School Accountability Report Card Reported Using Data from 2009–10 School Year

Published During 2010-11

The School Accountability Report Card (SARC), which is required by law to be published by February 1 of each year, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

II. About This School

Contact Information (School Year 2010–11)

This section provides the school's contact information.

	School		District
School Name	Santa Teresa High	District Name	East Side Union High
Street	6150 Snell Rd.	Phone Number	408-347-5000
City, State, Zip	San Jose , CA 95123-4740	Web Site	www.esuhsd.org

Principal	John Duran	E-mail Address	moserd@esuhsd.org
E-mail Address	E-mail Address duranj@esuhsd.org		43- 69427- 4330023

School Description and Mission Statement (School Year 2009–10)

This section provides information about the school, its programs, and its goals.

Santa Teresa High School is special place with high academic standards set for all students to reach and excel. We believe strongly in developing a safe environment where students can come to school and feel safe. All students have access to academic courses, participation in extracurricular activities, clubs, sports, and college information.

We want to share with you our vision for students: "Santa Teresa High School is helping students get a GRASP on their future."

We at Santa Teresa High School believe that our curriculum is challenging and rigorous. All students should learn and work to be academically productive all year long. We will continue to ensure our campus is a safe place for all students. We will seek out assistance from parents and community members to work with us as partners and neighbors in meeting our goals. Your support and assistance will enable us to make S.T.H.S. a better place for all students. Welcome!

Opportunities for Parental Involvement (School Year 2009–10)

This section provides information about opportunities for parents to become involved with school activities, including contact information pertaining to organized opportunities for parental involvement.

Parent Involvement Coordinator: John Duran, Principal (408) 347-6200

To ensure ongoing communication, Santa Teresa utilizes the district's Parent Connect website to provide parents with immediate access to their students' grades, attendance, test scores, school programs, and activities as well as to facilitate parent communication with staff members. Because parent and community participation is essential to student achievement, Santa Teresa High School provides a number of parent involvement opportunities. The school has an active School Site Council, Santa Teresa Association of Music Boosters, Santa Teresa Athletic Boosters, Santa Teresa Organization of Parents and Staff (STOPS), Hispanic Parent Group, and a multitude of Parent Volunteers who selflessly devote their time to assist with the first day of school, test preparation, staffing the school store, organizing textbooks, and helping out with clerical tasks. To support parents, Santa Teresa hosts a variety of parent information nights, including but not limited to Financial Aid Night and Freshman Parent Orientation. Moreover, counselors annually schedule parent visits and workshops that include college information, financial aid, and graduation status.

Student Enrollment by Grade Level (School Year 2009–10)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students	Grade Level	Number of Students
Kindergarten		Grade 8	
Grade 1		Ungraded Elementary	
Grade 2		Grade 9	582
Grade 3		Grade 10	670
Grade 4		Grade 11	609
Grade 5		Grade 12	565
Grade 6		Ungraded Secondary	
Grade 7		Total Enrollment	2426

Student Enrollment by Group (School Year 2009–10)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
Black or African American	5.9	White	38.3
American Indian or Alaska Native	0.2	Two or More Races	1.0
Asian	15.3	Socioeconomically Disadvantaged	15
Filipino	2.3	English Learners	16
Hispanic or Latino	35.4	Students with Disabilities	8
Native Hawaiian/Pacific Islander	0.7		

Average Class Size and Class Size Distribution (Secondary)

This table displays, by subject area, the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

	2007–08				2008–09				2009–10			
Subject	Avg. Class	lass Classrooms		Avg. Number of Class Classrooms		Avg. Class		umber dassrooi				
	Size	1-22	23-32	33+	Size	1-22	23-32	33+	Size	1-22	23-32	33+
English	27.7	15	73	1	27.9	10	79	1	29.0	7	60	15
Mathematics	26.6	27	39	16	26.9	22	55	9	29.6	10	27	31

III. School Climate

School Safety Plan (School Year 2009–10)

This section provides information about the school's comprehensive safety plan.

The School Safety plan was last reviewed by our School Site Council on September 1, 2009.

Santa Teresa has a very detailed, comprehensive safety plan that outlines protocols, systems, and procedures in the event of any/all emergencies. This plan also contains the yearly safety goals as determined by the students, staff, and parents. The Safety Plan is developed by the Santa Teresa Safety Committee and reviewed by the our School Site Council and District Safety Committee before it is presented to the East Side Union High School District Board of Trustees for adoption. The Safety Plan and drill procedures are reviewed during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared and completed and the results are communicated to all staff. Santa Teresa's campus is supervised by administration, advisors, monitor, one on campus San Jose Police Officer, and certificated staff during school day hours.

The 2009-2010 Santa Teresa High School Site Safety Plan is in compliance with district polices that govern all school sites in developing, implementing a comprehensive, enforceable, and continuous living document that deals with Behavior policy, Rules and regulations, Dress code, Tardy, Attendance, Referral process, Multi-service team, Safety team and Protocols for safety/emergency drills.

We partnership with community agencies, City of San Jose, San Jose Police Department, and other Safety and Mental Health agencies and groups that offer support services.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate		School		District			
Nate	2007-08	2008-09	2009–10	2007–08	2008-09	2009–10	
Suspensions	22.3	10.4	7.6	30.0	16.9	12.5	
Expulsions	0.2	0.1	0.1	0.1	0.1	0.2	

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2010–11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Overview

The District makes every effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office. Cleaning Process and Schedule

The district's Board of Trustees has adopted cleaning standards for all schools in the district. The Leadership Team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Santa Teresa High School was opened in 1974; that's 35 years ago.

Although the main school campus was constructed in 1967, portable buildings have been added to accommodate diverse program needs.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floors systems.

Maintenance Projects

During the 2006-2007 school year, local Measure A and Measure G funds and state matching funds were used to renovate existing facilities.

Santa Teresa High School is 35 years old. Despite its age, the school facilities are maintained in a good state of repair. The facilities are clean, safe, and adequate for providing a quality education for all students. All classrooms provide adequate space for teaching and learning. Each building also provides an office, or offices, for teachers to use during their prep periods. Exterior campus grounds feature large expanses of lawn, dotted with trees and other shrubbery. Athletic fields are adequate for physical education classes. The football field, track and stadium were renovated to a waterless turf field, rubberized track and new aluminum stands with a press box and ticket booth. At night the campus is well lit with under eave and pole lighting. Student and staff restrooms are generally in very good repair. The floors and walls of the student restrooms are tiled, as are the floors and most of the walls in the staff restrooms. Santa Teresa High School is extremely suitable as a learning environment. Lighting in all areas is adequate for instruction, and there is a suitable HVAC system in place. The fire alarm system has been refurbished with a new control panel. The theater was completely renovated and updating classrooms, teacher offices, staging, seating areas, lights, a speaker system, and restrooms added. Santa Teresa has a very good technology infrastructure. Classrooms and offices have Internet drops, and a Digital High School grant has facilitated the creation of computer labs – including a mobile, wireless lab. The school began to participate in computerized classroom attendance April 5, 2004. **Modernization Projects**

In June 2010, we plan to build a new Multipurpose building at its future site was drawn out on a facilities map when the school first opened back in 1974. Thanks to our community for passing the Measure- E Bond we will now have the funds to make this building a reality.

We envision two regular classrooms with 21st century teaching units, Smart boards and equipped with latest technology. This building will have a large 5000 square foot room that will be used for Testing, college information presentations, it will be utilized by two to three classrooms to meet at one time, it will allow staff, district, parent, community, athletic teams, Cheer Leading team, and other student groups to have meeting, it will be available for banquets for school staff, clubs, athletic teams and community members. The Multipurpose building will also include additional restrooms and a small kitchenette area. Santa Teresa High School has waited for 35years for this Multipurpose Building.

We plan to upgrade our teacher lap top computers, server, and one additional computer lab with Measure E funds by January 2010.

School Facility Good Repair Status (School Year 2010-11)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Item Inspected	Repair Status			Repair Needed and
nem mapecteu	Good	Fair	Poor	Action Taken or Planned
Gas Leaks	Х			
Mechanical Systems	80%		20%	Need to replace one unit on the 100 building. Will do when funds are available

Windows/Doors/Gates (interior and exterior)	Х		We replaced a door in room 512.
Interior Surfaces (walls, floors, and ceilings)	90%	10%	Need to replace carpet in four portable will be done when funds are available.
Hazardous Materials (interior and exterior)	Х		
Structural Damage	х		Siding in the gym needs to be replaced. Will be done in 2011.
Fire Safety	Х		
Electrical (interior and exterior)		х	Main switch need service. We will try to do in summer of 2011.
Pest/Vermin Infestation		х	
Drinking Fountains (inside and outside)		х	We work on drinking fountains when needed.
Restrooms	Х		
Sewer	Х		
Playground/School Grounds	Х		
Other / Athletic Fields	х		School needs to be painted. Will do when funds are available.
Overall Rating	Х		

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE *DataQuest* Web page at http://dq.cde.ca.gov/dataquest/.

Teachers		District		
reactiers	2007-08	2008–09	2009–10	2009–10
With Full Credential	94	98	95	1065
Without Full Credential	11	4	6	63
Teaching Outside Subject Area of Competence	0	0	0	N/A

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: *Total Teacher Misassignments* includes the number of *Misassignments* of *Teachers* of *English Learners*.

Indicator	2008–09	2009–10	2010–11
Misassignments of Teachers of English Learners	0	0	1
Total Teacher Misassignments	0	0	2
Vacant Teacher Positions	0	0	0

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2009–10)

This table displays the percent of classes in core academic subjects taught by Highly Qualified Teachers as defined in the Elementary and Secondary Education Act (ESEA), in a school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty

schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under the ESEA can be found on the CDE Improving Teacher and Principal Quality Web page at http://www.cde.ca.gov/nclb/sr/tq/.

	Percent of Classes In Core Academic Subjects				
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers			
This School	98	2			
All Schools in District	97	3			
High-Poverty Schools in District	95	5			
Low-Poverty Schools in District	99	1			

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2009–10)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	2	1115
Counselor (Social/Behavioral or Career Development)		N/A
Library Media Teacher (librarian)	0.2	N/A
Library Media Services Staff (paraprofessional)	0.75	N/A
Psychologist		N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist		N/A
Resource Specialist (non-teaching)		N/A
Other		N/A

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2010–11)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core curriculum area and	Dishlishaa	Year	Percent of Pupils Who Lack Their Own Assigned Textbooks, Instructional Materials or Science Lab	Most Recent SBE or Local Governing Agency Approved Textbooks and Instructional
textbook in use by course	Publisher	Published	Equipment	Materials

SCIENCE LABORATORY EQUIPMENT	Science labs are adequately equipped	0	YES

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2008–09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at http://www.cde.ca.gov/ds/fd/ec/ and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	6883	1811	5073	77430
District	N/A	N/A	6130	79216
Percent Difference – School Site and District	N/A	N/A	-21%	-2%
State	N/A	N/A	5681	65959
Percent Difference – School Site and State	N/A	N/A	-12%	15%

Types of Services Funded (Fiscal Year 2009–10)

This section provides information about the programs and supplemental services (e.g., information about supplemental educational services related to the school's federal Program Improvement status) that are provided at the school through either categorical funds or other sources.

Santa Teresa High School receives a small amount from Title I and Economic Impact Aid (E.I.A.) which assists us in having a 4th counselor on staff. These funds also help in providing some materials, and

books needed for our English Language Learners students at level 1 to III. We receive some State M.M.A. funding that covers the cost of our Student Family Center Coordinator assisting with professional mental health services.

Teacher and Administrative Salaries (Fiscal Year 2008–09)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	48434	43096
Mid-Range Teacher Salary	79527	70018
Highest Teacher Salary	98141	89675
Average Principal Salary (Elementary)	N/A	N/A
Average Principal Salary (Middle)	N/A	N/A
Average Principal Salary (High)	126763	128615
Superintendent Salary	239188	204469
Percent of Budget for Teacher Salaries	39.6	N/A
Percent of Budget for Administrative Salaries	3.9	N/A

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at http://star.cde.ca.gov. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or

exceeding the state standards).

Subject	Subject		District			State			
Gubject	2007-08	2008-09	2009–10	2007-08	2008-09	2009–10	2007-08	2008-09	2009-10

Students Receiving Migrant Education Services	N/A	N/A	N/A	N/A		

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute AYP designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found on the CDE California High School Exit Examination (CAHSEE) Web site at http://cahsee.cde.ca.gov/. Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

California High School Exit Examination Results for All Grade Ten Students – Three-Year Comparison (if applicable)

This table displays the percent of students achieving at the Proficient or Advanced level in ELA and mathematics.

Subject	School			District			State		
Subject	2007-08	2008-09	2009–10	2007-08	2008-09	2009–10	2007-08	2008-09	2009–10

California Physical Fitness Test Results (School Year 2009–10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at http://www.cde.ca.gov/ta/tg/pf/. Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

	Percent of Students Meeting Fitness Standards					
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards			
9	12.0	26.1	51.1			

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE Academic Performance Index (API) Web page at http://www.cde.ca.gov/ta/ac/ap/.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	8	7	7
Similar Schools	5	4	2

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years. *Note: "N/A" means that the student group is not numerically significant or data were not available.*

Group	Actual API Change				
Group	2007–08	2008–09	2009–10		
All Students at the School	2	16	14		
Black or African American	N/A	N/A	N/A		
American Indian or Alaska Native	N/A	N/A	N/A		
Asian	11	28	1		
Filipino	N/A	N/A	N/A		
Hispanic or Latino	0	32	10		
Native Hawaiian/Pacific Islander	N/A	N/A	N/A		
White	5	1	25		
Two or More Races	N/A	N/A	N/A		
Socioeconomically Disadvantaged	-19	43	12		
English Learners	-37	N/A	34		
Students with Disabilities	-14	-75	57		

Academic Performance Index Growth by Student Group – 2010 Growth API Comparison

This table displays, by student group, the 2010 Growth API at the school, LEA, and state level.

Group	2010 Growth API				
Эгоир	School	LEA	State		
All Students at the School	777	736	729		
Black or African American	N/A	674	638		
American Indian or Alaska Native	N/A	N/A	703		
Asian	868	848	857		
Filipino	N/A	786	812		

Hispanic or Latino	703	648	672
Native Hawaiian/Pacific Islander	N/A	690	706
White	777	786	801
Two or More Races	N/A	747	747
Socioeconomically Disadvantaged	698	687	669
English Learners	627	633	626
Students with Disabilities	455	453	494

Adequate Yearly Progress

The federal Elementary and Secondary Education Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the CDE Adequate Yearly Progress (AYP) Web page at http://www.cde.ca.gov/ta/ac/ay/.

Adequate Yearly Progress Overall and by Criteria (School Year 2009–10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the six AYP criteria described above.

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	No	No
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	No	No
Percent Proficient - Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	Yes	Yes

Federal Intervention Program (School Year 2010–11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found on the CDE Adequate Yearly Progress (AYP) Web page at http://www.cde.ca.gov/ta/ac/ay/.

Indicator	School	District
Program Improvement Status	Not Receiving Title 1 Funds	In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement	N/A	9
Percent of Schools Currently in Program Improvement	N/A	60

XI. School Completion and Postsecondary Preparation

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the General Admissions Information Web page at http://www.universityofcalifornia.edu/admissions/general.html. (Outside Source)

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at http://www.calstate.edu/SAS/admreg.shtml. (Outside Source)

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE *DataQuest* Web page at http://dq.cde.ca.gov/dataquest/.

		School			District			State	
Indicator	2006– 07	2007– 08	2008– 09	2006– 07	2007– 08	2008– 09	2006– 07	2007– 08	2008– 09
Dropout Rate (1-year)	4.0	2.8	3.6	5.1	5.2	5.6	5.5	4.9	5.7
Graduation Rate	78.8	84.6	85.3	73.9	72.3	72.9	80.6	80.2	78.5

Completion of High School Graduation Requirements

This table displays, by student group, the percent of students who began the 2009–10 school year in grade twelve and were a part of the school's most recent graduating class who met all state and local graduation requirements for grade twelve completion, including having passed both the ELA and mathematics portions of the CAHSEE or received a local waiver or state exemption.

Group	Graduating Class of 2010			
Group	School	District	State	
All Students	89	84	N/A	
Black or African American	87	79	N/A	
American Indian or Alaska Native	N/A	88	N/A	
Asian	95	93	N/A	
Filipino	83	91	N/A	
Hispanic or Latino	81	73	N/A	
Native Hawaiian/Pacific Islander	N/A	89	N/A	
White	92	87	N/A	
Two or More Races	N/A	N/A	N/A	
Socioeconomically Disadvantaged	86	78	N/A	
English Learners	74	52	N/A	
Students with Disabilities	69	62	N/A	

Career Technical Education Programs (School Year 2009–10)

This section provides information about the Career Technical Education (CTE) programs and lists programs offered by the school district that are aligned to the model curriculum standards. The list should identify courses conducted by regional occupational centers or programs and those conducted directly by the school district. This section provides a listing of the primary representative of the career technical advisory committee of the school district and industries represented.

For the 2009-2010 school year, Santa Teresa High School offers the following Career Technical Education Programs. These programs integrate core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers.

Multi-Media Magnet Program (Perkins)

- Multi- Media
- Multi-Media 2
- Multi-Media 3

Central County Occupational Center (CCOC)

 Variety of morning and afternoon courses that prepare high school students for future careers and workforce.

Work Experience

Work Experience

Career Technical Education Participation (School Year 2009–10)

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
Number of pupils participating in CTE	240
Percent of pupils completing a CTE program and earning a high school diploma	8%
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	6%

Courses for University of California and/or California State University Admission (School Year 2008–09)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the CDE *DataQuest* Web page at http://dq.cde.ca.gov/dataquest/.

UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for UC/CSU Admission	97.1
Graduates Who Completed All Courses Required for UC/CSU Admission	39.4

Advanced Placement Courses (School Year 2009–10)

This table displays, for the most recent year, the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the CDE *DataQuest* Web page at http://dq.cde.ca.gov/dataguest/.

Subject	Number of AP Courses Offered	Percent of Students In AP Courses
Computer Science	0	N/A
English	2	N/A
Fine and Performing Arts	3	N/A
Foreign Language	1	N/A
Mathematics	2	N/A
Science	4	N/A
Social Science	3	N/A
All courses	15	17.7

XII. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Professional development opportunities for staff members are multifaceted and clearly and consistently linked to the state's standards and the school's core values. Although 2 annual full release days are provided to teachers for professional development, many other opportunities to improve practice occur throughout the school year and summer break. Our school has a coherent, comprehensive plan for professional development that is data driven and directly linked to teaching and learning. Not only do teachers and staff participate in staff development opportunities at the school, but they also take advantage of multiple professional development opportunities at the District. In addition, many teachers take professional growth classes at local colleges and universities and attend workshops offered by the Santa Clara County Office of Education. BTSA and new teacher orientation meetings support new instructors. The school has created and successfully implemented a collaboration model for professional development. School wide and departmental meetings are held regularly so that teachers can continue to work on professional development to support school-wide efforts to align curriculum with rigorous state content standards as well as to provide instructional support for literacy and differentiation to assure the achievement of all students.

To ensure a cycle of continuous improvement, professional development is personalized to address the needs of all subject-area teachers, staff, and administrators. Not only do professional development activities for teachers reflect a best practices approach, but they also align with the California Standards for the Teaching Profession. Teachers and staff participate in professional development that is aligned with their individual fields and district plans at multiple levels. At the school level, professional development is structured to have a generalized focus (e.g., standards-based instruction), and specific facets of the professional development program (e.g., specific instructional strategies) are personalized to address the specific content area dynamics and needs. For example, in English, teachers are examining student work to ascertain effective standards-based instructional strategies, while in Physical Education, teachers are reviewing the *FitnessGram* data to establish effective instruction strategies for physical fitness instruction. The district also offers a multitude of professional development opportunities to broaden teachers' knowledge, enhance their classroom management skills, and augment their repertoire of best practices instructional strategies.
