responsibilities that must be performed outside of the defined work year non-classroom bargaining unit members will submit a work calendar by July 1 of each year. All contractual days must be completed during the fiscal year (July 1 through June 30). The work calendar is subject to approval by the immediate supervisor. The employee may exchange regular work school days for days outside the regular school year. The calendar is subject to change based on mutual agreement.
- 14.5.1.3 Non-classroom bargaining unit members may adjust their work day within a specific work week, Monday through Sunday, with the approval of the immediate supervisor, to accommodate responsibilities that must be performed outside of the work week, such as evening or Saturday professional development.
- 14.5.2 Subject to approval of the immediate supervisor, bargaining unit members who are released at least 40% may adjust their work day in order to accommodate responsibilities that must be performed outside the standard work day. Adjustments in the work day must not impact instructional assignments.
- 14.5.3 Adjustments in the work schedule are in lieu of any additional compensation.

14.5.4 If a member utilizes this provision to adjust their work calendar, and cannot report on the alternative day due to unforeseen circumstance, appropriate leave will be deducted from the bargaining unit member.

14.6 All full time bargaining unit members for whom the high school principal is the immediate supervisor shall have a preparation period. The bargaining unit member's preparation period is intended to be used for professional purposes which may include but not be limited to the preparation of lessons, meetings with students, or carrying out other duties as assigned by the principal or designee when the need arises. Payment at the resident substitute rate will be paid to bargaining unit members who are assigned to supervise students during their preparation period.

14.6.1 All part time bargaining unit members shall be available for such duties and responsibilities as are identified in 14.6 proportionate to the percentage of their employment. Specific preparation hours and availability shall be agreed upon by the part time employee and his/her supervisor at the start of the semester in which the part time status begins. Should no agreement occur, the part time person will be available for a percentage of his/her preparation time during one (1) established period.

14.7 Bargaining unit members who are assigned to more than two (2) preparations for the ensuing year shall be notified by the Principal or designee(s) as to the reason for said assignment prior to making the assignment. For the purposes of this section, bilingual and sheltered courses constitute separate preparations. Combined courses taught during one (1) period are considered a single preparation. A preparation is a block of time with students for which one or more of the following holds:

- The bargaining unit member is responsible for reporting attendance.
- The bargaining unit member is required to give grades.
- The bargaining unit member cannot exclude a student without follow-up paperwork.

14.7.1 The District shall make every effort to assign bargaining unit members no more than three (3) preparations unless agreed to by the member and in consultation with the ESTA Building President.

14.8 The District and the Association agree to find a means by which they can provide certificated librarian services for each site excluding on-site continuation schools.

14.9 All teachers shall be notified of their tentative assignment for the ensuing school year on or before July 1. In departments with declining enrollment/staff, such notice may be "unassigned-pending staff determination." If any known changes should occur after July 1, the affected teachers shall be re-notified as to such changes as soon as possible.

14.10 Recognizing that teacher attendance is important to the continuity of instruction, the district will make every effort to conduct required workshops during special schedules or inservice days.

14.11 The District will make every effort to hire a new teacher whenever the need in a subject area at one (1) site reaches a .60 FTE. Should a suitable candidate not be available, sixth (6th) period assignments will first be offered to properly credentialed teachers. If the district offers the position to a temporary or probationary teacher, an ESTA representative will be involved in the process.

14.12 Department chairpersons shall be confirmed by a simple majority vote of all members within a department at each site. The principal will submit one (1) name (or more in the event of co-chairs) for a yes or no vote by the members of the department. Should a majority of the department members vote no, the principal shall submit one (1) new name (or more in the event of co-chairs) and proceed with the same voting process. If the vote results in a tie, the principal may cast the tie-breaking vote. The voting shall be by secret ballot. Voting shall be monitored by the site principal and an ESTA representative. Submission of names and voting shall continue until the selection is successful.

7 In addition, the maximum size of the following classes shall be:

8 ELL

9 LA 1, LA 2.....

10 LA 3, Reading 3.....

11 Bilingual/Sheltered

12 Magnet and special programs not listed above should use the class size of
13 the subject area that sponsored the class.

14 15.1.1 The intent of the District is to reduce the class size in Science
15 from 32 to 30. The District and the Association agree to study
16 options for funding and facility use to further this goal.

17 15.2 Every effort should be made at and between schools to bring all individual
18 class enrollments as close as possible to the department maximums listed
19 above. The parties agree that failure to meet the “every effort” standard by
20 the 17th workday leads to unnecessary disruptions in the educational pro-
21 cess, and an increased workload on teachers, counselors, and classified
22 staff and administrators. The parties agree that the “every effort” standard
23 outlined and refined in the succession of previous Arbitrators’ Awards,
24 and the requirement of the Collective Bargaining Agreement to bring all
25 individual class enrollments as close as possible to the department maxi-
26 mums listed in section 15.1, are met by a series of actions. Among the se-

1 ries of actions, mutually agreed to by the District and the Association, are
2 what follows below and further detailed in Appendix K.

3 15.2.1 A Class Size Committee shall be constituted immediately prior to
4 the beginning of each semester. The Committee shall have four
5 members chosen by the Association President and three members
6 chosen by the Superintendent/designee, plus record keepers as ap-
7 propriate. This Committee shall meet on workdays five (5), ten
8 (10), fifteen (15), and eighteen (18), or as close as possible to these
9 four dates. The meeting dates and times shall be set prior to the
10 first meeting and shall as nearly as possible accommodate the
11 scheduling needs of the parties.

12 15.2.2 School sites shall create a new course section of any course in each
13 case in which the total number of students enrolled in that course at
14 that site exceeds one half (1/2) of the departmental maximums
15 listed in Section 15.1 of the Collective Bargaining Agreement.

16 (a) Any exception to this requirement shall require written mutu-
17 al agreement of the District and the Association President.

18 (b) Site curricular initiatives such as “academies,” “interest
19 pathways,” “small learning communities,” and “magnets,”
20 which may have minimally different computer course codes
21 to be differentiated from one another on a site’s master
22 schedule, but which do not have different class size maxi-
23 mums, shall not be disaggregated to eliminate the require-
24 ment to adhere to the “every effort” standard.

25 (c) Creation of new sections shall occur no later than three busi-
26 ness days following the meeting of the Class Size Committee
27 which documents their need.

28 15.2.3 The completion of all class size balancing according to the “every
29 effort” standard shall occur by the end of the seventeenth (17th) day
30 of school each semester and continue thereafter for the remainder
31 of the semester. The District agrees to continue to open new class
32 sections as needed during each semester of the current school year,

pursuant to paragraph 15.2.2 above, unless rationale can be presented which is acceptable to the Association President that the opening of such new sections would either not ameliorate the problem or cause significant harmful disruptions in the schedules of students.

15.3 As soon as possible in July of each year, the District and the Association shall agree upon the choice of an arbitrator to be used should an expedited arbitration as described in section 15.4 become necessary. A date will be agreed to which falls as close as possible to the twenty-fifth (25th) day of the beginning of the first semester for the appearance of the arbitrator.

15.4 Before the seventeenth (17th) day of each semester, the District and the Association shall meet at the District Office or other mutually acceptable location to review current class size loads at every site. Agreement shall be reached about possible solutions for solving overages. These solutions shall be formally transmitted to every site within one (1) day, with a copy provided to the Association. The Associate Principal (APED) at each site shall respond to each proposed solution, with a copy provided to the Association. By the end of the twenty-first (21st) day of each semester, a review of the current master schedule by these same parties shall either yield agreement that compliance has been met, or, in the case of a disagreement, the grievance(s) relative to class size will be consolidated and heard according to the following "expedited" arbitration.

Procedure:

15.4.1 The Association shall contact the arbitrator to confirm the hearing date.

15.4.2 The hearing will be transcribed and the parties will be permitted to submit pre-hearing or post-hearing briefs to the arbitrator, provided a copy is simultaneously served on the representative of the other party.

15.4.3 The award, if any, of the arbitrator shall be binding on both parties.

- 15.4.4 If a hearing is called to resolve first semester issues, the arbitrator shall retain jurisdiction in Article 15 matters through the remainder of the school year. A date shall be set for the arbitrator's reappearance as close as possible to the twenty-second (22nd) day of the second semester. Costs of subsequent hearings with the arbitrator will be allocated according to the agreement in section 15.5.
- 15.4.5 Any of the above timelines may be extended by mutual written agreement.
- 15.5 The cost of the arbitration, except for representation fees, will be shared equally by the parties. Any of the above timelines may be extended by mutual written agreement.
- 15.6 If the Association cancels the arbitration, it will bear the Arbitrator's cancellation cost.
- 15.7 The Board of Trustees, following prior notification and concurrence of the Association President, reserves the right to exceed maximums in section 15.1 under exceptional circumstances (qualified certification of financial reports indicating fiscal distress of the District or a catastrophic event that significantly reduces physical capacity and/or certificated staff). The Association President agrees not to withhold or place conditions on concurrence unreasonably.
- 15.7.1 If this right is invoked, the remaining parts of the Article remain intact.
- 15.7.2 The District will take into consideration students with special needs, English Language Learners and other specialized programs.
- 15.8 If two (2) or more teachers from different departments voluntarily choose to pair or tandem teach, the maximum class size will be the average of the class size limits for those departments and will not affect class limits for other classes in those departments.

1 15.9 If a teacher voluntarily accepts an instructional aide, the class size limit
2 will be increased by five (5). The administration reserves the right to as-
3 sign an instructional aide to a teacher; should this occur, the class size lim-
4 it will not be affected.

5 15.10 On a voluntary basis, bargaining unit members may agree to teach six (6)
6 periods during one (1) semester and four (4) periods in the other semester.
7 A part-time bargaining unit member may teach more sections during one
8 (1) semester than the other. A full-time assignment is ten (10) periods per
9 school year.

10 15.11 Compensation Payments

11 The District shall begin calculating class size overage payments on the
12 eighteenth (18th) workday of either semester when class size maximums
13 are exceeded. The amounts shall include all students in excess of the max-
14 imums listed in Article section 15.1 at the rate of \$1 for each student per
15 each day. Compensation will be computed daily, and paid at the end of
16 each semester.

17 15.11.1 If team teaching or other forms of large group instruction are uti-
18 lized, those classes will not generate compensation pursuant to this
19 Article.

20 15.12 The department maximums cited in 15.1 may be exceeded if all the mem-
21 bers of a department agree in writing to waive the maximums or if a teach-
22 er and the Association agree in writing to waive the maximum. Such
23 waivers shall be made on a timely basis. The Association agrees not to
24 withhold such waivers unreasonably. These exceptions shall not be in-
25 cluded in the computation of department maximums or compensation.

26 15.12.1 The voluntary signing of class size waivers by teachers at a par-
27 ticular school and the accompanying signature of the Association
28 President may negate the requirement to create new sections pur-
29 suant to paragraph 15.2.2.

1 15.12.2 Notwithstanding Article 15.12 of the Collective Bargaining
2 Agreement, any unit member who waives a class size maximum
3 set forth in Article 15.1 shall continue to receive all class size
4 overage payments for all overages. The District's requirement is
5 to make class size overage payments and ~~for~~ continue to make
6 every effort at or between schools to bring all individual class en-
7 rollments as close as possible to the department maximums listed
8 above.

9 15.12.3 An "unwaived" class section shall be defined in this agreement
10 as a class section for which no valid class size waiver has been
11 signed by the teacher of record and the Association President.

12 15.12.4 When the total number of students in a particular course does not
13 require opening a new section, and yet there exist some unwaived
14 class sections of that course with enrollments over the depart-
15 mental maximums as given in section 15.1 of the CBA, the site
16 shall continue to adhere to the "every effort" standard whether di-
17 rected by the Class Size Committee or not.

18 15.12.5 All instances, in which the making of every effort does not result
19 in balanced classes, shall be reported on a case by case basis in a
20 written document by the site administration to the Superinten-
21 dent/designee and the Association President.

22 15.13 The maximum number of students assigned to each counselor will be 435.

ARTICLE 16

Permit Teachers

16.1 Notwithstanding any provision of this Agreement to the contrary, permit teachers in the bargaining unit will receive the rights, benefits, and restrictions consistent with the Education Code sections that apply to such teachers.

ARTICLE 17

Safety Conditions of Employment

17.1 Pursuant to section 49079 of the Education Code, the District shall inform, in writing, bargaining unit members of a pupil who has engaged in, or is reasonably suspected of engaging in a suspendable or expellable act listed in section 48900 of the Education Code. Such notification shall be prior to the student's return to class in the case of suspension or enrollment in a new site in the case of expulsion. A written description of the rights and duties of all administrators and teachers with respect to student discipline, including the use of corporal punishment and the rights of the suspended students, shall be included in the District's insert in the bargaining unit member's faculty handbook.

17.2 When, in the judgment of the bargaining unit member, a student requires the attention of the principal, assistant principal, counselor, psychologist, physician, or other specialist, or the safety conditions of the classroom or facilities require such attention, the bargaining unit member shall so inform the principal or immediate supervisor who shall immediately arrange reasonable steps for resolution as soon as possible.

17.2.1 If resolution is not reached at the site regarding safety conditions, bargaining unit members may refer such concerns to the District/ESTA Problem Solving Committee, which may include the Superintendent and/or designee, Cabinet, ESTA President, ESTA Grievance Chairperson and ESTA Bargaining Chairperson. The ESTA President or designee will report the results of the problem solving discussion to the bargaining unit member.

17.3 Teachers shall immediately report cases of battery, which they have suffered in connection with their employment to their principal or other immediate supervisor who shall immediately report the incident to the police.

1 17.4 Examinations for tuberculosis will be required of bargaining unit members
2 every four (4) years.

3 17.4.1 The District shall notify bargaining unit members in writing at
4 least three (3) months prior to the expiration of their TB certifi-
5 cation. Bargaining unit members who have not met this certifi-
6 cation requirement by their expiration date shall be warned in
7 writing and given ten (10) working days to meet this require-
8 ment. Upon expiration of ten (10) days, if this requirement is
9 still not met, the Director of Human Resources shall enter a let-
10 ter of reprimand in the bargaining unit member's file.

11 17.5 In an environment where students are expected to display an identification
12 badge, the District and the Association recognize the need to be able to
13 readily identify any person on any campus or the District Office who is a
14 District employee or legitimate visitor. To this end, bargaining unit mem-
15 bers agree to wear or carry an appropriate identification badge and produce
16 it when requested.

17 17.5.1 The badge will contain a picture of the employee, the employee's
18 name, title and work site. The District agrees to provide the badg-
19 ing service at no cost to the employee and the employee agrees to
20 wear or carry the badge while in the performance of district-related
21 duties. The Association understands that the wearing or carrying
22 of the identification badge is mandatory, and repeated failure to
23 wear or carry the badge may result in disciplinary action up to and
24 including placing a letter in the bargaining unit member's person-
25 nel file. Repeated failure to wear or carry the badge will not be
26 construed as insubordinate or unprofessional conduct.

1 17.6 Only qualified and trained personnel shall provide and conduct necessary
2 specialized health care procedures to high school students, including, but
3 not limited to: dispensing medication, catheterizations, crede, diapering,
4 injections, ileostomies, colostomies, gastrostomies, tracheostomy, suction,
5 oxygen administration, gavage feeding and draining. It shall not be ex-
6 pected that classroom teachers will perform these duties.
7

ARTICLE 18

Teaching Conditions

- 18.1 When District/school finances (as determined by appropriate administration) allow, the bargaining unit member will be provided with the necessary materials he/she will need to meet the educational goals of the District. Such materials should include, but not be limited to, a filing cabinet and desk located either in an office or classroom to which the bargaining unit member has reasonable access during the day and reasonable access to reprographics, clean restrooms, mailbox areas, electronic mail and voicemail. Bargaining unit members shall activate and access their District electronic mail account daily during a work day. Each bargaining unit member will be expected to communicate with parents using a method such as online tools, Teleparent, email, phone, or written communication. The second semester final grades are due at the end of the last teacher workday, except for senior failing grades which may be required earlier.
- 18.4 By October 1 of each school year, each principal shall establish a site-based decision making team. The purview of this team shall include, but not be limited to, substantive modifications, changes, alterations, or termination of local school policies, practices and procedures which may impact bargaining members' teaching conditions. Their duties may also include

researching and studying options for school improvement and developing restructuring processes. Examples include development of smaller learning communities, sustained silent reading programs or the development of academic programs that have an effect beyond the department. The Association's building president or designee shall hold a seat on this committee. The committee shall be solely responsible for its internal organization and procedures.

18.4.1 In order to meet the requirements of this section, site-based decision making teams shall be selected by one (1) of the two (2) following procedures:

18.4.1.1 The committee shall consist of the librarian, head counselor and department chairpersons selected according to the provisions of section 14.11 of this Agreement.

18.4.1.2 Committee members must be elected based on a democratic vote by all bargaining unit members at the site. Term shall be two (2) years.

18.4.2 The committee shall be comprised of at least five (5) bargaining unit members and shall be at a ratio of at least five (5) bargaining unit members to two (2) administrators.

18.4.3 The site principal shall be designated as the chairperson of the committee unless the principal agrees to relinquish the chair. Reports of the meetings of this group shall be made available to all site bargaining unit members.

18.4.4 Any issue that would alter the contractual agreement must follow the process established in Appendix H.

18.5 Whenever a volunteer is assigned to a bargaining unit member, it shall be done after consultation with the bargaining unit member. Prior to the bargaining unit member's acceptance of a volunteer, the District's Human Resources Office shall verify that the volunteer is authorized.

19.1.5 The bargaining unit member shall be paid a salary which is the pro-rata share of the salary the bargaining unit member would be earning had the bargaining unit member not elected to exercise the option of part-time employment. ARTICLE 21

No Strike, No Lockout

21.1 The Association and the District agree that differences between the parties hereto shall be settled by peaceful means as provided in this Agreement. During the terms of this Agreement, the Association, in consideration of the terms and conditions of this Agreement, will not engage in, instigate, or condone any strike, work stoppage or any concerted refusal to perform work duties, as required in this Agreement, and will undertake to exert its best efforts to discourage any such acts by any employees in the bargaining unit. During the term of this Agreement, the District, in consideration of the terms and conditions of this Agreement, will not authorize any lockout of Association members or other persons covered by this Agreement.

ARTICLE 22

Support of Agreement

ARTICLE 23

Effect of Agreement

23.1 It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over State Law to the extent permitted by State Law, and that in the absence of specific provisions in this Agreement, such practices and procedures are discretionary with the District. The District shall not preclude consultation on matters that have traditionally been the subject of professional involvement by bargaining unit members.

ARTICLE 24

Completion of Negotiations

24.1 The terms and conditions set forth in this Agreement represent the full and complete understanding between the parties hereto. The terms and conditions may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in a written amendment executed according to the provisions of this Agreement. This Agreement terminates and supersedes those past practices, agreements, procedures, traditions, and rules or regulations inconsistent with any matters covered herein. The parties agree that during the negotiations which culminated in this Agreement, each party enjoyed and exercised without restraint, coercion, intimidation, or other limitation, the right and opportunity to make demands and proposals or counterproposals with respect to any matter not reserved by policy or law from compromise through negotiations and that the understandings and agreements arrived at after the exercise of that right and opportunity are set forth herein. No further negotiations shall take place on any item within the scope of bargaining during the term of this Agreement except as specifically authorized herein.

ARTICLE 25

Term

25.1 This Agreement shall remain in full force and effect up to and including July 31, 2018, and thereafter shall continue in effect year by year unless one (1) of the parties notifies the other, in writing, no later than March 15, 2018, of its request to modify, amend or terminate the Agreement.

25.2 On or before April 1, 2016, both parties shall meet and negotiate in good faith. Any agreement reached between the parties shall be reduced to writing and signed by them.

ARTICLE 26

Compensation and Benefits

26.1 Any future negotiated and agreed on schedule increase in salary shall apply to all Appendix "A" unit member salary schedules and appendices "B", "C" and "D" unless otherwise noted in contract language.

It is agreed that Article 26.1 applies to the salary schedule named "CERTIFICATED JROTC SALARY SCHEDULE (182 DAYS), which is added to Appendix A.

26.2 The salary schedule for all bargaining unit members, except Children's Center Instructors, is set forth in Appendix A.

26.2.1 The salary schedule for Children's Center Instructors is set forth in Appendix D.

26.3 Teachers who serve for one (1) full school semester shall not receive less than one-half (1/2) the annual salary for their position on the salary schedule (Education Code 45041).

26.4 The payroll period shall be defined as monthly beginning with August, with the exception of Children's Center Instructors. Bargaining unit members shall have the option of receiving their salary on either a ten (10) or twelve (12) month plan.

26.5 The pay of any part-time teaching position will be the product of the number of teaching periods per day of the bargaining unit member times one-fifth (1/5) of the bargaining unit member's pay as placed on the teacher's salary schedule.

26.6 Bargaining unit members who qualify and are authorized by the District to perform service will be compensated pursuant to extra-duty categories and amounts listed in Appendix B.

26.7 In the event a bargaining unit member volunteers and takes on a sixth period assignment, compensation will be at the per diem rate for the assigned

instructor during the period of time that the extra period is deemed necessary by administration.

26.8 Resident substitutes shall be compensated at the rate indicated in Appendix B.

26.10 Funds, when available as determined by the Board, shall be allocated for summer school counseling to serve incoming ninth grade students, other students new to the District and to perform activities needed to meet the various needs of senior students.

26.11 Bargaining unit members who are required by the District to use their personal automobiles in the performance of regular duties and who have received prior approval from their immediate supervisor shall be paid at the Board approved rate.

26.12 A teacher's notification to the District of intention to resign shall remain revocable for no more than seven (7) calendar days and no less than five (5) days, inclusive of a weekend, following notification to the Association by the District. For purposes of this section, "notification" is defined as a telephone conversation or conference with the ESTA President or his/her designee or certified mail (receipt requested).

26.13 The District will pay medical and dental premiums for full-time bargaining unit members. Bargaining unit members employed on a half-time or more basis shall have their health and dental benefits paid consistent with this Agreement by the District. Bargaining unit members employed less than half-time may elect the health and dental benefits at a prorated cost.

26.13.1 For purposes of Article 26.13.1 and 26.13.2, "double coverage" and "double covered" shall mean when two District employees who are married or domestic partners are separately enrolled in

3 District employee who is also separately enrolled in the same
4 District offered HMO medical plan (Kaiser or Anthem) shall not
5 be double covered under any such District-offered plan. Such

10 covered under any District medical plan.

11
12 26.13.1.1 The unit member/employee with the earliest district
13 hire date shall be designated as the primary sub-
14 scriber under the same HMO plan.

15
16 26.13.1.2 If both parents are District employees, the eligible
17 dependent children will be covered by the same plan
18 designated by Article 26.13.1.1 above (the plan of
19 the parent with the earliest District hire date).

20
21 26.13.1.3 If two employees (spouses or domestic partners) are
22 covered under a plan and the employee who is cov-
23 ering the spouse and dependent child/children ter-
24 minates coverage, the dependent coverage may be
25 continued by the other covered spouse employee
26 with no Waiting Period as long as the coverage has
27 been continuous.

28 26.13.1.4 For those unit members in double coverage under
29 26.13.1 above as of the date of ratification, the Dis-
30 trict will establish an IRS-approved and District-
31 funded health reimbursement arrangement (HRA)

1 funded at an annual level of \$3,000/family to reim-
2 burse medical and prescription copays.

3 26.13.2 Married or domestic partner District employees currently cov-
4 ered by District-offered plans under two separate carriers may
5 remain with the separate carriers as long as the District contin-
6 ues to offer such plans. For the 2018-2019 school year the Dis-
7 trict will offer these members the option to change to the same
8 HMO plan (Kaiser or Anthem) and qualify for the HRA during
9 a special open enrollment period. Members must choose this
10 enrollment option no later than 30 days following ratification.
11 Once made, the election to change to the same HMO plan can-
12 not be reversed back to two separate plans. Except as provided
13 in this Article 26.13.2, no current or future unit member may be
14 double covered under two separate District plans.

15
16 26.13.3 ESTA will not be charged for medical benefits for members

15 pay through the District the cost of a District-offered medical plan to bar-
16 gaining unit members for the retiree's spouse or domestic partner at the
17 time of retirement.
- 18 26.23 All bargaining unit members retiring with retiree benefits after May 1,
19 1989 shall respond to a District created questionnaire that will be sent out

21 the benefits to be suspended.

23 surviving dependents of a deceased employee. For the purposes of this ar-
24 ticle, "surviving dependents" refers to all those persons who were covered
25 by the benefits prior to the bargaining unit member's death including chil-
26 dren who will be born within the six month time frame. The benefits cov-
27 erage shall be the same as what was provided prior to the employee's
28 death.
- 29 26.25 For 2006-2007, the District agrees to fund up to a 15% increase in
30 Average Per Member Health and Welfare Benefits Cost (see Appendix L).

1 If the increase is greater than 15%, the District and the Association agree

ARTICLE 27

Discipline

- 27.1 Notwithstanding any other provision(s) of this Agreement, no bargaining unit member shall be suspended, dismissed, reprimanded or disciplined without just cause and according to the principles of progressive discipline and due process. Furthermore, any bargaining unit member receiving an unsatisfactory performance evaluation shall be guaranteed these same rights.
- 27.2 Disciplinary penalties may be assessed only for just cause; however, any transfer, reassignment, reduction in rank or privilege used as penalties must be reasonably related to an appropriate remedy. Except as provided in article 14.11 of this Agreement, bargaining unit members will not be removed from their added instructional responsibilities outlined in Appendix C of this Agreement, for disciplinary reasons, without reasonable notice, fair investigation, and legitimate reason(s).
- 27.3 Any disputes arising out of this Article may be submitted to final and binding arbitration as provided in Article 13 of this Agreement.
- 27.4 Any proposed suspension or dismissal of a bargaining unit member shall be preceded by written notice of the right to appeal said action by filing a grievance as provided in Article 13 of this Agreement.
- 27.5 Any proposed suspension or dismissal of a bargaining unit member, except suspension under impelling circumstances, shall be stayed until completion of the grievance process if such action is challenged.
- 27.6 Permanent bargaining unit members may be discharged pursuant to the Education Code. Probationary bargaining unit members may be discharged consistent with the provisions of this Article.

ARTICLE 28

Public Complaint

28.1 No disciplinary action, negative and/or unsatisfactory evaluation, shall be taken based upon information received from a complaint from a member of the public or an employee of the District unless the following procedure has been followed.

28.1.1 The bargaining unit member will be advised of the existence and substance of the complaint within five (5) workdays of the receipt of the complaint.

28.1.2 Should either party or the administrator believe the allegations in the complaint warrant a meeting, the immediate supervisor shall schedule a meeting between the bargaining unit member and the complainant. If such a meeting is scheduled during the bargaining unit member's normal work time, the bargaining unit member will be released without loss of pay to attend the meeting. The complainant may be accompanied at such meeting by an advocate.

28.1.3 The bargaining unit member may respond to the substance of the complaint orally or in writing within ten (10) workdays after notification of the complaint. At any meeting called to discuss the complaint, the bargaining unit member may be represented by an Association representative.

28.1.4 Complaints which are withdrawn or shown to be false shall neither be placed in the bargaining unit member's personnel file nor utilized in any evaluation or disciplinary action against the bargaining unit member. Should the administrator determine that the substance of a complaint is true, following this procedure, the complaint may be placed in the bargaining unit member's personnel file. Any complaint, which is neither determined to be true or false, will be put in a "complaint file" for up to three (3) years. Such a complaint will be discarded after three

(3) years from the date of the complaint, unless a similar complaint regarding the same bargaining unit member is filed; in that case, the first complaint will become part of the new complaint file and will be dealt with consistent with this procedure as a part of the second complaint.

Should the bargaining unit member's immediate supervisor determine that the complaint is either "true" or "neither true nor false," he/she will issue a written report which will summarize all information considered and state the basis for determining whether the public/employee complaint is true, or determined neither to be true nor false. The bargaining unit member will be given a copy of the administrator's report in a timely manner. Any written response made by the bargaining unit member will be attached to the written report of the administrator.

Should the immediate supervisor determine that the complaint is false, he/she may issue a written report at his/her discretion.

28.1.5 If the bargaining unit member believes the decision made by the supervisor is in error, he/she may appeal directly to the Board of Trustees in closed session seeking a review of the determination. The Board's investigation shall follow all procedures set forth in this contract agreement. A joint report shall be forwarded to the Board containing both the administrative perspective and the bargaining unit member/Association perspective. If the Board sustains the public complaint and the District has not issued a reprimand, suspension or dismissal of the bargaining unit member pursuant to Article 27 of this Agreement, the district shall place the complaint, the Board response and attachments, the Superintendent's report, and/or the notation of the Board's action into a sealed envelope which shall have the memorandum contained in Appendix I placed on its cover. If a reprimand, suspension, dismissal or other disciplinary action results at any point from such a complaint, such action is subject to the provisions of Article 27.

ARTICLE 31

School-Wide Change

It is agreed that the District and ESTA hold these common beliefs and expectations regarding the process for creating successful school-wide change.

31.1 For the purposes of this section, issues defined as "school wide change" are defined as issues that substantively impact or change (e.g., block scheduling) practices and procedures that do not fall under the provision of Appendix H.

31.2 Topics for consideration by a site may be generated by the school leadership or the faculty. There must be mutual interest, as defined by the 18.4 Committee or Site-Based Decision Making Team at Alternative Education sites, by the parties in working toward a school-wide change goal in order for it to have momentum.

31.3 Any process established for considering a proposed school-wide change, including the timeline for implementation, will be decided by the 18.4 Committee.

31.3.1 Notification of the vote must be made at least 5 days in advance.

31.4 The 18.4 committee shall determine a process which results in a "yes/no" balloting, and a threshold of no less than 2/3 of the ballots cast shall be used to approve the initiative. The threshold may be greater than 2/3 as determined by the certificated staff and administration.

1 31.4.1 The voting shall be by secret ballot and monitored by the site
2 administration, and an ESTA representative. All ballots shall be
3 counted with a representative of the site administration and
4 ESTA representative.

5
6 31.4.2 The 18.4 committee, prior to the vote, shall determine all other
7 aspects of the voting process.

8
9 31.5 The vote must be taken on or before April 1, after considerable time for
10 careful discussion and reflection by the bargaining unit members.

11
12 31.6 The administration at the site, based upon best information, determines
13 whether an approved initiative shall be implemented.

14
15 31.7 Any bargaining unit member wishing to leave a site as a result of the
16 implementation of a school-wide initiative shall be treated as a priority
17 transfer up until April 15. (See Education Code 35036)
18

ARTICLE 32

Professional Development

32.1 The Professional Development Program will generate involvement and interest in professional growth at all levels--participation, planning and training.

32.2 The School Site Professional Development Plan Committee's elections shall be held no later than April 30 of even-numbered years. Bargaining unit members shall serve for a term of two (2) years.

Nominations of teachers to the Committee shall be opened for a period of ten (10) school days. The election shall then be held between the eleventh (11th) and fourteenth (14th) school day.

A teacher representative from the English, Mathematics, Social Science, Science, and Foreign Language departments receiving the most votes shall be appointed to the Committee. The teacher receiving the highest number of votes, excluding the aforementioned five (5) teachers, shall be named as the sixth (6th) member of the committee, as an at-large member. If the specified departments do not have an elected representative, then the opening shall be filled by an at-large member identified through the election process. If fewer than six (6) bargaining unit members are nominated and elected for the six (6) positions, volunteers from the necessary area (department or at-large) shall be utilized to create the full complement.

32.3 Instructional rounds are intended to help educational leaders and practitioners develop a shared understanding of what high-quality instruction looks like and what schools and districts need to do to support it. Through this process voluntary teams of teachers or administrators and teachers develop a shared practice of discussing and analyzing learning and teaching by observing classrooms. Teachers are given advance notice of these non-evaluative visits.

ARTICLE 33

Children's Center Instructors

33.1 Children's Centers will be open on the same days as the District office is open for business. Infant/Toddler centers shall be open on the same days as high school students attend.

33.2 The number of workdays per year for Children's Center Instructors shall be 215.

33.2.1 Instructors will submit a proposed work calendar to the Child Development Program Coordinator no later than May 15th of each year. The Child Development coordinator will notify the instructor of their work year calendar not later than June 15th of each year. Effort will be made to accommodate Instructor's requests. In the event proposed dates cannot be accommodated, the employee with the most seniority will be given preference. In subsequent years, the request of the next senior instructor would be honored.

33.2.2 Changes to the approved work year calendar may be granted with prior approval of the Child Development Program Coordinator. Requests are to be made no less than five working days in advance of the requested change.

1 33.5 Each site shall have a Site Program Supervisor, paid a stipend as per Appen-
2 dix D, who shall meet the requirements for holding a current Site Supervisor

Representation

Representation at conferences, as provided in this Agreement (for example, section 5.3, 13.9, 18.4 and 28.1.3), is expected to occur immediately before or after school or during the bargaining unit member's preparation period unless another time is mutually agreed to between the parties. If the agreed-upon time is during the bargaining unit member's or the on-site ESTA representative's instructional time, either or both, as appropriate, will be released from duties during the time of the conference.

If the nature of the conference is such that the bargaining unit member believes it necessary to have an off-site representative present, the conference time will be mutually agreed upon and scheduled within three (3) workdays; provided, however, that if the nature of the conference is such that the administration reasonably believes that the conference needs to occur immediately or before an off-site representative is available, then the bargaining unit member will attempt to obtain an on-site representative or witness before the conference is held.

The three (3) workday timeline may be waived if:

- 1) a mutually agreed upon meeting is to occur later than the three (3) day limitation, or
- 2) a meeting time cannot be mutually agreed upon. The Association shall make every reasonable effort to accommodate the individual bargaining unit member's and administrator's schedule. In any case, a meeting shall occur within three (3) working days and the administrator involved will schedule the meeting at a reasonable time and a reasonable place.

If the off-site representative is released from duties, he/she shall inform his/her site administration of his/her departure and return.

APPENDIX F

2. Either party may utilize the services of outside consultants.
3. The District and the Exclusive Representative may discharge their respective duties required by this Agreement by means of authorized officers, individual representatives, or committees.
4. Negotiations shall take place at mutually agreeable times and places.
5. The Exclusive Representative, no later than March 15, shall designate up to six (6) representatives who shall comprise the Exclusive Representative's Negotiations Unit. Site-Based Decision-Making

In any instance in which decisions made by Site-Based Decision-Making bodies impact the provisions of the Collective Bargaining Agreement, the following procedure shall be used:

1. The change to the Agreement being proposed must be reviewed and agreed to by the site faculty by consensus. In the case that a group smaller than the entire faculty is affected, the affected body must, by consensus, agree to the change.

- 1.1 Consensus is a process which is understood to mean the agreement of 100% of those bargaining unit members whose job duties are affected, at least on a pilot basis.

2. If current Agreement language is to be changed or a waiver of that language is proposed, then the substitute language must be identified and submitted to the District and the Association along with the waiver proposal. Class Size Balancing

Should the Association President conclude that every effort, as referenced herein and in previous Awards¹, is not being made to bring all individual class enrollments as close as possible to the department maximums listed in section 15.1 of the Collective Bargaining Agreement, or that specific actions agreed to in this award are not being honored, the Association President may, after giving the District reasonable notice to correct the problem, seek the authority of the Arbitrator to direct that such appropriate action(s) occur and to assess penalties to the District. Such reasonable notice shall be the Association President's notification to the District of the Association's intent to seek the Arbitrator's authority no sooner than day 15 of the school year. The hearing will be scheduled not earlier than 5 days after the Association President's notice. The Arbitrator shall be authorized to direct that appropriate remedies take place.

The District agrees to pay all costs incurred by either the District or the Association relative to the enforcement of Article 15 Class Size matters, including Arbitrator's costs and fees, through the end of the 2005/06 school year.

1. The District's "balancing" of class sizes is a process that contains multiple stages including:
 - (a) The establishing of tentative needs, surpluses, sections, assignments and/or course tallies by the end of the school year;
 - (b) Preparation work preceding the opening of the subsequent school year during which time site administration, counselors and other designees engage in activities that include: the dropping of withdrawals, the adjustment of student schedules due to events such as changes in teacher recommendations or summer school attendance, the purging of schedules, the opening and

1 closing of sections, and contact with parents and stu-
2 dents to verify residence where possible and review the
3 students' enrollment selections;

4 (c) The dropping of no shows on day two of the school
5 year;

6 (d) An observation period during the first five to seven
7 days of school during which the APEDs monitor the
8 master schedule to determine actual class sizes based
9 on actual student arrivals, and;

10 (e) The completion of all class size balancing according to
11 the "every effort standard" will occur by approximately
12 the fifteenth (15) day of school.

13 2. Preceding each school year the District will provide direction and specific
14 training to site managers relative to the District's "best practices" in the area
15 of class size compliance. The Association President will be provided copies
16 of the training guide and timeline template. If the District offers group train-
17 ing, the Association President may designate representatives who will be en-
18 titled to attend these trainings. If the training occurs during the contractual
19 workday, the District shall provide release time for the Association repre-
20 sentatives.

21 3. The District will revise the current student-to-teacher allocation ratio to
22 more effectively meet the requirements of the Collective Bargaining Agree-
23 ment and the "every effort standard". An aspect of this revision may include
24 additional staff allocations, where appropriate, to schools in recognition of
25 specific site needs including "families," "career paths," "small learning
26 communities," "clusters" and/or "academies" so that these sites will bring all
27 individual class enrollments in non-specialized programs as close as possible
28 to the department maximums listed in section 15.1 of the Collective Bar-
29 gaining Agreement. The District will update the Association President, as
30 appropriate, regarding projected enrollments and allocations.

- 1 4. Preceding every school year the District will provide additional training to
2 site managers relative to current District-wide computer programs used in
3 the creation of master schedules. The Head Counselor at each school site
4 and others as designated by site administration shall be included in such
5 training. If the training occurs during a work day, the District shall provide
6 release time for these bargaining unit members. If the training occurs during
7 non-workdays, these bargaining unit members shall be compensated at the
8 hourly rate of pay.
- 9 5. The District and Association President will meet at the discretion of the As-
10 sociation President from June 1 to September 1 to review progress in master
11 schedule development and compliance with Article 15. During the Fall of
12 each school year the District and the Association President/designee will re-
13 view the efforts made at the school site and District Office levels to bring all
14 individual class enrollments as close as possible to the department maxi-
15 mums listed in section 15.1 of the Collective Bargaining Agreement. This
16 process shall include review of the weekly overage reports on a site by site
17 basis and/or other district-generated reports that outline class size overages.
18 The process will also include a review by the Association President/designee
19 and the District of those “special and/or unavoidable” circumstances that
20 may have caused isolated overages or imbalances.
- 21 6. Each site Associate Principal (APED) or equivalent administrator shall meet
22 with the site Association Representative in the two (2) summer weeks prior
23 to the opening of school for the purpose of sharing information relative to
24 the status of the site master schedule.
- 25 7. Site staff will contact each feeder school no later than the first week of June
26 to verify the number of incoming 9ths graders by category. (ELL, Sp. Ed.,
27 Reg. Ed., etc.). The District will share demographic projections for each
28 school site with ESTA in writing before the last workday in June.
- 29 8. No later than July 15th APEDs will review their site first scheduling run per-
30 centage and report that result to the site principal. A copy of the results will
31 be sent to the Superintendent/designee on the day of the run and made avail-
32 able to the Association President.

- 1 9. By the last week of July, all site scheduling runs will be 75% or greater with
2 departmental class size maximums in core subject areas set to no more than
3 two students over as defined in Article 15. Any site that does not meet the
4 75% standard will immediately notify the Superintendent/designee in writ-
5 ing.
- 6 10. The District will provide these sites additional intervention assistance until
7 scheduling runs are 90% or above. This intervention assistance will include
8 personnel from the Information Systems Department and other District em-
9 ployees traveling to sites as a mobile resource team to assist the site until
10 they reach the 90% threshold.
- 11 11. Site administrators will immediately follow all directives of District inter-
12 vention experts.
- 13 12. By the end of first week of August, sites will finalize all “mechanical” ad-
14 justments to their master schedules, except for extenuating circumstances
15 which will be reported to the Superintendent/designee and explained to the
16 ESTA Building President at an August meeting with the APED.
- 17 13. By the end of the first week of August, all sites will provide the Superinten-
18 dent/designee copies of scheduling runs which show a minimum of 90% of
19 the total (aggregate) student body placed in six classes. These classes shall
20 not include non-instructional titles such as “Open period”, “See Counselor”,
21 “See Administrator”, and so forth. Any site needing to make changes in
22 teacher allocations will notify the Superintendent/designee at this time.
- 23 14. Sites which have not met the 90% standard will take steps (designated by the
24 Superintendent/designee) to remedy this condition within a stipulated time
25 frame. Such steps may include the assignment of additional workdays for
26 site staff, the District-level management of the scheduling process and/or
27 other actions deemed appropriate and necessary by the Superinten-
28 dent/designee in order to achieve the standard. Such steps will be communi-
29 cated to the Association President on a site by site basis.
- 30 15. Prior to the opening of school, class size maximums shall be reset to limits
31 as outlined in Article 15. The target date for completion of all class size bal-
32 ancing according to the “every effort standard” shall remain the fifteenth
33 (15) day of school, plus or minus two days.

16. On the morning of the 18th workday of each semester, the District shall produce a complete set of printed master schedules for each school, formatted as requested by the Association President. Copies of these documents shall be provided to the Association President. These documents shall become the official record for all matters relating to compliance of the District's having met the "every effort" standard for the current semester, unless a different set of official records is mutually agreed to by both parties.
17. The Superintendent/designee will cause a report to be made to the School Board at its first October meeting, which will include the degree to which each comprehensive school site has met its responsibilities under Article 15 of the CBA. This report shall be agendized as a report item and provided to the Association President at least one week prior to the meeting. This report shall be based upon data on day seventeen (17) of school, and include, for each school:
- The percentage of successful student placement on the last student information system master schedule run.
 - The total number of classes over Article 15 limits.
 - The number of students with incomplete schedules.
 - The number of students upon which staffing projections were made and the actual number of students enrolled.
 - All changes to sites' certificated FTE allocation since the first day of school.
 - The number of students that have had class changes since the first day of school.
18. The District will continue to provide training pursuant to appropriate class size balancing techniques to all APEDs, counselors, counseling technicians, and other staff. Attendance at these training sessions will be mandatory unless prior approval is secured from the Superintendent/designee.

- 1 19. When the District modifies the document entitled “Master Schedule Build-
2 ing: Template and Checklist for APEDs” or by whatever title it may come to
3 be known, a complete copy will be provided to the Association President.
- 4 20. Dates in paragraphs 1-19 of this document are predicated on an opening of
5 school in the second week of August. Any earlier school opening will adjust
6 these dates accordingly.
- 7 21. The District will provide the Association read-only access at the Mt. Hamil-
8 ton Offices to its scheduling and class size databases and report generating
9 capabilities for all sites, classes and teachers through the use of Infinite
10 Campus or equivalent software. Costs for hardware and installation and
11 maintenance of software shall be borne by the Association.

SIDE LETTER OF AGREEMENT

OAK GROVE BEACON PROGRAM

The East Side Teachers Association and the East Side Union High School District agree to the following regarding the resolution of issues connected to the Beacon Program at Oak Grove High School.

1. The District acknowledges that teaching and counseling services in all educational programs for East Side students is the exclusive work of the members of the certificated Bargaining Unit.
2. The District will continue to actively advertise and vigorously recruit for appropriately certificated teachers for all positions within the Special Education Department. The District is committed to place either a certificated employee and/or a long-term substitute in these positions.
3. ESTA recognizes that there may be special situations in which all legitimate efforts made by the District still fail to produce acceptable certificated recruits for certain Bargaining Unit positions. In such instances, the District will notify the ESTA President in writing of the specific certificated vacancies for which recruiting has failed, and specifically list all the efforts it has made to recruit qualified employees. The list shall reference dates, locations, and methods used in such recruiting.
4. The District will henceforth obtain written agreement from the ESTA President in all instances in which certificated Bargaining Unit work will be performed by non Bargaining Unit Members, except in those cases in which a substitute is employed due to the absence of an assigned Bargaining Unit Member. When agreed to by the ESTA President, such agreement shall be for a period of time not to exceed

1 one semester. An extension of the agreement may be sought by a repetition of the
2 same process.

3. Each site will follow the provisions in Article 18, specifically 18.4 – Site Based Decision Making Team, Articles 31 and 32, and Appendix H. School wide change votes will require no less than a 2/3 vote as stated in Article 31.

SIDE LETTER AGREEMENT
BETWEEN
EAST SIDE UNION HIGH SCHOOL DISTRICT AND
EAST SIDE TEACHERS ASSOCIATION/CTA/NEA ("ESTA")

On September 18, 2018, the District and ESTA entered into a Tentative Agreement providing for a "two percent 2.0%) increase to the salary schedule governing the salaries of ESTA unit members, retroactive to July 1, 2017."

The Tentative Agreement was ratified by the ESTA membership on October 10, 2018.

The Tentative Agreement was ratified by the District's Governing Board on October 11, 2018.

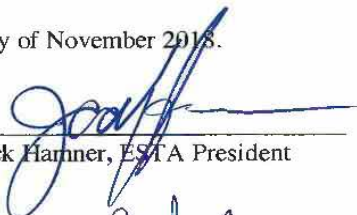

An issue has now arisen between the District and ESTA as to the implementation of the 2% increase. ESTA contends that the 2% increase must apply across the board to all salary schedules, stipends, longevity increases and pay rates included in Appendices A, B, C and D of the Collective Bargaining Agreement between the parties. The District contends that the specific negotiated language of the ratified Tentative Agreement applies only to the salary schedule of unit members in the Collective Bargaining Agreement and that, unlike past negotiated agreements, the negotiations and Tentative Agreement did not include or address any increases to stipends, longevity increases or pay rates.

After discussion, the District and ESTA share a common interest in addressing the matter and on that basis agree as follows:

1. The District shall apply the two percent (2%) retroactive increase specified in the Tentative Agreement to all salary schedules, stipends, longevity increases and pay rates included in Appendices A, B, C and D of the Collective Bargaining Agreement. The District shall make its best efforts to include and pay such increases no later than the February 2019 payroll.
2. ESTA agrees that in all contract negotiations all ESTA proposals and counter-proposals shall be presented to the District in writing at the time of bargaining.
3. This Side Letter Agreement shall be attached to and become a part of the Collective Bargaining Agreement. Except as provided in this Side Letter Agreement, the Tentative Agreement shall be fully enforceable in accordance with its express terms.
4. This Side Letter Agreement shall not be precedent for future contract changes.

Agreed to this 2 day of November 2018.
