School Description

Welcome to Evergreen Valley High School - Home of the Cougars! At EVHS, we want all students to know they belong and can be successful here and a well-rounded, comprehensive high school experience is waiting for each and every student. At EVHS, we ROAR! Students and parents are very proud of the school's reputation as an academically challenging and high performing school. Students are well prepared to attend four-year colleges and universities around the country. Challenging and rigorous curriculum is enriched by a variety of athletic teams, over 100 student clubs and community service organizations. An outstanding group of highly qualified teachers work collaboratively to ensure that all students realize their full potential. The school offers over 20 Advanced Placement (AP) courses in all core subject areas and also has a specialized Computer Science Academy. The performing arts department curriculum includes drama, choir, music appreciation, guitar, symphonic band, advanced band and marching band. World languages include Vietnamese, Mandarin, French, and Spanish.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The District makes every effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office.

Age Of School buildings

Although the main school campus was constructed in 2002, a new building (P) was also constructed in 2006 with additional science labs. Portable buildings have been added to accommodate population increases in the Evergreen Valley community. Additionally, a large new walkway was put in 2013 to accommodate the the need for larger student walkways in the interior of campus. The football field had turf installed in 2012, providing a safer playing field for our athletes. The outdoor tennis and basketball courts were re-surfaced in 2015-16. There has been general wear and tear on the buildings and facilities since 2002. Over time, the landscaping around campus has been upgraded with California native and drought-tolerant plants. EVHS has significantly reduced water use in line with California's water conservation efforts. Renovation of the science labs and bathrooms were completed by Summer of 2017. Classrooms P1-P12 were renovated in the summer of 2015. EVHS is part of Bond Measure Z, and School Site Council has prioritized various projects around campus to improve the student experience. EVHS is currently in the process of constructing a new student union on campus.

Cleaning Process and Schedule

The district’s Board of Trustees has adopted cleaning standards for all schools in the district. The Administrative team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floors systems.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: Sept. 2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Stained ceiling tiles noted, site addressing. Damaged / missing corner protectors M&O team addressed. Damaged floor tiles identified and repaired.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Fair	Restrooms dirty throughout campus, site addressing.
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Fair	Weeds identified throughout the campus, site team working to correct the issue.
Overall Rating	Good	Overall site is in very good condition. No major issues noted.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	79	N/A	59	N/A	50	N/A
Math	71	N/A	39	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Because parent and community participation is essential to student achievement, Evergreen Valley High School provides a number of parent involvement opportunities. The school has an active School Site Council which meets every month. Other parent organizations include the Parent Teacher Student Association (PTSA), EVHS Speech & Debate Boosters, Band Boosters Club, and the Latino Parent Coalition. To support parents, Evergreen Valley hosts a variety of parent information nights, including but not limited to 9th Grade Parent Orientation, Financial Aid Night and grade level parent informational nights by the counseling department. The content of these workshops include topics such as the AP program, college information, financial aid, and graduation status. EVHS also hosts our parent center, staffed with a full-time parent and community specialist. EVHS has a vibrant PTSA that hosts three family/community events each year - Dandia, Fiesta ForEver, and the Spring Festival.

School Loop provides parents with immediate access to their students' grades, test scores, and attendance, and allows email communication directly to teachers. Phone messages, in the student's home language, can be sent by teachers. Auto dialer messages, both all school and targeted messages, are delivered to homes frequently. EVHS also has a full-time Parent & Community Involvement Specialist on staff to assist parents and encourage participation in their student's education.

If you are interested in participating in any of these programs or would like more information please call the Evergreen Valley main number (408) 347-7000.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The Evergreen Valley School Safety plan was last reviewed on April 8, 2019. The safety committee meets regularly to update the plan and assess its progress.

Evergreen Valley has a detailed, comprehensive safety plan that outlines protocols, systems, and procedures in the event of an emergency. This plan also contains the yearly safety goals as determined by the students, staff, and parents. The Safety Plan is developed by the Evergreen Valley Safety Committee, reviewed and approved by School Site Council, and reviewed by the District Safety Committee before it is presented to the East Side Union High School District Board of Trustees for adoption. The Safety Plan and drill procedures are reviewed during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared and completed and the results are communicated to all staff.

The Evergreen Valley High School Site Safety Plan includes:

- Behavior policies
- Rules and regulations
- Protocols for safety/emergency drills
- Attendance policy
- Referral process
- Safety goal
- Partnership with community agencies, City of San Jose, San Jose Police Department, and other agencies and groups that offer support services
- Safety team
- Student Support Services

Suspensions	0.9	3	2.5
Expulsions	0.03	0.04	0.05

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	425.4

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	41	39	39

To ensure a cycle of continuous improvement, professional development is focused on the “Critical Areas for Follow Up” in the school’s WASC accreditation recommendations which are further broken down in the school’s School Plan for Student Achievement (SPSA). EVHS is a Professional Learning Community where teacher teams are supported so that they can address the major goals of the SPSA. PD is focused on the needs of teachers to better understand the PLC process and the needs of student learners to ensure growth. Additional professional development is focused on fostering a relationship-centered school and promoting equity in all areas of campus life.

Every Wednesday is a collaboration day with students being dismissed 90 minutes early to allow dedicated staff PD time. Additionally, "PD Days" are scheduled throughout the year, with 5 scheduled in the 19-20 school year. PD Days typically have 3 hours of staff development. Finally, the day before school starts and the day after school ends also consists of teacher professional development.

In addition to PLC time and support, teachers and staff participate in professional development that is aligned with their individual fields and district plans at multiple levels. The district also offers a multitude of professional development opportunities to broaden teachers’ knowledge, enhance their classroom management skills, and augment their repertoire of best practices instructional strategies.

In addition, many teachers take professional growth classes at local colleges and universities and attend workshops offered by the Santa Clara County Office of Education. New teacher induction and orientation meetings support new instructors. Teachers teaching AVID and Advanced Placement also attend summer training for these courses.

Types of Services Funded

Evergreen Valley High School offers a variety of support classes. There are "sheltered" courses in English, Math, Science, and Social Science specifically designed for English Learners in grades 9 and 10. EVHS also has ELD classes for students who need additional support. In addition, 9th grade students with IEPs who score below basic in reading are enrolled in a basic reading course, utilizing the Read 180 program. Ninth graders with IEPs who score below basic in mathematics are enrolled in a basic math foundations course. Ongoing staff development is provided to all staff in Academic Language Development, Differentiated Instruction, multicultural education, and integrating technology. Teachers are also available after school for support and after-school tutoring is offered. Evergreen Valley uses an IST process to assist struggling students.

Career Technical Education Programs

Our high school offers courses intended to help students prepare for college and careers. These career technical education (CTE) courses are open to all students, though space is limited. Many of our students have access to SVCTE (Silicon Valley Career Technical Education) as a part of their educational program.

Computer Information Technology and Web Tech Design are CTE courses offered on our campus.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
