

SCHOOL CLIMATE AND SAFETY

FACILITIES

Andrew Hill is one of the older schools in East Side Union High School District, having been built over a span of years from 1956 through the early 60's. The facility is well maintained by a site-based custodial staff as well as specialized personnel through the district. Portable classrooms have been added to permit increased enrollment, and facilities have been renovated to accommodate specialized curricular needs. Major renovation of the school is continuing over the next few years to upgrade classrooms relative to today's curriculum needs and to modernize specialized facilities to enhance their use by students and the community. The 400, 300 and 200 wings have been completely modernized with new electrical, internet wiring (8 lines per classroom), coaxial cabling, new heating and ventilation systems, and a student support and guidance facility with offices for all of the on-site service providers. The modernization of the 400, 300 and 200 halls also resulted in additional department office and storage space and space for three computer lab facilities. The new science complex provides Andrew Hill with a 100-seat college-style lecture facility, a 2,000 square foot health clinic and laboratory and 9 modernized classrooms. The Boys' and Girls' locker room facilities have undergone a face lift including new lockers, new heating and air conditioning, new lavatory facilities, and new paint. The new Parent and Staff Productivity Center, which also houses the Reproduction Center, is open and operational. A training center in this facility allows staff to be trained on site, and provides daily access to computers and software.

EXPULSIONS

The number of expulsions is the total number of incidents that result in an expulsion. The rate of expulsions is the number divided by the school's enrollment.

	2001	2002	2003
Expulsion (number)	2	5	3
Expulsion (rate)	.1%	.25%	.1%

POSITIVE LEARNING ENVIRONMENT

The campus operates as a closed facility during the school day under regulations adopted by the Board of Trustees. Students are not permitted to leave school except by permission of their parent, and outsiders are not permitted on campus unless they have proper business with the school. This practice ensures optimum opportunity for learning without concern for outside interference. When violations of school rules and policies occur, those involved are dealt with fairly and firmly, and appropriate discipline or legal action is taken. The school has in place a school safety plan (Andrew Hill Action Plan) which brings together the school resources (liaisons, advisors, MST service providers), city and county services (police and probation) and community resources, Asian Americans for Community Involvement (AACI), to address school and community safety issues and concerns. School and community safety is also the focus of our Healthy Start Programs. The school received a Community Police Partnership Grant to add extra support and activities for students.

SUSPENSIONS

The number of suspensions is the total number of incidents that result in a suspension. The rate of suspensions is the number divided by the school's enrollment.

	2001	2002	2003
Suspension (number)	147	117	173
Suspension (rate)	7.4%	5.9%	9.0%

DROPOUT RATE

Data reported regarding progress over the most recent three-year period toward reducing dropout rates include: grade 9-12 enrollment, the number of dropouts, and the one-year dropout rate listed in the California Basic Educational Data System (CBEDS). The formula for the one-year dropout rate is (Grades 9-12 Dropouts/Grades 9-12 Enrollment) multiplied by 100.

Grade Enrollment	2000	2001	2002
Grade Enrollment	2154	2099	1988
Number of Dropouts	44	44	50
Dropout Rate	2.0%	2.1%	2.5%

SCHOOL DESCRIPTION

To academically prepare students for the rigorous demands of the 21st Century, Andrew P. Hill High School, "A California Distinguished School", offers students the following educational advantages: schoolwide internet access (World Wide Web), a 2,000 square foot clinic and two-story Science/Medical Health Professions complex, newly modernized and air conditioned classrooms, a Falcon Family Student Support Team, a comprehensive student activities program, an outstanding teaching staff and a California Distinguished School Instructional Program - everything parents could want to prepare their child for a post high school career or college/university enrollment.

Although Andrew Hill was built in 1956, thanks to District Measure A funds, most of the school has been renovated. The classrooms and computer labs have been enhanced to meet today's technology standards. The state of the art Science/Medical/Health Professions complex provides students with an enriched learning environment that prepares them academically for college and exposes students in the Health/Medical Program to major occupational opportunities in the medical and health professions.

STUDENT ACHIEVEMENT

ACADEMIC PERFORMANCE INDEX

The Academic Performance Index (API) is a score on a scale of 200 to 1000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

API Growth Data	2001	2002	2003
Percentage Tested	95	97	94
API Growth Score	550	577	595
Actual Growth	2	15	16

Andrew Hill exceeded its API target in 2002.

CALIFORNIA STANDARDS

The California Standards Tests show how well students are doing in relation to the state content summary. The number represents the percentage of students scoring at the Proficient or Advanced level.

LEADERSHIP

Andrew Hill, with the support of state and federal funds (SB 1882, Title I, EIA, GATE, Perkins, Eisenhower, IIUSP), offers a program of staff development activities designed to enhance the skills of both certificated and classified staff in working effectively with students.

The emphasis in the past four years has been on the integration of technology into the instructional programs, the development and implementation of Graduation Competencies (Oral and Written Communication and Service Learning), the integration of curriculum and the development of authentic performance based assessments (including portfolios). Additional specific trainings have been and are being offered in Bilingual and Sheltered certification, Advanced Placement, Integrated Science (FAST), Integrated Mathematics, and ABACUS (instructional software aid).

Specific curriculum projects have included Puente, AVID (Advancement Via Individual Determination), Army ROTC, and our 2+2 Tech program. The addition of a full-time Staff Development Coordinator has accelerated and expanded staff development activities.

TEACHER CREDENTIAL INFORMATION
